On-screen text: Our work against COVID-19 is more critical than ever. We now have safe and effective vaccines, and an increasing supply. We must work vigilantly to vaccinate people quickly, safely, and equitably. Practitioners are on the front lines of this work, but we need champions, too.

Leaders at every level of:

Government
Healthcare
Faith-based Organizations
Labor Associations
Private Sector
Media
Education
Social and Civic Organizations

have a role to play in promoting COVID-19 vaccination.

Join the National COVID-19 Vaccine Forum, where practitioners and champions come together and share information in support of the country's vaccination program.
Be a Champion. Help end the pandemic.

The National Forum on COVID-19
February 22-24
