Listeria (Listeriosis)

Where Sick People Lived

Posted August 10, 2023

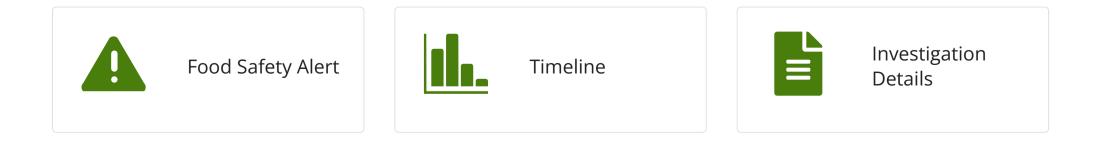

This map shows where the two people in this *Listeria* outbreak lived.

Recalled ice cream was distributed nationwide and internationally. This outbreak may not be limited to the states with known illnesses, and the true number of sick people is likely higher than the number reported. This is because some people recover without medical care and are not tested for *Listeria*.
