Mask Recommendation

As a result of a court order, effective immediately and as of April 18, 2022, CDC's January 29, 2021 [Order](#) requiring masks on public transportation conveyances and at transportation hubs is no longer in effect. Therefore, CDC will not enforce the Order. CDC continues to [recommend](#) that people wear masks in indoor public transportation settings at this time.

Details About Land Travel

For information about COVID-19 requirements for land travel, visit the U.S. Department of Homeland Security's [Fact Sheet: Guidance for Travelers to Enter the U.S. at Land Ports of Entry and Ferry Terminals](#) [↗](#).

Can I travel if ...?

I am sick with or [tested positive](#) for COVID-19.

- Do NOT travel.
- Follow recommendations for [isolation](#).

I have ended isolation but still need to continue wearing my mask per [CDC's guidance](#).

- Do not travel on public transportation such as airplanes, buses, and trains if you will not be able to wear a high-quality mask or respirator when around others indoors for the full duration of your trip.
- If you travel, wear a high-quality [mask](#) or respirator the entire time you are around others indoors.
- Traveling by private vehicle (if possible) can lower the chances of spreading COVID-19 to others.

I was exposed to a person with COVID-19 in the past 10 days.

- Follow [CDC guidance](#), including getting tested at least 5 full days after your last exposure.
- Do not travel on public transportation such as airplanes, buses, and trains if you will not be able to wear a high-quality mask or respirator when around others indoors for the full duration of your trip.
- If you travel, wear a high-quality [mask](#) or respirator the entire time you are around others indoors.
- Traveling by private vehicle (if possible) can lower the chances of spreading COVID-19 to others.

To find COVID-19 vaccine locations near you: Search [vaccines.gov](#), text your ZIP code to 438829, or call 1-800-232-0233.
