

*National Conversation on Public Health and Chemical Exposure*  
**LAUNCHING THE CONVERSATION**  
June 26, 2009

**Participant Comment Worksheet**

*A meeting summary will be prepared based on notes taken during this kick-off meeting for the National Conversation on Public Health and Chemical Exposure. Please use this form to jot down any ideas that you want to ensure be considered during the National Dialogue. You may wish to reinforce or elaborate a key idea discussed or to add questions or suggestions that you were not able to raise. [Use back if needed.]*

**What unmet needs and/or solutions would you suggest be part of the dialogue, and why?**

**What other issues or ideas are important to you that you would like considered?**
