## COVID-19

# Travelers Prohibited from Entry to the United States

Updated Apr. 30, 2021

[Print](#)

Several Presidential proclamations established restrictions on the entry of certain travelers into the United States in an effort to help slow the spread of coronavirus disease 2019 (COVID-19).

**With specific exceptions, several Presidential proclamations suspend and limit entry into the United States, as immigrants or nonimmigrants, of noncitizens who were physically present within the following countries during the 14-day period preceding their entry or attempted entry into the United States. For a full list of exceptions, please refer to the relevant proclamations in the links below.**

- [China](#)
- [Iran](#)
- [European Schengen area](#) (Austria, Belgium, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, Switzerland, Monaco, San Marino, Vatican City)
- [United Kingdom](#) (England, Scotland, Wales, Northern Ireland)
- [Republic of Ireland](#)
- [Brazil](#)
- [South Africa](#)
- [India](#)

As further provided in each proclamation, citizens and lawful permanent residents of the United States, [certain family members, and other individuals who meet specified exceptions](#) , who have been in one of the countries listed above in the past 14 days will be allowed to enter the United States. More information about what to do after arriving to the United States is available on CDC's [After International Travel webpage](#).
