PATIENTS AND VISITORS

# CLEAN HANDS COUNT

## MOST GERMS THAT CAUSE SERIOUS INFECTIONS IN HEALTHCARE ARE SPREAD BY PEOPLE'S ACTIONS.

Patients **are at risk** for getting an infection while being treated for something else.

Clean hands can **prevent infections.** Ask your healthcare providers for clean hands.

## SPEAK UP FOR CLEAN HANDS.

This material was developed by CDC. The Clean Hands Count Campaign is made possible by a partnership between the CDC Foundation and GOJO.
