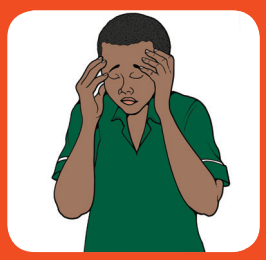
Schools are Taking Steps to Make Sure Children Stay Safe and Healthy



Fever

Diarrhea

Headache

Vomiting

Stomach Pain

Muscle Pain

No one can go to school if they are sick.

Everyone will wash hands regularly.

Schools may take the temperatures of students, teachers, and staff.

Anyone who gets sick at school will be separated until health authorities arrive.

Schools will be cleaned every day.

Students will be asked not to touch or share food, drink and supplies.

If you feel sick, call 117

Together, we can get to zero!
