## **I. Journal Articles**

Abell MT, Kennedy ER [1997]. A computer program to promote understanding of the monitoring method evaluation guidelines used at NIOSH. *Am Ind Hyg Assoc J* 58(3):236–241.

Amandus HE, Hendricks SA, Zahm D, Friedmann R, Block C, Wellford C, Brensilber D, Bynum T, McManus L, Malcan J, Weiss JC, Kessler D [1997]. Convenience store robberies in selected metropolitan areas: risk factors for employee injury. *J Occup Environ Med* 39(5):442–447.

Ashley K [1997]. On-site measurement of lead by ultrasonic extraction and anodic stripping voltammetry. *Lead Perspect* 2(1):44–45.

Ashley KE, Schlecht PC [1997]. Level the playing field (editorial). *American Society for Testing and Materials (ASTM) E06.23 News* 3.2:5.

Attfield M, Kuempel E, Wagner G [1997]. Exposure-response for coal workers' pneumoconiosis in underground coal miners: a discussion of issues and findings. *Ann Occup Hyg* 41(Suppl 1):341–345.

Bailer A, Dankovic D [1997]. An introduction to the use of physiologically-based pharmacokinetic models in risk assessment. *Stat Methods Med Res* 6:341–358.

Bailer AJ, Reed LD, Stayner LT [1997]. Modeling fatal injury rates using Poisson regression: a case study of workers in agriculture, forestry, and fishing. *J Safety Res* 28(3):177–186.

Bailer AJ, Stayner LT, Smith R, Kuempel E, Prince M [1997]. Estimating benchmark concentrations and other non-cancer endpoints in epidemiology studies. *Risk Anal* 17(6):771–780.

Bang KM, Kim JH [1997]. Prevalence of asthma in the U.S. population, 1988–1991. *Am J Epidemiol* 143:S17.

Barnhart S, Keogh J, Cullen MR, Brodtkin C, Liu D, Goodman G, Valanis B, Glass A, Thornquist M, Rosenstock L, Omenn G, Balmes J [1997]. The Caret asbestos-exposed cohort baseline characteristics and comparison to other asbestos-exposed cohorts. *Am J Ind Med* 32:573–581.

Beckett W, Abraham J, Becklake M, Christiani D, Cowie R, Davis G, Jones R, Kreiss K, Parker J, Wagner G [1997]. Adverse effects of crystalline silica exposure. *Am J Respir Crit Care Med* 155:761–768.

Beus MJ [1997]. Sensor-enhanced test platform will refine safety measures in underground mines. *Sensors* 14(8):14.

Blackford JA Jr., Jones W, Dey RD, Castranova V [1997]. Comparison of inducible nitric oxide synthase gene expression and lung inflammation following intratracheal instillation of silica, coal, carbonyl iron, or titanium dioxide in rats. *J Toxicol Environ Health* 51:203–218.

Blake T, Castranova V [1997]. Nitric oxide-induced prostaglandin release by rat alveolar macrophages. *The Toxicologist* 36:397.

Bojes HK, Rose ML, Keller BJ, Germolec DR, Simeonova PP, Luster MI, Thurman RG [1997]. Mitogenic actions of peroxisome proliferators: involvement of protein kinase c and tumor necrosis factor  $\alpha$ . *Drug Met Rev* 29(1/2):235–260.

Boudreau Y, Baron SL, Steenland NK, Van Gilder TJ, Decker JA, Galson SK, Seitz T [1997]. Occupational risk of mycobacterium tuberculosis infection in hospital workers. *Am J Ind Med* 32:528–534.

Brnich MJ Jr., Mallett LG, Vaught C [1997]. Training future mine emergency responders; part 1: who should be trained and how? Falls Church, VA: U.S. Department of Labor, Mine Safety and Health Administration, Holmes Safety Association Bulletin *Oct*:3–5.

Brnich MJ Jr., Mallett LG, Vaught C [1997]. Training future mine emergency responders; part 2: what topics should be included? Falls Church, VA: U.S. Department of Labor, Mine Safety and Health Administration, Holmes Safety Association Bulletin *Nov*:3–5.

Brnich MJ Jr., Vaught C [1997]. Barricading makes a comeback? Falls Church, VA: U.S. Department of Labor, Mine Safety and Health Administration, Holmes Safety Association Bulletin *Nov*:14.

Brucoleri A, Blackshear P, Luster MI [1997]. Induction of early-immediate genes by tumor necrosis factor- $\alpha$  contribute to liver repair following clinical-induced hepatotoxicity. *Hepatology* 25:133–141.

Calvert G, Mueller C, O'Neill V, Fajen J, Briggie T, Fleming L [1997]. Agreement between company-recorded and self-reported estimates of duration and frequency of occupational fumigant exposure. *Am J Ind Med* 32:364–368.

Calvert G, Steenland K, Palu S [1997]. End-stage renal disease among silica-exposed gold miners: a new method for assessing incidence among epidemiologic cohorts. *J Am Med Assoc* 277(15):1219–1223.

Cantrell BK, Watts WF Jr. [1997]. Diesel exhaust aerosol: review of occupational exposure. *Appl Occup Environ Hyg* 12(12):1019–1027.

Cardarelli J II, Elliott L, Hornung R, Chang W [1997]. Proposed model for estimating dose to inhabitants of  $^{60}\text{Co}$  contaminated buildings. *Health Phys* 72(3):351–360.

Carnes JD, Van Scott MR, Fedan JS [1997]. Mucosal and serosal hypertonicity-induced relaxation of guinea-pig isolated, perfused trachea is associated with depolarization of the epithelium. *Am J Resp Crit Care Med*. 155:A127.

Castillo D, Malit BD [1997]. Occupational injury deaths of 16- and 17-year-olds in the United States: trends and comparisons with older workers. *Inj Prev* 3:277–281.

Castillo D, Rodriguez R [1997]. Follow-back study of oldest workers with emergency department-treated injuries. *Am J Ind Med* 31:609–618.

Castranova V, Vallyathan V, Ramsey DM, McLaurin JL, Pack D, Leonard S, Barger MW, Ma JYC, Dalal NS, Teass A [1997]. Augmentation of pulmonary reactions to quartz inhalation by trace amounts of iron-containing particles. *Environ Health Perspect* 105(5):1319–1324.

CDC (Centers for Disease Control and Prevention) [1997]. Adult blood lead epidemiology and surveillance—United States, third quarter, 1996. *MMWR* 46(5):105–107.

CDC (Centers for Disease Control and Prevention) [1997]. Adult blood lead epidemiology and surveillance—United States, fourth quarter, 1996. *MMWR* 46(16):359–360, 367.

CDC (Centers for Disease Control and Prevention) [1997]. Sarcoidosis among U.S. Navy enlisted men, 1965–1993. *MMWR* 46(23):539–543.

CDC (Centers for Disease Control and Prevention) [1997]. Adult blood lead epidemiology and surveillance—United States, first quarter 1997 and annual 1996. *MMWR* 46(28):643–647.

CDC (Centers for Disease Control and Prevention) [1997]. Silicosis among workers involved in abrasive blasting—Cleveland, Ohio, 1995. *MMWR* 46(32):744–747.

CDC (Centers for Disease Control and Prevention) [1997]. Use of rollover protective structures—Iowa, Kentucky, New York, and Ohio, 1992–1997. *MMWR* 46(36):842–845.

CDC (Centers for Disease Control and Prevention) [1997]. Adult blood lead epidemiology and surveillance—United States, second quarter, 1997. *MMWR* 46(42):1000–1002.

CDC (Centers for Disease Control and Prevention) [1997]. Surveillance for silicosis, 1993—Illinois, Michigan, New Jersey, North Carolina, Ohio, Texas, and Wisconsin. *MMWR* 46(SS-1):13–28.

Cecala AB, Timko RJ, Prokop AD [1997]. Bag and belt cleaner reduces employee dust exposure. *Rock Products* 100(3):41–43.

Chen F, Lu Y, Shi X, Demers LM [1997]. Calpain is involved in silica-induced I $\kappa$ B- $\alpha$  degradation. *Am J Resp Crit Care Med* 155:A468.

Chen F, Lu Y, Kuhn DC, Maki M, Shi X, Sun S, et al. [1997]. Calpain contributes to silica-induced I $\kappa$ B- $\alpha$  degradation and nuclear factor- $\kappa$ B activation. *Arch Biochem Biophys* 342(2):383–388.

Chen F, Sun S, Kuhn DC, Lu Y, Gaydos LJ, Shi X, Demers LM [1997]. Tetrandrine inhibits signal-induced NF $\kappa$ B activation in rat alveolar macrophages. *Biochem Biophys Res Comm* 231:99–102.

Chen F, Sung S, Shi X, Lu Y, Kuhn DC, Gaydos LJ, Demers LM [1997]. Involvement of NF- $\kappa$ B in silica-induced cyclooxygenase II gene expression in rat alveolar macrophages. *Am J Phys (Lung Cell Mol Phys)* 272:L779–L786.

Chen F, Ye J, Zhang X, Rojanasakul Y, Shi X [1997]. One-electron reduction of chromium (VI) by  $\alpha$ -lipoic acid and related hydroxyl radical generation, dG hydroxylation and nuclear transcription factor- $\kappa$ B activation. *Arch Biochem Biophys* 338:165–172.

Chen GX, Burnett C, Cameron L, Alterman T, Lalich N, Tanaka S, Althouse R [1997]. Tuberculosis mortality and silica exposure: a case-control study based on a national mortality database for the years 1983–1992. *Int J Occup Environ Health* 3:163–170.

Cole HP, Kidd PS, Isaacs SG, Parshall M, Scharf T [1997]. Difficult decisions: a simulation that illustrates cost effectiveness of farm safety behaviors. *J Argromedicine* 4(1/2):117–134.

Cole LL, Grubb PL, Sauter SL, Swanson NG, Lawless P [1997]. Psychosocial correlates of harassment, threats, and fear of violence in the workplace. *Scand J Environ Health* 23(6):450–457.

Conti RS, Wiehagen WJ, Fowkes RS, Vaught C, Brnich MJ Jr. [1997]. Underground mine fire preparedness—Part 4 of 4: suggested improvements and implications for training miners in fire-fighting preparedness. Falls Church, VA: U.S. Department of Labor, Mine Safety and Health Administration, Holmes Safety Association Bulletin *Sept*:3–10.

Cook CK, Kovein RJ [1997]. Exposure of service station attendants to oxygenated gasoline containing methyl tert-butyl ether. *Appl Occup Environ Hyg* 12(9):571–576.

Cornelius KM, Turin FC [1997]. Reducing roof bolter operator cumulative trauma exposure: ergonomics considerations for reducing cumulative trauma exposure. Falls Church, VA: U.S. Department of Labor, Mine Safety and Health Administration, Holmes Safety Association Bulletin Jan:1–18.

Cullen RT, Vallyathan V, Hagen S, Donaldson K [1997]. Protection by iron against the toxic effects of quartz. *Ann Occup Hyg* 41:420–425.

De la Hoz R, Young R, Pedersen D [1997]. Exposure to potential occupational asthmogens: prevalence data from the National Occupational Exposure Survey. *Am J Ind Med* 31:195–201.

Dey RD, Satterfield DF, Maize D, Watson D, Frazer DG, Fedan JS [1997]. Ozone increases substance P innervation of tracheal neurons in ferrets. *Am J Resp Crit Care Med* 155:A483.

Dick RB, Krieg EF Jr., Sim MA, Bernard BP, Taylor BT [1997]. Evaluation of tremor in aluminum production workers. *Neurotox Teratol* 19(6):447–453.

Dobroski H Jr., Tuchman DP, Vinson RP [1997]. Differential pressure as a means of estimating respirable dust mass on collection filters. *Appl Occup Environ Hyg J* 12(12):1047–1051.

Earnest GS, Mickelsen RL, McCammon JB, O'Brien DM [1997]. Carbon monoxide poisonings from small, gasoline-powered, internal combustion engines: just what is a “well-ventilated area”? *Am Ind Hyg Assoc J* 58(11):787–791.

Echt AS, Burr GA [1997]. Exposure to formaldehyde during garment manufacturing. *Appl Occup Environ Hyg J* 12(7):451–455.

Echt A, Hayden CS, Johnston OE [1997]. Case studies: hazards at your auto dealership (including everything you ever wanted to know about a tail-pipe exhaust ventilation system). *Appl Occup Environ Hyg J* 12(4):235–241.

Esche CA, Groff JH [1997]. Proficiency analytical testing (PAT) program (November 30, 1996). *Am Ind Hyg Assoc J* 58(3):184–185.

Esche CA, Groff JH [1997]. Proficiency analytical testing (PAT) program (February 28, 1997). *Am Ind Hyg Assoc J* 58(6):455–456.

## *I. Journal Articles*

Esche CA, Groff JH [1997]. Proficiency analytical testing (PAT) program (May 30, 1997). *Am Ind Hyg Assoc J* 58(9):633–635.

Esche CA, Groff JH [1997]. ELPAT program report: background and current status (October 1996). *Am Ind Hyg Assoc J* 58(1):59–63.

Esche CA, Groff JH [1997]. ELPAT program report: background and current status (January 1997). *Am Ind Hyg Assoc J* 58(4):302–306.

Esche CA, Groff JH [1997]. ELPAT program report: background and current status (April 1997). *Am Ind Hyg Assoc J* 58(8):615–618.

Esche CA, Groff JH [1997]. ELPAT program report: background and current status (July 1997). *Am Ind Hyg Assoc J* 58(11):768–771.

Esche CA, Groff JH [1997]. ELPAT program report: background and current status. *Appl Occup Environ Hyg J* 12(5):323–328.

Esche CA, Groff JH [1997]. ELPAT program report: background and current status. Technical Brief. *Appl Occup Environ Hyg J* 12(8):517–521.

Esche CA, Groff JH [1997]. ELPAT program report: background and current status. *Appl Occup Environ Hyg J* 12(11):716–720.

Esche CA, Groff JH [1997]. ELPAT program report: background and current status. *Appl Occup Environ Hyg J* 12(1):15–19.

Esche CA, Groff JH [1997]. PAT program report: background and current status. *Appl Occup Environ Hyg J* 12(7):456–457.

Esche CA, Groff JH [1997]. PAT program report: background and current status. *Appl Occup Environ Hyg J* 12(4):242–243.

Esche CA, Groff JH [1997]. PAT program report: background and current status. *Appl Occup Environ Hyg J* 12(10):650–652.

Estill CF, McGlothlin JD [1997]. Room for improvement evident when it comes to ergonomics. *Appliance Manufacture* 12:261–264.

Fedan JS, Millecchia LL, Lawrence TE [1997]. Enhanced production of epithelium-derived relaxing factor (EpDRF) associated with guinea-pig airway hyperreactivity in an ovalbumin model of asthma. *Am J Resp Crit Care Med* 155:A126.

Fedan JS, Watson D, Millecchia LL, Yuan LX, Frazer DG [1997]. O<sub>3</sub>-induced airway hyperreactivity *in vivo* and *in vitro* in guinea pigs is associated with neutrophil influx, epithelial damage, and reduced epithelium-derived relaxing factor (EpDRF) release. *Pharmacologist* 39:94.

Fisher D, McCawley M [1997]. Lack of correlation between PM<sub>10</sub> measurements and upper respiratory tract dose. *Ann Occup Hyg* 41(Suppl 1):14–18.

Fosbroke DE, Kisner SM, Myers JR [1997]. Working lifetime risk of occupational fatal injury. *Am J Ind Med* 31:459–467.

Friedel MJ, Scott DF, Williams TJ [1997]. Temporal imaging of mine-induced stress change using seismic tomography. *Eng Geol* 46(2):131–141.

Gallagher S [1997]. Trunk extension strength and muscle activity in standing and kneeling postures. *Spine* 22(16):1864–1872.

Gandi O, Wu D, Chen Y, Conover D [1997]. Induced current and SAR distributions for a worker model exposed to an RF dielectric heater under simulated workplace conditions. *Health Physics* 72(2):236–242.

Gannett P, Shi X, Lawson T, Kolar C, Toth B [1997]. Ary radical formation during the metabolism of arylhydrazine by microsomes. *Chem Res Toxicol* 10:1372–1377.

Gao H, Brick J, Ong S, Miller M, Whong W, Ong T [1997]. Selective hyperexpression of *c-jun* oncoprotein in glass fiber- and silica-transformed BALB/c-3T3 cells. *Cancer Lett* 112:65–69.

Gao H, Stewart J, Song B, Chen J, Channa R, Whong W, Ong T [1997]. Distribution of p53 and *K-ras* mutations in human lung cancer tissues. *Carcinogenesis* 18:473–478.

Gardner L, Sweeney M, Waters T, Fine L, Smith G, Lincoln A, Kraus J, McArthur D, Peek-Asa C [1997]. Distinguishing back-belt effects from other factors in reduction of back injuries [letter to the editor]. *Int J Occup Environ Health* 3(3):236–239.

Germolec DR, Spalding J, Boorman GA, Wilmer JL, Yoshida T, Simeonova PP, Bruccoleri A, Kayama F, Gaido K, Tennant R, Burleson F, Dong W, Lang RW, Luster MI [1997]. Arsenic can mediate skin neoplasia by chronic stimulation of keratinocyte-derived growth factors. *Mut Res* 386:209–218.

Glew RH, VanderJagt DJ, Lockett C, Grivetti LE, Smith GC, Pastuszyn A, Millson MB [1997]. Amino acid, fatty acid, and mineral composition of 24 indigenous plants of Burkina Faso. *J Food Composition Analysis* 10(3):205–207.

Grajewski B, Schnorr TM, Reefhuis J, Roeleveld N, Salvan A, Mueller CA, Conover DL, Murray WE [1997]. Work with video display terminals and the risk of reduced birthweight and preterm birth. *Am J Ind Med* 32(6):681–688.

Grant KA, Habes DJ [1997]. An electromyographic study of strength and upper extremity muscle activity in simulated meat cutting tasks. *Appl Ergonomics* 28(2):129–137.

Grant KA, Habes DJ, Bertsche PK [1997]. Lifting hazards at a cabinet manufacturing company: evaluation and recommended controls. *Appl Occup Environ Hyg* 12(4):253–258.

Grau RH III, Prosser LJ Jr. [1997]. Scaling accidents in underground stone mines. *Rock Products* 100(1):39–41.

Green FHY, Harley R, Vallyathan V, Althouse R, Fick G, Dement J, Mitha R, Pooley F [1997]. Exposure and mineralogical correlates of pulmonary fibrosis in chrysotile asbestos workers. *Occup Environ Med* 54(8):549–559.

Greife A, Goldenhar L, Fruend E, Stock A, Halperin W [1997]. Carbon monoxide poisoning from gasoline-powered engines: risk perception among Midwest flood victims [letter to the editor]. *Am J Public Health* 87(3):466–467.

Greskevitch M, Bajpayee S, Hale J, Groce D [1997]. Results from the national occupational health survey of mining. *Appl Occup Environ Hyg* 12(12):924–931.

Gressel MG [1997]. An evaluation of a local exhaust ventilation control system for a foundry casting-cleaning operation. *Am Ind Hyg Assoc J* 58(5):354–358.

Habes DJ, Grant KA [1997]. An electromyographic study of maximum torques and upper extremity muscle activity in simulated screwdriving tasks. *Int J Ind Ergonom* 20(4):339–346.

Hankinson JL, Reynolds JS, Das MK, Viola JO [1997]. Method to produce American Thoracic Society flow-time waveforms using a mechanical pump. *Eur Respir J* 10:690–694.

Harrison J, Brower P, Attfield MD, Doak CB, Keane MJ, Wallace WE [1997]. Surface composition of respirable silica particles in a set of U.S. anthracite and bituminous coal mine dusts. *J Aerosol Sci* 28(4):689–696.

Hayden CS II, Jensen PA [1997]. Positive advice on negative pressure for TB isolation rooms. *Health Facilities Mgmt* 10(1):43–45.

Hearl FJ [1997]. Industrial hygiene sampling and applications to ambient silica monitoring. *J Expo Anal Environ Epidemiol* 7(3):279–289.

Henderson D, Rantanen J, Barnhart S, Dement J, DeVuyst P, Hillerdal G, Huuskonen M, Kivisaari L, Kusaka Y, Lahdensuo A, Langard S, Mowe G, Okubo T, Parker J, Roggli V [1997]. Asbestos, asbestosis, and cancer: the Helsinki criteria for diagnosis and attribution. *Scand J Work Environ Health* 23(4):311–316.

Henneberger P, Attfield M [1997]. Respiratory symptoms and spirometry in experienced coal miners: effects of both distant and recent coal mine dust exposures. *Am J Ind Med* 32(3):268–274.

Hewett P [1997]. Mean testing: I. advantages and disadvantages. *Appl Occup Environ Hyg* 12(5):339–346.

Hewett P [1997]. Mean testing: II. comparison of several alternative procedures. *Appl Occup Environ Hyg* 12(9):347–355.

Hewett P, Ganser G [1997]. Simple procedures for calculating confidence intervals around the sample mean and exceedance fraction derived from log normally distributed data. *Appl Occup Environ Hyg* 12(2):132–142.

Huang J, Frazer DG, Fedan JS [1997]. Exposure of guinea-pig isolated, perfused trachea to toluene diisocyanate (TDI) vapor *in vitro* induces a concentration-dependent increase in reactivity to methacholine. *Pharmacologist* 39:94.

Huang J, Frazer DG, Fedan JS [1997]. *In vitro* exposure to toluene diisocyanate (TDI) vapor increases airway reactivity to methacholine in isolated, perfused guinea-pig trachea. *Am J Resp Crit Care Med* 155:A158.

Huang J, Millecchia LL, Fedan JS [1997]. Airway hyperreactivity elicited by toluene diisocyanate (TDI)-albumin conjugate is not accompanied by airway eosinophilic infiltration in guinea pigs. *Am J Resp Crit Care Med* 155:A627.

Hubbs AF [1997]. Designer mice: transgenic and knockout mice in toxicology research. *Lab Animal* 26(3):34–36.

Hubbs AF, Castranova V, Ma JYC, Frazer DG, Siegel PD, Ducatman BS, Grote A, Schwegler-Berry D, Robinson V, VanDyke C, Barger M, Xiang J, Parker J [1997]. Acute lung injury induced by a commercial leather conditioner. *Toxicol Appl Pharm* 143(1):37–46.

Huffman LJ, Judy DJ, Castranova V [1997]. Regulation of nitric oxide production by rat alveolar macrophages in response to silica exposure. *J Toxicol Environ Health* 53:101–118.

Huffman LJ, Judy DJ, Frazer DG, Shapiro RE, Castranova V, Billie M, Dedhia HV [1997]. Inhalation of toluene diisocyanate is associated with increased production of nitric oxide by rat bronchoalveolar lavage cells. *Toxicol Appl Pharm* 145:61–67.

Huffman LJ, Judy DJ, Robinson VA, Castranova V [1997]. Inhalation of cotton dust is associated with increases in nitric oxide production by rat bronchoalveolar lavage cells. *Inhalation Toxicol* 9(6):567–579.

Jones JH [1997]. Partnering for workplace safety in small business. *Safe Workplace September/October/November*:11–13.

Kang D, Tepper A, Patterson DG [1997]. Coplanar PCBs and the relative contribution of coplanar PCBs, PCDDs, and PCDFs to the total 2,3,7,8-TCDD toxicity equivalents in human serum. *Chemosphere* 35(3):503–511.

Kang S, Burnett C, Freund E, Walker J, Lalich N, Sestito J [1997]. Gastrointestinal cancer mortality of workers in occupations with high asbestos exposure. *Am J Ind Med* 31:713–718.

Kanitz MH, Li EI, Schulte PA, Anderson NL, Rothman N, Savage RE Jr. [1997]. Investigation of ornithine decarboxylase activity and two-dimensional electrophoretic protein profile following exposure of T24 bladder carcinoma cells to tumor promotor and carcinogen. *Toxicol Methods* 7(1):27–41.

Kayama F, Yoshida T, Kodam Y, Matsui T, Luster MI [1997]. Role of tumor necrosis factors in the kidney proinflammatory cytokines response to endotoxin. *Cytokines* 9(9):688–695.

Kennedy ER, Lin JJ, Reynolds JM, Perkins JB [1997]. A sampling and analytical method for the simultaneous determination of multiple organonitrogen pesticides in air. *Am Ind Hyg Assoc J* 58(10):720–725.

Keshava C, Keshava N, Whong WZ, Ong T, Nath J [1997]. Effect of antigenotoxic agents on methotrexate-induced chromosomal damage *in vitro*. *Environ Mol Mut* 29(28):35.

Kisner SM, Pratt SG [1997]. Occupational fatalities among older workers in the United States: 1980–1991. *J Occup Environ Med* 39(8):715–721.

Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 93-794-2621.

Filios M [1997]. Hazard evaluation and technical assistance report: Nicks Silica Company, Jackson, TN. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 93-797-2624.

Herrera-Moreno V, Habes DJ [1997]. Hazard evaluation and technical assistance report: Oscar Mayer Foods, Madison, WI. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-213-2638.

Hewett D [1997]. Hazard evaluation and technical assistance report: Ohio Department of Transportation (ODOT), Columbus, OH. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 95-308-2611.

Kiefer M [1997]. Hazard evaluation and technical assistance report: U. S. Department of Agriculture Inspection and Quarantine, Miami, FL. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 94-353-2629.

### *III. Hazard Evaluation and Technical Assistance Reports*

Kiefer M [1997]. Hazard evaluation and technical assistance report: U.S. Department of Agriculture, APHIS, Plant Protection, Miami, FL. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-083-2628.

Kiefer M [1997]. Hazard evaluation and technical assistance report: Florida Department of Agriculture and Consumer, Gainesville, FL. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-164-2614.

Kiefer M [1997]. Hazard evaluation and technical assistance report: Phillips 66 Sweeny Refinery, Old Ocean, TX. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-001-2643.

Kiefer M [1997]. Hazard evaluation and technical assistance report: Macon County Courthouse, Macon, MO. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-075-2653.

Kinnes GM, Hanley KW [1997]. Hazard evaluation and technical assistance report: Agrium, Inc. (formerly Cominco Fertilizers), Beatrice, NE. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-089-2657.

Krake A [1997]. Hazard evaluation and technical assistance report: A.W. Dimock Laboratory, Cornell University, Ithaca, NY. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-032-2649.

Malkin R [1997]. Hazard evaluation and technical assistance report: Philadelphia School District/Franklin Learning Center. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-140-2606.

Malkin R [1997]. Hazard evaluation and technical assistance report: Indian Health Service, Santa Fe Service Unit, Santa Fe, NM. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-207-2635.

### *III. Hazard Evaluation and Technical Assistance Reports*

Martinez K [1997]. Hazard evaluation and technical assistance report: Martin County Administrative Building, Stuart, FL. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 94-422-2622.

Martinez K [1997]. Hazard evaluation and technical assistance report: Los Angeles County Department of Coroner, Los Angeles, CA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-019-2666.

Mattorano D [1997]. Hazard evaluation and technical assistance report: American Electrical Power Plant (Clinch River Project), Cleveland, VA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 95-393-2633.

McCammon C [1997]. Hazard evaluation and technical assistance report: Matrix Auto Body, Denver, CO. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 95-406-2609.

McCammon C [1997]. Hazard evaluation and technical assistance report: New Alaska Native Medical Center, Anchorage, AK. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-062-2662.

Miller A [1997]. Hazard evaluation and technical assistance report: Center to Protect Workers' Rights, Washington, DC. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 94-078-2660.

Miller A [1997]. Hazard evaluation and technical assistance report: Department of Transportation (DOT), Koester Paving, Evansville, IN. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 95-307-2602.

Miller A [1997]. Hazard evaluation and technical assistance report: Staker Construction (DOT), Casa Grande, AZ. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-072-2603.

### *III. Hazard Evaluation and Technical Assistance Reports*

Miller A [1997]. Hazard evaluation and technical assistance report: Sim J. Harris Co., Department of Transportation (DOT), San Diego, CA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-130-2619.

Moss G [1997]. Hazard evaluation and technical assistance report: United States Marshals Service, Arlington, VA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-113-2644.

Reh B [1997]. Hazard evaluation and technical assistance report: Harley Davidson Motor Company, Tomahawk, WI. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-100-2636.

Reh B [1997]. Hazard evaluation and technical assistance report: Federal Express Corp. (FEDEX), Cincinnati, OH. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-015-2639.

Reh BD, Fajen JM, DeBord DG, Reid TM, Cheever MA, Kawamoto M [1997]. Hazard evaluation and technical assistance report: Gen Corp Automotive, Marion, IN. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 94-072-2648.

Reh CM, Kang D, Herrera-Moreno V [1997]. Hazard evaluation and technical assistance report: Battery Conservation Technologies, Inc. (formerly Recovery & Reclamation, Inc.), Pecos, TX. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 95-097-2661.

Salisbury S [1997]. Hazard evaluation and technical assistance report: Alcatel Telecommunications Cable, Roanoke, VA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 95-318-2631.

### *III. Hazard Evaluation and Technical Assistance Reports*

Sanderson W [1997]. Hazard evaluation and technical assistance report: Lehigh Portland Cement Company, Union Bridge, MD. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-226-9640.

Seitz T [1997]. Hazard evaluation and technical assistance report: UMDNJ-University Hospital, Newark, NJ. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 95-031-2601.

Seitz TA, Mortimer VD, Martinez KF [1997]. Hazard evaluation and technical assistance report: OshKosh B'Gosh (National Center for Prevention), Byrdstown, TN. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 95-328-2630.

Smith SS [1997]. Hazard evaluation and technical assistance report: Midland Steel Products Company, Janesville, WI. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-101-2476.

Sussell A [1997]. Hazard evaluation and technical assistance report: People Working Cooperatively, Cincinnati, OH. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 93-818-2646.

Sylvain D [1997]. Hazard evaluation and technical assistance report: Walsh Construction Company, Walsh Northeast, Boston, MA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 94-219-2620.

Sylvain D [1997]. Hazard evaluation and technical assistance report: Boston Harbor Tunnel Project, Winthrop, MA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 95-331-2626.

Sylvain D [1997]. Hazard evaluation and technical assistance report: Boston Harbor Tunnel Project (Joint Union/Management), Winthrop, MA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 95-334-2626.

### *III. Hazard Evaluation and Technical Assistance Reports*

Sylvain D [1997]. Hazard evaluation and technical assistance report: Dartmouth Police Department, South Dartmouth, MA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-107-2613.

Sylvain D [1997]. Hazard evaluation and technical assistance report: U. S. Postal Service, Acton, MA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-120-2608.

Sylvain D [1997]. Hazard evaluation and technical assistance report: Yankee Atomic Electric, Rowe, MA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-137-2607.

Sylvain D [1997]. Hazard evaluation and technical assistance report: New Hampshire Police Standards and Training, Concord, NH. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-218-2623.

Tepper A [1997]. Hazard evaluation and technical assistance report: Illinois Power Company, Decatur, IL. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-006-2604.

Trout D [1997]. Hazard evaluation and technical assistance report: Remington Arms Company, Inc., Ilion, NY. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-118-2664.

Tubbs RL, Franks JR [1997]. Hazard evaluation and technical assistance report: Federal Aviation Administration, Bradley Airfield, Windsor Locks, CT. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-184-2663.

Worthington KA, Putz-Anderson V [1997]. Hazard evaluation and technical assistance report: University of Cincinnati Hospital, Cincinnati, OH. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 95-403-2627.

## **IV. Numbered Publications**

NIOSH [1997]. National Institute for Occupational Safety and Health (flyer). Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-121.

NIOSH [1997]. Proceedings: new technology for ground control in retreat mining Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-122.

NIOSH [1997]. Detection of downed trolley lines using arc signature analysis. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-123.

NIOSH [1997]. Agriculture: NIOSH research projects. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-124.

NIOSH [1997]. Protect your family: reduce contamination at home. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-125.

NIOSH [1997]. A second-generation remote optical methanometer. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-126.

NIOSH [1997]. Evaluation of a signaling and warning system for underground mines. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-127.

NIOSH [1997]. Technology News 455: Roof hazard alert modules. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-128.

#### *IV. Numbered Publications*

NIOSH [1997]. Technology News 456: A fault detection neural network for dc trolley system protection. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-129.

NIOSH [1997]. Technology News 457: Online access of mining health and safety research via the Common Information Service System (CISS). Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-130.

NIOSH [1997]. Technology News 458: Development of a research facility to improve mine hoisting and ore pass safety. Spokane, WA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-131.

NIOSH [1997]. Are you a working teen? What you should know about safety and health on the job. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-132.

NIOSH [1997]. Proceedings: new technology for ground control in retreat mining. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-133.

NIOSH [1997]. Development of a mine hoist and ore pass research facility. Spokane, WA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-134.

NIOSH [1997]. NIOSH Alert: Preventing allergic reactions to natural rubber latex in the workplace. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-135.

NIOSH [1997]. Technology News 459: Ergonomic seat reduces shock for low-seam shuttle car operators. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-136.

#### *IV. Numbered Publications*

NIOSH [1997]. Hazard Controls: control of ergonomic hazards from squeegee handles in the screen-printing industry. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, HC15, DHHS (NIOSH) Publication No. 97-137.

NIOSH [1997]. National occupational research agenda, update. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-138.

NIOSH [1997]. NIOSH pocket guide to chemical hazards. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-140.

NIOSH [1997]. Musculoskeletal disorders and workplace factors: a critical review of epidemiologic evidence for work-related musculoskeletal disorders of the neck, upper extremity, and low back. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-141.

NIOSH [1997]. The science of occupational musculoskeletal disorders. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-142.

NIOSH [1997]. Special Hazard Review: child labor research needs; recommendations from the NIOSH child labor working team. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-143.

(See *Electronic Media* for NIOSH Publication No. 97-144.)

NIOSH [1997]. Plain language about shiftwork. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-145.

#### *IV. Numbered Publications*

NIOSH [1997]. Histoplasmosis: protecting workers at risk. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-146.

NIOSH [1997]. Hazard Identification 1: exposure to silica dust on continuous mining operations using flooded-bed scrubbers. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, HID1, DHHS (NIOSH) Publication No. 97-147.

NIOSH [1997]. Alternative keyboards. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-148.

NIOSH [1997]. NIOSH fact sheet: exploding flashlights. Are they a serious threat to worker safety? Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-149.

NIOSH [1997]. Technical report: control of health and safety hazards in commercial dry cleaners: chemical exposures, fire hazards, and ergonomic risk factors. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-150.

NIOSH [1997]. Construction: NIOSH research projects. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-152.

NIOSH [1997]. Hazard Controls: control of exposure to perchloroethylene in commercial drycleaning. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, HC16, DHHS (NIOSH) Publication No. 97-154.

NIOSH [1997]. Hazard Controls: control of exposure to perchloroethylene in commercial drycleaning (substitution). Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, HC17, DHHS (NIOSH) Publication No. 97-155.

#### *IV. Numbered Publications*

NIOSH [1997]. Hazard Controls: control of exposure to perchloroethylene in commercial drycleaning (machine design). Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, HC18, DHHS (NIOSH) Publication No. 97-156.

NIOSH [1997]. Hazard Controls: control of exposure to perchloroethylene in commercial drycleaning (ventilation). Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, HC19, DHHS (NIOSH) Publication No. 97-157.

NIOSH [1997]. Hazard Controls: control of spotting hazards in commercial drycleaning. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, HC20, DHHS (NIOSH) Publication No. 97-158.

NIOSH [1997]. Hazard Controls: control of fire hazards in commercial drycleaning shops using petroleum-based solvents. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, HC21, DHHS (NIOSH) Publication No. 97-159.

NIOSH [1997]. Hazard Controls: control of ergonomic hazards in commercial drycleaning. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, HC22, DHHS (NIOSH) Publication No. 97-160.

NIOSH [1997]. Asbestos bibliography (revised). Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-162.

NIOSH [1997]. Current Intelligence Bulletin 58: Commercial fishing fatalities in Alaska: risk factors and prevention strategies. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-163.

NIOSH [1997]. Accurate navigation and control of continuous mining machines for coal mining (RI 9642). Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 98-101.

#### *IV. Numbered Publications*

NIOSH [1997]. Effects of mining height on injury rates in U.S. underground nonlongwall bituminous coal mines (IC9447). Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 98-104.

NIOSH [1997]. Specific medical tests published in the literature of OSHA regulated substances (poster). U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 98-105.

NIOSH [1997]. Hazard Controls: controlling silica dust from foundry casting-cleaning operations. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, HC23, DHHS (NIOSH) Publication No. 98-106.

NIOSH [1997]. Hazard Controls: controlling cleaning-solvent vapors at small printers. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, HC24, DHHS (NIOSH) Publication No. 98-107.

NIOSH [1997]. Hazard Controls: controlling the ergonomic hazards of wiring tasks for household appliances. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, HC25, DHHS (NIOSH) Publication No. 98-108.

NIOSH [1997]. In-depth survey report: control of airborne solvents in a small offset print shop at express service printing, Indianapolis, Indiana, February 12, 1997. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, Report No. ECTB 205.13A.

NIOSH [1997]. Recommendations for preventing the transmission of mycobacterium tuberculosis at Chiang Rai Hospital, Thailand, March 18, 1997. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, Report No. ECTB 207.11.

#### *IV. Numbered Publications*

NIOSH [1997]. In-depth survey report: control technology assessment for the welding operations at Boilermaker's National Apprenticeship Training School, Kansas City, Kansas, June 27, 1997. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, Report No. ECTB 214.13A.

NIOSH [1997]. In-depth survey report: concentration of metalworking mists before and after installation of a commercial air cleaner at Sauer-Sundstrand Company, Ames, Iowa, July 25, 1997. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, Report No. ECTB 218.12A

NIOSH [1997]. In-depth survey report: characterization of metalworking mists during the evaluation of a commercial air cleaner at Sauer Sundstrand Company, Heitbrink, LaSalle, Illinois, July 1997. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, Report No. ECTB 218.13A.

NIOSH [1997]. In-depth survey report: control technology for agricultural environmental enclosures at Nelson Manufacturing Company, Inc., Yuba City, California, July 2, 1997. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, Report No. ECTB 223.11B.

NIOSH [1997]. In-depth survey report: control technology for agricultural environmental enclosures at John Deere Manufacturing Company, Inc., Waterloo, Iowa, July 1, 1997. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, Report No. ECTB 223.13A.

NIOSH [1997]. Women: work and health. Vital and health statistics. Series No. 3, No. 31. Hyattsville, MD: U.S. Department of Health and Human Services, Centers for Disease Control and Prevention, National Center for Health Statistics, DHHS Publication No. PHS 97-1415.

NIOSH [1997]. Technology News 460: Prototype borehole miner selectively extracts gold from permafrost. Spokane, WA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

#### *IV. Numbered Publications*

NIOSH [1997]. Technology News 461: Coal dust explosibility meter. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

NIOSH [1997]. Technology News 462: Ground penetrating radar for high wall guidance. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

NIOSH [1997]. Technology News 463: Machine-mounted continuous respirable dust monitor. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

NIOSH [1997]. Technology News 464: Analysis of retreat mining pillar stability (ARMPS): version 4.0 for Windows. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

NIOSH [1997]. Technology News 465: Method for predicting methane emissions on extended longwall faces. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

NIOSH [1997]. Technology News 466: Use of seismic tomography to identify geologic hazards in underground mines. Spokane, WA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

NIOSH [1997]. Technology News 467: Wood crib performance model. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

NIOSH [1997]. Technology News 468: Tests for Doppler radar technology for haulage truck backup alarms. Spokane, WA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

#### *IV. Numbered Publications*

NIOSH [1997]. Mining health and safety update. Vol. 2, No. 1 (focus on human factors, fires and explosions, life support, and equipment safety). Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

NIOSH [1997]. Mining health and safety update. Vol. 2, No. 2 (focus on haulage, disaster prevention, and ground control). Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

NIOSH/DOL [1997]. A guide to working safely with silica—if it's silica, it's not just dust (booklet). Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

NIOSH/DOL [1997]. Tips for preventing silicosis—if it's silica, it's not just dust (pamphlet). Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

NIOSH/DOL [1997]. Silica—it's not just dust (poster). Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

## **V. Electronic Media**

Kennedy ER, Abell MT [1997]. Guidelines for sampling and analytical method development and evaluation. Tool Book Computer Program published on the NIOSH home page on the Internet at <http://www.cdc.gov/niosh/sampanme.html>.

NIOSH [1997]. Criteria documents plus CD-ROM. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-106.

NIOSH [1997]. Health hazard evaluations CD-ROM. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DHHS (NIOSH) Publication No. 97-144.

**Delivering on the Nation's promise:**

Safety and health at work

For all people

Through research and prevention
