

# SUPPLEMENTARY FIGURE 2. Coccidioidomycosis, histoplasmosis, and blastomycosis incidence,\* by race and ethnicity — United States, 2020–2021

**Abbreviations:** AI/AN = American Indian/Alaska Native; A/NHPI = Asian, Native Hawaiian, or other Pacific Islander; Other = two or more races.

\*Cases per 100,000 population. Summed state-specific denominators from 2019–2021 U.S. Census Bureau data were used to calculate incidence for the total grouping for each year.
