

SUPPLEMENTARY FIGURE: Monthly/Quarterly Firearm Homicide Rates (Annualized*), by Race and Ethnicity† – United States, 2019–2022

Sources: CDC WONDER; U.S. Census Bureau (NC-EST2020-ALLDATA; NC-EST2022-ALLDATA).

Abbreviations: AI/AN = American Indian or Alaska Native; A/PI = Asian or Pacific Islander; NH = non-Hispanic.

* Monthly/quarterly crude rates are annualized (deaths per 100,000 person-years).

† Persons within some racial and ethnic groups, particularly AI/AN persons, might be undercounted because of misclassification. (See National Center for Health Statistics, Series 2, Number 172 [August 2016] [cdc.gov] and National Vital Statistics Reports, Volume 70, Number 12 [November 2021] [cdc.gov]).
