

Polio Vaccine Work Group

Oliver Brooks, MD, FAAP

ACIP Meeting

February 28, 2024

Polio Vaccination Work Group Terms of Reference

Policy topics under consideration:

nOPV2

- Considerations for the potential use of novel type 2 oral poliovirus vaccine (nOPV2) as an outbreak control measure in the United States

fIPV

- Clinical considerations for children who received fractional dose inactivated polio vaccine (fIPV) in other countries
