# Contact Investigation Role Plays

---

---

# Role Plays (1)

---

---

**The purpose of the role play is to**

- **Gain practice interviewing a case**
- **Receive performance feedback from facilitators and other participants**

# Role Plays (2)

- There are 3 roles that are played within each role play; TB case, interviewer, and observer
- During the exercise, each participant will have the opportunity to play each of the roles

**TB Case**  
who is  
being  
interviewed

**Health Care  
Worker**  
who interviews  
the case

**Observer**  
who observes the  
role play and  
provides verbal  
and written
