

**SUPPLEMENTARY TABLE 1. Description of stratifications included in vaccine effectiveness estimates, by network, setting, age group, and immunocompromised status — VISION and IVY Networks, September 2024–January 2025**

Network	Setting	Age group, yrs	Immunocompromise status
VISION	ED/UC	≥18	Immunocompetent and immunocompromised
		18–64	Immunocompetent and immunocompromised
		≥65	Immunocompetent and immunocompromised
	Hospitalized	≥65	Immunocompetent
		≥65	Immunocompromised
IVY	Hospitalized	≥65	Immunocompetent

**Abbreviations:** ED = emergency department; UC = urgent care; VISION = Virtual SARS-CoV-2, Influenza, and Other respiratory viruses Network; IVY = Investigation Respiratory Viruses in the Acutely Ill.
