Text alternative:

World Mosquito Day

Mosquitoes cause more death & disease than any other animal on the planet.

Malaria, Dengue, Yellow Fever, Japanese Encephalitis, West Nile Chickungunya, Kunjin Jamestown Canyon Virus, Zika, Venezuelan Equine Encephalitis, St Louis Encephalitis, Pogostra Disease, Ross River Virus, Lymphatic Filariasis, Eastern Equine Encephalitis, Murray Valley Encephalitis, Rift Valley Fever, Lacrosse Encephalitis.

And the list goes on.

CDC Works Worldwide to Prevent and Eliminate Deadly Diseases Spread By Mosquitoes.
