

Warning Sign_BM_24436_B1.pdf 1 9/18/15 2:54 PM

Hepatitis B has no warning signs because there are often no symptoms.

HEPATITIS B

1 in 12 Asian Americans is infected with *Hepatitis B* and most don't know it. An early diagnosis of Hepatitis B is the best way to prevent serious liver problems and even liver cancer. Ask your doctor about getting tested for Hepatitis B today.
