COVID-19 Health Equity

TA BULLETIN

This monthly bulletin highlights upcoming technical assistance (TA) events, new resources, trainings, key milestones, and updates for OT21-2103 grant recipients as a part of the *National Initiative to Address COVID-19 Health Disparities Among Populations at High-Risk and Underserved, Including Racial and Ethnic Minority Populations and Rural Communities*.

UPCOMING EVENTS

Introduction to Adaptive Leadership

4:00 PM –
5:00 PM ET

[REGISTER NOW](#)

Hosted by NACCHO with the Big Cities Health Coalition

Examine adaptive leadership through learning key definitions, distinctions between adaptive challenges and technical challenges, elements of an adaptive challenge, and conducting a stakeholder analysis.

Stakeholder Analysis: Values, Loyalties, and Losses (VLL)

4:00 PM –
5:00 PM ET

[REGISTER NOW](#)

Hosted by NACCHO with the Big Cities Health Coalition

Explore how to define various stakeholders in your work and how to develop a more empathetic understanding and collaboration on an adaptive challenge.

Courageous Conversations

4:00 PM –
5:00 PM ET

[REGISTER NOW](#)

Hosted by NACCHO with the Big Cities Health Coalition

Explore the Courageous Conversations model and learn how this conversation methodology can help you to plan and have difficult conversations that are needed to make progress on adaptive challenge.

TECHNICAL ASSISTANCE Resources

Health Equity Data - CDC COVID Data Tracker

Centers for Disease Control and Prevention

This resource catalogs current health equity-related data via the COVID Data Tracker. These data align with populations and place-based groups in the CDC COVID-19 Response Health Equity Strategy. Training on using data to address health equity is coming soon!

In-Language COVID-19 Resources

Centers for Disease Control and Prevention

A COVID-19 resource with multi-media content in Vietnamese, Hmong, Khmer, and Lao. Training on how to develop in-language COVID-19 educational materials is coming soon!

Resource Guide: Best Practices for Uninsured and Medicaid Populations on Connecting to Health Care and COVID-19 Vaccination

Georgia Health Policy Center

This resource guide features best practices for increasing insurance coverage among refugees, immigrants, Black people, Indigenous populations, and people of color and best practices for increasing vaccination rates among Medicaid enrollees.

Health Equity Self-Paced **TRAINING OF THE MONTH**

Community Assessment: Conducting Windshield and Walking Surveys

[Transforming the
Narrative: Health
Equity and the
Community - A
Toolkit](#)

Late last year, NNPHI created a Narrative Change training and toolkit designed to complement the narrative change work being done in communities every day in the process help create more opportunities to achieve health equity. The goal of this toolkit is to offer a frame to develop more justice-rooted language.

We recommend using the toolkit in collaboration with the video training. The workbook is located at the end of the toolkit.

COMING SOON: REQUEST TECHNICAL ASSISTANCE

The OT21-2103 TA Request System is live! Trainings were held in March with your agency's primary point(s) of contact (POC) on how to submit a TA request. Work with your agency's POCs and your Project Officer to discuss your TA needs and submit a request in the system (agency POCs have access to the [TA request system here](#)). For questions regarding access to the TA Request System, please contact your Project Officer.

This bulletin is compiled by the COVID-19
Health Equity TA Collaborative:

For general TA questions, grant recipients should contact their Project Officer. For TA Resource questions, email: Tenesha Lewis at pheis@astho.org (State Team), Kelsey Donnellan at kdonnellan@astho.org and Neyling Fajardo at nfajardo@astho.org (Island Support Team), Andrea Grenadier at agrenadier@naccho.org, or Meghan Wolfe at mwolfe@nnphi.org.
