*Estimates for mental health and substance use treatment facilities are not mutually exclusive because they each include facilities offering both substance use and mental health treatment services. Caution should be exercised when comparing and interpreting findings across facility types.

[†] Data for any cessation service was missing for 19 mental health treatment facilities, ranging by jurisdiction from 0 to 2 facilities with missing data.

[§] Data for any cessation service was missing for 29 substance use treatment facilities, ranging by jurisdiction from 0 to 4 facilities with missing data.
