quick guide to presentations

Monday — March 31, 2003

7:30a	Registration Desk Opens
8:15a	Opening Plenary Session Ravinia Ballroom Sections A-D Welcome and Call to Order Stephen B. Thacker, Director, Epidemiology Program Office
8:30-10:15a	Session A: Dynamic Diversity — A Spectrum of EIS Investigations Moderator: Julie L. Gerberding
8:35	Transmission of West Nile Virus from an Organ Donor to Four Transplant Recipients — Georgia and Florida, 2002 Martha Iwamoto, MD, MPH
8:55	Lung Disease Risk in Microwave Popcorn Production Workers — Iowa, 2002 Richard S. Kanwal, MD, MPH
9:15	Counting the Cost of 20 Years of War: Surveillance for Injuries from Landmines and Unexploded Ordnance — Afghanistan, 2001–2002 Oleg O. Bilukha, MD, PhD
9:35	Prevalence of Overweight Among School Children Using a Statewide Physical Fitness Testing Program — Los Angeles County, California 2001 ... Nolan E. Lee, MD, MPH
9:55	Reducing Racial Disparities in Pneumococcal Disease with a New Childhood Vaccine — United States, 1998–2001 Brendan L. Flannery, PhD, MPH
10:15a	BREAK
10:45a-12:15p	Session B: Family History and Racial/Ethnic Disparities in Chronic Diseases Ravinia Ballroom Sections A-D Moderator: Suzanne M. Smith
10:50	Family History and Cardiovascular Disease Risk-Reducing Behaviors — United States, 2001 Margaret E. McCusker, MD, MS
11:10	Racial and Ethnic Disparities Among Stroke Survivors — United States, 2000 Henraya F. Davis, PhD
11:30	Adipose Tissue Fatty Acids and Atherosclerosis in Alaska Natives and Nonnatives — Alaska, 1989–1993 Joseph B. McLaughlin, MD, MPH
11:50	Differences by Race in Treatment of Prostate Cancer Among Males — Washington, D.C., 1996–2001 Peter E. Thomas, PhD, MPH
12:15p	LUNCH

Monday — March 31, 2003 (Cont.)

12:30p

Public Health Veterinarians Meeting Dunwoody Suites

12:30-1:30p

Monday-Wednesday Poster Session —
Meet the Authors Ravinia Ballroom Sections E-G

(All 30 posters in the session will be on display Monday, 9:00am until Wednesday, 5:00pm)

(The following authors will be present to discuss their studies on Monday, 12:30–1:30 p.m.)

Behavior and Health

- P1. Binge Drinking Among Adults — United States, 1999 and 2001 Jacqueline W. Miller, MD
- P2. Does Transferring Juveniles to Adult Courts in the United States Reduce Rates of Violent Crime? Angela K. McGowan, JD, MPH

Toxic Exposures

- P3. Swim at Your Own Risk: Toxic Exposure Associated with an Indoor Swimming Pool — West Virginia, 2002. Susan C. Kaydos-Daniels, PhD, MSPH
- P4. Pulmonary Health Effects Among Hockey Players Exposed to Ice Resurfacer Emissions — Whitehall, Pennsylvania, 2002. Carlos A. Sanchez, MD
- P5. Improper Chemical Mixing — 16 States, 1996–2001. Kirsten P. Ernst, MSN, MPH, BSN

Respiratory Diseases

- P6. Coccidioidomycosis (Valley Fever) — Arizona, 1998–2002: Are Large Seasonal Outbreaks Predictable? Benjamin J. Park, MD
- P7. Pertussis Outbreak Exaggerated by Direct Fluorescent Antibody Testing — Idaho, 2002. Kris K. Carter, DVM, MPVM, ACVPM
- P8. Human Metapneumovirus Infection in Children Hospitalized with Acute Respiratory Illness — United States, 2000–2001. James A. Mullins, DVM, MPH
- P9. Bronchiolitis-Associated Outpatient Visits (1999–2000) and Hospitalizations (1996–2000) Among American Indian/Alaska Native and U.S. Children — United States. Angela J. Peck, MD
- P10. Changes in Knowledge, Beliefs, and Decisions Among Primary Care Clinicians Regarding Antibiotic Use for Upper Respiratory Infections — Wisconsin versus Minnesota, 1999–2002. Karen M. Kiang, MD
- P11. Adverse Events from Daily Rifampin and Pyrazinamide Treatment for Latent Tuberculosis Infection Among Inmates — New York, 2000–2001. Stephanie S. Noviello, MD, MPH

Foodborne Infections

- P12. Outbreak of Gastrointestinal Illness Due to Norovirus Aboard a Cruise Ship — United States, 2002. Wairimu Chege, MD, MPH
- P13. Re-assessment of Kaplan's Criteria in Identifying Foodborne Norovirus Outbreaks — United States, 1998–2000. Reina M. Turcios, MD
- P14. High-Level Gentamicin Resistance Among Enterococci Isolated from Outpatient Human Stools and from Meat Purchased from Grocery Stores — United States, 1998–2001. Katrina Kretsinger, MD
- P15. Investigation of Fatal Degenerative Neurological Illnesses in Men Who Participated in Wild Game Feasts — Wisconsin, 2002. Vincent P. Hsu, MD, MPH

Monday – March 31, 2003 (Cont.)

1:30-3:00p

Session C: It Hurts to Work — Occupational Illness and Injury Ravinia Ballroom Sections A-D
 Moderator: Kathleen Kreiss

1:35 Summer Work and Injury Among Middle School Students Aged 10–14 Years — Wisconsin, 2001 Kristina M. Zierold, PhD, MS

1:55 Rubella Outbreak on a Cruise Ship — Florida, 2002 David Fermin Arguello, II, MD

2:15 Lung Disease in a Large Water-Damaged Office Building — Hartford, Connecticut, 2001 Kenneth Hilsbos, MD

2:35 Cumulative Incidence of Chronic Beryllium Disease in a Ceramics Factory Cohort Margaret K. Herrick, MD, MPH

3:00p

BREAK

3:15-5:00p

Session D: Get the Point — Injection-Associated Outbreaks Ravinia Ballroom Sections A-D
 Moderator: Stephen P. Luby

3:20 A Large Hepatitis B Virus Outbreak Associated with Frequent Injections at a Physician's Office — New York City, New York, 2001 Taraz Samandari, MD, PhD

3:40 Health-Care-Related Transmission of Hepatitis B and C Viruses — Oklahoma, 2002 Rae Dawn Comstock, PhD

4:00 Outbreak of Mycobacterium abscessus Soft Tissue Infections Following Cosmetic Injections — New York City, New York, 2002 Reina M. Turcios, MD

4:20 Health-Care-Related Transmission of Hepatitis C Virus at an Oncology Clinic — Nebraska, 2000–2001 Alexandre Macedo de Oliveira, MD, MSc

4:40 Outbreak of Joint and Soft-Tissue Infections Associated with Injections from a Multiple-Dose Medication Vial — Tennessee, 2001 David L. Kirschke, MD

5:00p

ADJOURN

6:00p

Cash-Bar Social (Crowne Plaza Ravinia) Dunwoody Suite A

Tuesday – April 1, 2003

8:30-10:15a

Concurrent Session E1: Dangerous Dining — Foodborne & Diarrheal Diseases Ravinia Ballroom Sections A-D
Moderators: Paul S. Mead and Susan Lance-Parker

8:35 Large Outbreak of Salmonellosis Among Transplant Recipients: A Rapid Web-Based Investigation — Florida, 2002 Padmini Srikantiah, MD

8:55 Outbreaks of Norovirus Gastroenteritis Associated with Wedding Cakes — Massachusetts, 2002 Dara Spatz-Friedman, PhD, MPH

9:15 Collaborative International Investigation of an Outbreak of Shigella sonnei Infections Among Guests of an All-Inclusive Resort — British West Indies, 2002 Dawn M. Norton, PhD

9:35 Factors Associated with Death Among Listeriosis Patients — Nine States, July–November, 2002 Elizabeth Claire Newbern, PhD, MPH

9:55 Outbreak of Escherichia coli O157:H7 Infections Associated with Sprout Consumption: Possible Role of Contaminated Water — California, 2002 .. Marc G. Romney, MD, DTM&H

8:30-10:15a

Concurrent Session E2: TB at Home and Abroad Dunwoody Suites
Moderators: Dixie E. Snider, Jr. and Ram Koppaka

8:35 An Investigation of the Risk of Nosocomial Transmission of Tuberculosis in a Community Hospital — Guatemala City, Guatemala, 2001–2002 Abraham G. Miranda, MD, MSc

8:55 Nosocomial Transmission of Mycobacterium tuberculosis in a Large Community Hospital Associated with an HIV-Positive Patient — March–September 2002 McKenzie Andre, MD

9:15 High Prevalence of Drug-Resistant Tuberculosis — Republic of Lithuania, 2002 Puneet K. Dewan, MD

9:35 Tuberculosis Treatment Outcome Among Ex-Prisoners — Kazakhstan, 2000 Hardeep S. Sandhu, MD, MBBS

9:55 Anti-Tuberculosis Drug Resistance and Anonymous HIV Surveillance Among Tuberculosis Patients — Botswana, 2002 Lisa J. Nelson, MD, MPH

10:15a

BREAK

10:45a-12:15p

Concurrent Session F1: The Wonder Years — School and Adolescent Health Ravinia Ballroom Sections A-D
Moderator: Howell A. Wechsler

10:50 Large Outbreak of Escherichia coli O157:H7 Infections Linked to Homemade Butter Served at a School — North Carolina, 2001 Pavani Kalluri, MD

11:10 Outbreak of Conversion Disorder Among Amish Adolescent Girls — Tennessee, 2002 Joslyn D. Cassady, PhD

11:30 Pregnancy in Perinatally HIV-Infected Adolescents — Puerto Rico, 2002 Michelle S. McConnell, MD

Tuesday – April 1, 2003 (Cont.)

10:45a-12:15p	<p>11:50 Secondhand Tobacco Smoke Exposure Among Middle and High School Students — New Hampshire, 2001 Leigh T. Ramsey, PhD, MS</p> <p>Concurrent Session F2: Reproductive Health — Causes and Effects Dunwoody Suites Moderator: Lynne S. Wilcox</p> <p>10:50 Change in Tobacco-Attributable Risk Percent of Low- and Very-Low-Birthweight Births — United States, 1990–2000 Kelly L. Moore, MD, MPH</p> <p>11:10 Maternal Characteristics and Birth Outcomes Among Foreign-Born Hispanic Women — Colorado, Florida, North Carolina, and Washington State, 1997–2000 Denise R. Allen, PhD, MPH</p> <p>11:30 Folic Acid Awareness Among Women — Michigan, 1996–1999. Chidinma N. Alozie-Arole, MD, MPH</p> <p>11:50 Reproductive History and Breast Cancer Prognosis — United States, 1980–1999 Maura K. Whiteman, PhD</p>
11:30-1:45p	State Branch Luncheon Oakwood A&B
12:15p	LUNCH
12:30p	<p>Special Session: Epidemic Updates from the National Center for Chronic Disease Prevention and Health Promotion Dunwoody Suites Moderator: James F. Lando Participants: Linda A. Bartlett, Deborah A. Galuska, Ali H. Mokdad, Terry F. Pechacek</p>
12:30-1:30p	<p>Monday-Wednesday Poster Session — Meet the Authors Ravinia Ballroom Sections E-G (All 30 posters in the session will be on display Monday, 9:00am until Wednesday, 5:00pm)</p>
1:45p	<p>Presentation of the James H. Steale Veterinary Public Health Award Ravinia Ballroom Sections A-D</p>
1:45-4:00p	<p>Session G: Go West, Young Virus — The West Nile Virus Outbreak, 2002 Ravinia Ballroom Sections A-D Moderators: Raoult Ratard & Grant L. Campbell</p> <p>1:50 West Nile Virus Surveillance: Tracking an Epidemic of Historic Proportions — United States, 2002 Susan P. Montgomery, DVM, MPH</p> <p>2:10 Association between Dead Crow Reports and Human West Nile Virus Cases — Chicago, Illinois, 2002 John T. Watson, MD, MSc</p> <p>2:30 Risk Factors for Infection and Predictors of Morbidity from West Nile Virus Infection — Mississippi, 2002 Theresa A. Harrington, MD, MPHTM</p> <p>2:50 Newly Recognized Neurologic Features of West Nile Virus Infection — Louisiana, 2002 Maryam B. Haddad, MSN, MPH</p>

Tuesday – April 1, 2003 (Cont.)

3:10 Incidence of West Nile Fever During a West Nile Epidemic —
Louisiana, 2002 Catherine C. Chow, MD, MPH

3:30 Transmission of West Nile Virus Through Blood Transfusions —
United States, 2002 Lisa N. Pealer, PhD, MHSE

4:00p

BREAK

6:30p

Prediction Run - Lullwater Park, Emory University

Wednesday – April 2, 2003

8:30-10:00a	<p>Concurrent Session H1: Vaccine-Preventable Diseases — Trends and Issues Ravinia Ballroom Sections A-D Moderator: Melinda Wharton</p> <p style="text-align: center;">Presentation of the Iain C. Hardy Award</p> <p>8:35 Varicella Disease in the United States — Promising Trends and Future Challenges Christine R. Curtis, MD</p> <p>8:55 Varicella Vaccination Coverage Among Health-Care Personnel — United States, 1997–2002 Soju Chang, MD, MPH</p> <p>9:15 A Population-Based Study of Bell’s Palsy After Parenteral Inactivated Influenza Vaccines Weigong Zhou, MD, PhD</p> <p>9:35 Factors Associated with Receipt of Hepatitis B Vaccine Among High-Risk Adults, National Health Interview Survey — United States, 2000 Nidhi Jain, MD, MPH</p>
8:30-10:00a	<p>Concurrent Session H2: Parasitic and Vector-Borne Diseases Dunwoody Suites Moderator: Peter M. Schantz</p> <p>8:35 Naegleria fowleri in a Drinking Water System: Two Fatal Cases of Primary Amebic Meningoencephalitis — Arizona, 2002 Josef Amann, MD, MPH</p> <p>8:55 Tick-Borne Relapsing Fever Outbreak Following a Family Gathering — New Mexico, August 2002 Chad B. Smelser, MD</p> <p>9:15 A Case-Control Study of Risk Factors for Sporadic Cryptosporidiosis — United States, 1999–2001 Sharon L. Roy, MD, MPH</p> <p>9:35 Knowledge, Attitudes, and Behavior Regarding Lyme Disease in Three Health Districts — Connecticut, June–July 2002 Kevin S. Griffith, MD, MPH</p>
10:00a	BREAK
10:30a-12:30p	Preventive Medicine Residency Information Dissemination Meeting Hospitality Suite
10:30a-12:15p	<p>Concurrent Session I1: HIV and Sexually Transmitted Diseases Ravinia Ballroom Sections A-D Moderators: Robert S. Janssen and Gail A. Bolan</p> <p>10:35 Epidemiologic Data from the First 12 Months of Named HIV Surveillance — New York City, New York, June 2000– May 2001 Susan E. Manning, MD</p> <p>10:55 Large Increases in Early Syphilis — San Francisco, California, 2000–2002 William Wong, MD</p> <p>11:15 HIV Sexual Risk Behaviors Among Female Sex Partners of Injection-Drug Users — Orel, Russia, 2002 Laura N. Broyles, MD</p>

Wednesday – April 2, 2003 (Cont.)

- 11:35 Evaluation of Clinician's Adherence to CDC's Guidelines for the Treatment of Chlamydia trachomatis Infection in Two Large Health Plans — Colorado and Minnesota, 2000 Waimar Tun, PhD, MHS
- 11:55 Association Between Use of Reminders and Adherence to Antiretroviral Therapy Among HIV-Infected Persons — United States, 2000–2002.....Eyasu H. Teshale, MD

10:30a-12:15p

Concurrent Session **I2**: Nosocomial Nightmares — Health-Care–Associated Outbreaks Dunwoody Suites
Moderator: William R. Jarvis

- 10:35 When a Good Fit Goes Bad: Allograft-Associated Infections in Anterior Cruciate Ligament Reconstructive Surgery — California, 2002 Christine R. Crawford, ScD
- 10:55 A Cluster of Phialemonium Infections Among Hemodialysis Patients — Illinois, 2002 Thomas A. Clark, MD, MPH
- 11:15 Investigation of Nosocomial Candida parapsilosis Blood Stream Infections — Denver, Colorado, September 2002 Sharmila Shetty, MD
- 11:35 Mycobacterium tuberculosis Transmission at Three Hospitals and at a Hostel with Oncology Patients — Illinois and Missouri, 2002 Joseph L. Malone, MD
- 11:55 Nosocomial Transmission of a Community-Associated Strain of Methicillin-Resistant Staphylococcus aureus (MRSA) by a Colonized Health-Care Worker Ralph J. Groves, MD, MA

12:15p

LUNCH

12:30-1:30p

Monday-Wednesday Poster Session — Meet the Authors Ravinia Ballroom Sections E-G
(All 30 posters in the session will be on display Monday, 9:00am until Wednesday, 5:00pm)
(The following authors will be present to discuss their studies on Wednesday, 12:30–1:30 p.m.)

Vaccine-Preventable Diseases

- P16. False Alarms for Smallpox — United States, 2002. Mona E. Marin, MD
- P17. When Does a Good Vaccine Fail? Tracking Pneumococcal Disease in Children Receiving the Pneumococcal Conjugate Vaccine — United States, 2001–2002 Sarah Y. Park, MD
- P18. Outbreak of Influenza A in a Neonatal Intensive Care Unit — Richmond, Virginia, February 2002 Akinyi Adija, MD
- P19. Oculo-Respiratory Syndrome Following Influenza Vaccine — United States, 1990–2002: New or Previously Unrecognized?..... Alena Y. Khromava, MD, MPH
- P20. Targeting the Right Mammals: Risk Factors for Human Contact with Oral Rabies Vaccine — Pennsylvania and Virginia, 2002 Michael O'Reilly, MD, MPH

Vector-Borne Diseases

- P21. Human Babesiosis Caused by a Newly Described Babesia Organism — Washington State, 2002 Kathryn H. Lofy, MD
- P22. Cute, Cuddly, and Potentially Deadly Prairie Dogs: A Near Miss with Tularemia Swati B. Avashia, MD
- P23. Post Epidemic West Nile Virus Serosurvey of Dogs and Cats — Louisiana, 2002 James C. Kile, DVM, CPH, MPH

Wednesday — April 2, 2003 (Cont.)

Hepatitis C, HIV and Sexually Transmitted Diseases

- P24. High Rates of Enteric Illness in a Neighborhood with a High Proportion of Men Reporting Having Sex with Men — New York City, New York, 2001–2002 Melissa A. Marx, PhD, MPH
- P25. Syphilis Knowledge and Safer Sex Education Among Men Who Have Sex with Men — New York City, New York, 2002 David Wong, MD
- P26. Congenital Syphilis As An Outcome Measure of Syphilis Elimination — California, 1997–2001 Jan B. King, MD, MPH
- P27. Follow-Up of Patients Diagnosed with Hepatitis C Through an STD Clinic Screening Program — San Diego, California, 1999–2003..... Karen E. Mark, MD
- P28. Surveillance for Chlamydia in Women — South Carolina, 1998–2001 Wayne A. Duffus, MD, PhD
- P29. Heterosexually Acquired HIV in States with Integrated HIV/AIDS Surveillance — United States, 1999–2001 Lorena Espinoza, DDS, MPH
- P30. Rapid HIV Testing and Antiretroviral Delivery for Women without Antenatal Care — Thailand, October 2000–September 2001 Michelle S. McConnell, MD

1:30-3:30p

Preventive Medicine Residency Information Dissemination Meeting Hospitality Suite

1:30-3:45p

Session J: The Early Years — Threats to Infant and Child Health Ravinia Ballroom Sections A-D
Moderator: Robert J. Berry

- 1:35 The Contribution of Selected Metabolic Diseases to Early Childhood Deaths — Virginia, 1996–2001 Mary M. Dott, MD
- 1:55 Widening of the Racial Gap in Feto-Infant Mortality — Georgia, 1980–1999: Does the Past Predict the Future? Kwame Asamoah, MD, MSc
- 2:15 Changing Risk Factors for Infant Mortality — Delaware, 1994–2000 Marci L. Drees, MD, DTM&H
- 2:35 Folic Acid Supplements During Pregnancy and Infant Mortality — People's Republic of China, 1993–2002 Lorraine F. Yeung, MD, MPH
- 2:55 Trends in Sepsis-Related Neonatal Mortality — United States, 1985–1998 Susan L. Lukacs, DO, MSPH
- 3:15 Use of Active Hospital Surveillance to Validate Estimates of Rotavirus Hospitalizations in Children — Cincinnati, Ohio, 2000–2001 Vincent P. Hsu, MD, MPH

3:45p

BREAK

4:00p

Annoucement of the 1st Annual J. Virgil Peavy Award..... Ravinia Ballroom Sections A-D

4:00p

Annoucement of Langmuir Prize Winner
Session K: Alexander D. Langmuir Memorial
Lecture and Reception Ravinia Ballroom Sections A-D
— Sponsored by Sigma Xi, the EIS Alumni Association and the Epidemiology Program Office —

Topic: Alex Langmuir's Somewhat Quiet Legacy: Epidemiology, Sexual Health, and Personal Choices Willard (Ward) Cates, Jr., MD, MPH

Wednesday – April 2, 2003 (Cont.)

5:30p	EIS Alumni Association Meeting Conference Center
	<p>International Night</p> <p>— Sponsored by the Training in Epidemiology and Public Health Interventions Network (TEPHINET) —</p>
7:30-9:45p	<p>Session L: Evidence-Based Decision-Making in International Health — A Tool to Increase Impact Dunwoody Suites Moderator: Eugene J. Gangarosa</p>
7:35	<p>Methemoglobinemia Secondary to Chemical Poisoning Among Scavengers of a Suburban Dumpsite — Philippines, 2002 Elmer N. Ocampo, RN</p>
7:55	<p>Factors Influencing Participation in Voluntary Counseling and Testing for the Prevention of Parent-to-Child Transmission of HIV in Women — Zimbabwe, 2002 Linnetie Mugore, MPH, BPharm</p>
8:15	<p>Coagulopathy-Related Deaths Associated with Endotoxin-Contaminated Parenteral Solutions — Pernambuco, Brazil, 2002 Luciane Z. Daufenbach, RN</p>
8:35	<p>Population-Based Surveillance of Typhoid Fever - Egypt, 2002.....Padmini Srikantiah, MD</p>
8:55	<p>Injection Safety — Chongqing, China, 2002 Li Qin, MD</p>
9:15	<p>Outbreak of Aseptic Peritonitis Among Peritoneal Dialysis Patients Associated with the Use of Icodextrin — Extremadura, Spain, January–April 2002 Ulrike Dürr, MD</p>
9:35	<p>Presentation of William H. Foege Award. Closing Remarks. Dunwoody Suites</p>

Thursday – April 3, 2003

8:30-10:00a

Session M: Rafts, Tubs, and Rubs — Leisure-Associated
Illness Ravinia Ballroom Sections A-D
Moderator: Paul V. Effler

8:35 Outbreak of Gastrointestinal Illness Among Grand Canyon River Rafters — Grand Canyon, Arizona, June 2002 James A. Mullins, DVM, MPH

8:55 Outbreak of Pontiac Fever Among Guests at a Hotel — Illinois, 2002 Gregory D. Huhn, MD, MPH&TM

9:15 Come Sail Away: Cruise-Related Illness — Caribbean, 2002 Jennifer G. Wright, DVM, MPH

9:35 Outbreak of Pseudomonas Folliculitis Associated with a Body Wrap Salon — Colorado, 2001 Alicia B. Cronquist, MPH

10:00a

BREAK

10:30-12:15a

Session N: It's No Accident — Unintentional and Intentional Injuries Ravinia Ballroom Sections A-D
Moderator: Lynda S. Doll

10:35 Fatal Collisions with Trail Gates Among Drivers of Off-Highway Recreational Vehicles — New Hampshire, 1991–2002 Leigh T. Ramsey, PhD, MS

10:55 Surveillance of Community-Acquired Adverse Drug Events — A Pilot Study Using the National Electronic Injury Surveillance System Daniel S. Budnitz, MD, MPH

11:15 Unintentional Drug-Related Poisoning Deaths — North Carolina, 1997–2001 Michael F. Ballesteros, PhD, MS

11:35 Associations of Body Mass Index and Perceived Weight Category with Suicide Ideation and Suicide Attempts Among Adolescents — United States, 2001 Danice K. Eaton, PhD, MPH

11:55 Homicide Rate versus Violent Crime Rate as Key Health Status Indicators — United States, 1990–1999 James A. Litch, MD, DTM&H

12:15p

LUNCH

12:30p

Special Session: Development of Subnational Applied Field Epidemiology Training Programs Dunwoody Suites
Moderator: David J. Sencer
Speakers: Kathleen H. Acree, Mohan D. Gupte, Alan Rowan and Quang Zeng

Thursday – April 3, 2003 (Cont.)

1:30-3:15p	<p>Session O: Mackel Award Finalists Ravinia Ballroom Sections A-D Moderator: Perry F. Smith</p> <p>1:35 Epidemic of Serogroup W-135 Meningococcal Disease — Burkina Faso, 2002 Joshua D. Jones, MD</p> <p>1:55 Hepatitis C Virus Transmission from an Antibody-Negative Organ and Tissue Donor Barna D. Tugwell, MD</p> <p>2:15 Multistate Listeriosis Outbreak Associated with Turkey Deli Meat — United States, 2002 Sami L. Gottlieb, MD, MSPH</p> <p>2:35 Exposure to Mosquito Control Pesticides During the West Nile Virus Epidemic — Mississippi, 2002 George E. Luber, PhD</p> <p>2:55 Tomatoes Sicken Hundreds: Multistate Outbreak of Salmonella Newport — Eastern and Central United States, July–November 2002 Katrina Kretsinger, MD</p>
3:15p	BREAK
3:30-5:00p	<p>Session P: Mean Microbes — Respiratory and Other Illnesses Caused by Bacterial and Viral Pathogens Ravinia Ballroom Sections A-D Moderators: Kathryn E. Arnold & Cynthia G. Whitney</p> <p>3:35 Cochlear Implants and Bacterial Meningitis in Children: A Public Health Response — United States, 1997–2000 Jennita Reefhuis, PhD, MSc</p> <p>3:55 Respiratory Virus Infections in Children — Bangladesh, 2000–2001 Pauline D. Terebuh, MD, MPH</p> <p>4:15 Legionellosis Among Residents of a Recently Constructed Nursing Facility — Montgomery County, Pennsylvania, 2002 Rachel J. Gorwitz, MD, MPH</p> <p>4:35 Burden of Streptococcal Toxic Shock Syndrome and Necrotizing Fasciitis — United States, 2002 Karen D. Cowgill, PhD, MPH, RN</p>
5:30-7:30pm	Pizza Party Bistro 55 Restaurant, Crown Plaza Ravinia
8:30p	EIS Satirical Revue Ravinia Ballroom Sections A-D

Friday — April 4, 2003

8:30-10:00a

Session Q: The Right Drug for the Bug —
Antimicrobial Use and Resistance Ravinia Ballroom Sections A-D
Moderator: Richard E. Besser

8:35 Two to Tango without Vanco: Acquisition of Vancomycin-Resistance Genes by
Staphylococcus aureus from Enterococcus in the Absence of Vancomycin Exposure —
Pennsylvania, 2002 Sarah Y. Park, MD

8:55 Multistate Outbreak of an Emerging Strain of Multidrug-Resistant Salmonella —
New York, Michigan, Pennsylvania, Connecticut,
and Ohio, 2002 Stephanie S. Noviello, MD, MPH

9:15 Antibiotic Prescribing Patterns Among Obstetrician-Gynecologists for Upper Respiratory
Tract Illness — United States, 2002 Shadi Chamany, MD

9:35 Assessment of Adherence to a Six-Dose Regimen of Coartem™ for
Treatment of Uncomplicated Malaria in Children Under Five Years —
Tanzania, 2002 Louise M.A. Causer, MBBS, MScPH, DTM&H

10:00a

BREAK

10:15a

Presentation of Donald C. Mackel Memorial Award and
Outstanding Poster Presentation Award Ravinia Ballroom Sections A-D

10:15a-12:00p

Session R: Late-Breaking Reports Ravinia Ballroom Sections A-D
Moderator: Douglas H. Hamilton

10:35 Late-Breaking Report — TBA

10:45 Late-Breaking Report — TBA

10:55 Late-Breaking Report — TBA

11:05 Late-Breaking Report — TBA

11:15 Late-Breaking Report — TBA

11:25 Late-Breaking Report — TBA

11:35 Late-Breaking Report — TBA

11:45 Late-Breaking Report — TBA

12:00p

LUNCH

Friday – April 4, 2003 (Cont.)

1:30-3:30p

Session S: International Health Ravinia Ballroom Sections A-D
 Moderator: Stephen B. Blount
 Presentation of the Paul C. Shnitker Award

1:35 Clinical Diagnosis of Malaria and Implications for Drug Policy —
 Tanzania, 2002 Louise M.A. Causer, MBBS, MScPH, DTM&H

1:55 Burden of Disease and Etiologies of Culture-Confirmed Neonatal Sepsis —
 Soweto, South Africa, 2000–2001 Rachel J. Gorwitz, MD, MPH

2:15 Risk Factors for Mortality During Landslides — State of Chuuk, Federated States of
 Micronesia, 2002 Carlos A. Sanchez, MD

2:35 Enhanced Screening and Treatment of Vietnamese Montagnard Refugees —
 Cambodia and North Carolina, 2002 Jhankhany Jina Shah, MD, MPH

2:55 Hyperendemic Botulism — Republic of Georgia, 1980–2002 Jay K. Varma, MD

3:15 Closing Remarks and Adjournment Stephen B. Thacker
 Director, Epidemiology Program Office

3:30-5:00p

Special Post-Conference Session: Post-War Assessments:
 The Role of Epidemiology in Afghanistan Ravinia Ballroom Sections A-D
 Moderator: Marguerite Pappaioanou
 Speakers: Mark A. Anderson, Linda A. Bartlett, Muireann B. Brennan,
 Barbara Lopes-Cardosa, Basia Tomczyk and Bradley A. Woodruff
