Dear Sir/Madam:

This is to officially express the endorsement and support of the National Institute for Occupational Safety and Health (NIOSH) for the OSHA proposed rule on Hazard Communication; Disclosure of Trade Secrets to Nurses which was published in the Federal Register on December 2, 1985 [50 FR 49410].

We have viewed the role of the occupational health nurse as crucial to the prevention of occupational injury and disease. I would be pleased to assist OSHA in any way practicable in the promulgation of this proposed rule.

Sincerely yours,

J. Donald Miller, M.D.
Assistant Surgeon General
Director
