CONTENTS

I.	Journal Articles	1
II.	Book Chapters/Proceedings/Abstracts	20
III.	Hazard Evaluation and Technical Assistance Reports	38
IV.	Fatality Assessment and Control Evaluation	45
V.	DHHS NIOSH Numbered Publications	48
VI.	Technology News	52
VII.	Electronic Media and Patents	53
VIII.	Other	55
	Index	56

I. JOURNAL ARTICLES

Adekoya N, Myers JR, Castillo DN [1998]. Youth agricultural work-related injuries treated in emergency departments, United States, October 1995–September 1997. *MMWR* 47:733–737.

Antonini JM, Krishna Murthy GG, Rogers RA, Eagar TW, Ulrich GD, Brian JD [1998]. How welding fumes affect the welder. *Welding Journal* Oct:55–59.

Ashley KE [1998]. On-site extraction and anodic stripping voltammetric determination of lead. *Appl Occup Environ Hyg* 13(2):94–98.

Ashley KE [1998]. Response to comments published in *Lead Detection and Abatement Contractor* 12/97 [letter to the editor]. *Lead Detection and Abatement Contractor* 5(1):13.

Ashley KE [1998]. Ultrasonic extraction of heavy metals from environmental and industrial hygiene samples for their subsequent determination. *Trends Anal Chem* 17(6):366–372.

Ashley KE, Hunter M, Tait LH, Dozier J, Seaman JL, Berry PF [1998]. A field investigation of on-site techniques for the measurement of lead in paint films. *Field Anal Chem Tech* 2(1):39–50.

Ashley KE, Mapp KJ, Millson M [1998]. Ultrasonic extraction and field portable anodic stripping voltammetry for the determination of lead in workplace air samples. *Am Ind Hyg Assoc J* 59(10):671–679.

Axtel CD, Ward EM, McCabe GP, Schulte PA, Stern FB, Glickman LT [1998]. Underlying and multiple cause mortality in a cohort of workers exposed to aromatic amines. *Am J Ind Med* 34(5):506–511.

Bailer AJ, Stayner LT, Halperin WE, Reed LD, Seymour T [1998]. Comparing injury and illness risk assessments for occupational hazards. *Hum Ecol Risk Assess* 4(6):1265–1274.

Bailer AJ, Stayner LT, Stout NA, Reed LD, Gilbert SJ [1998]. Trends in rates of occupational fatal injuries in the United States (1983–92). *Occup Environ Med* 55:485–489.

Barczak, TM [1998]. Link-N-Lock cribs. Falls Church, VA: U.S. Department of Labor, Mine Safety and Health Administration, Holmes Safety Association Bulletin Nov:22.

Baron PA [1998]. Personal aerosol sampler design: a review. *Appl Occup Environ Hyg* 13(5):313–320.

- Barrett EA, Rethi LL [1998]. Underground hazard recognition training. *Aggregates Manager* 2(11):30-33.
- Bartley DL [1998]. Instrument performance criteria: inhalable aerosol samplers. *Appl Occup Environ Hyg* 13(5):274-278.
- Berger EH, Franks JR, Behar A, Casali JG, Dixon-Ernst C, Kieper RW, Mozo BT, Nixon CW, Ohlin D, Royster JD, Royster LH [1998]. Development of a new standard laboratory protocol for estimating the field attenuation of hearing protection devices. Part III. The validity of using subject-fit data. *J Acoust Soc Am* 103(2):665-672.
- Bernard P, Nelson N, Estill CF, Fine LJ [1998]. The NIOSH review of hand-arm vibration syndrome: vigilance is crucial. *J Occup Environ Med* 40(9):780-785.
- Biagini RE [1998]. Epidemiology studies in immunotoxicity evaluations. *Toxicol* 129:37-54.
- Biddle E, Kisner SM [1998]. Denominator effects on traumatic occupational fatality incidence rates. *Stat Bull* 79(1):28-36.
- Birch ME [1998]. Analysis of carbonaceous aerosols: interlaboratory comparison. *The Analyst* 123:851-857.
- Blake T, Castranova V, Schwegler-Berry D, Baron PA, Deye GJ, Li C, Jones W [1998]. Effect of fiber length on glass microfiber cytotoxicity. *J Toxicol Environ Health, Part A*, 54:243-259.
- Blair A, Stewart PA, Zaebst DD, Pottern L, Zey JN, Bloom TF, Miller BA, Ward E, Lubin J [1998]. Mortality of industrial workers exposed to acrylonitrile. *Scand J Work Environ Health* 24(Suppl 2):25-41.
- Bolyard E, Tablan O, Williams W, Pearson M, Shapiro C, Deitchman S [1998]. Guideline for infection control in health care personnel. Published simultaneously in *Am J Infect Control* (1998;26:289-354) and *Infection Control and Hospital Epidemiology* (1998;19:407-463).
- Brady TC, Crapo JD, Mercer RR [1998]. Nitric oxide inhalation transiently elevates pulmonary levels of cGMP, iNOS mRNA, and TNF- α . *Am J Physiol* 275 (Lung Cell Mol Physiol 19): L509-L515.
- Brower P, Attfield M [1998]. Reliability of reported occupational history information for U.S. coal miners, 1969-1977. *Am J Epidemiol* 148(9):920-926.
- Burnett CA, Lushniak BD, McCarthy W, Kaufman J [1998]. Occupational dermatitis causing days away from work in U.S. private industry. *Am J Ind Med* 34:568-573.

Burton NC, MacDonald L, Estill CF [1998]. Ergonomic assessment of trimming jobs at a shoe manufacturing facility. *Appl Occup Environ Hyg* 13(4):208–211.

Buxbaum JD, Thinakaran G, Koliatsos V, O'Callaghan JP, Slunt HH, Price DL, Sisodia SS [1998]. Alzheimer amyloid protein precursor in the rat hippocampus: transport and processing through the perforant path. *J Neurosci* 18(23):9629–9637.

Calvert GM, Mueller CA, Fajen JM, Chrislip DW, Russo J, Briggie T, Fleming LE, Suruda AJ, Steenland K [1998]. Health effects associated with sulfuryl fluoride and methyl bromide exposure among structural fumigation workers. *Am J Public Health* 88(12):1774–1780.

Calvert GM, Talaska G, Mueller CA, Ammenheuser MM, Au WW, Fajen JM, Fleming LE, Briggie T, Ward E [1998]. Genotoxicity workers exposed to methyl bromide. *Mutat Res* 417:115–128.

Calvert GM, Wall DK, Sweeney MH, Fingerhut MA [1998]. Evaluation of cardiovascular outcomes among U.S. workers exposed to 2,3,7,8-tetrachlorodibenzo-p-dioxin. *Environ Health Perspect* 106(Suppl 2):635–643.

Calvert GM, Ward E, Schnorr TM, Fine LJ [1998]. Cancer risks among workers exposed to metalworking fluids: a systematic review. *Am J Ind Med* 33:282–292.

Castillo DN, Hard DL, Myers JR, Pizatella T, Stout N [1998]. A national childhood agricultural injury prevention initiative. *J Agric Saf Health* 1:183–191.

Castranova V [1998]. Particulates and the airways: basic biological mechanisms of pulmonary pathogenicity. *Appl Occup Environ Hyg* 13(8):613–616.

Castranova V, Huffman LJ, Judy DJ, Bylander JE, Lapp LN, Weber SL, Blackford JA, Dey RD [1998]. Enhancement of nitric oxide production by pulmonary cells following silica exposure. *Environ Health Perspect* 106(5):1165–1169.

Castranova V, Robinson VA, Goldsmith WT, Phillips NA, Afshart A, Frazer DG [1998]. Time course of pulmonary responses to inhalation of cotton dust in the guinea pig animal model. *J Cotton Sci* 2:10–16.

Cecala AB [1998]. Supplementing your dust control equipment with whole-plant ventilation. *Powder and Bulk Eng* 12(1):19–3.

Chekan GJ [1998]. Multiple-seam mining. Falls Church, VA: U.S. Department of Labor, Mine Safety and Health Administration, Holmes Safety Association Bulletin Sep:7–8.

- Chen F, Yonfju L, Rojanasakul Y, Shi X, Vallyathan V, Castranova V [1998]. Role of hydroxyl radical in silica-induced NF-kB activation in macrophages. *Ann Clin Lab Sci* 28(1):1–13.
- Chen GX, Fosbroke DE [1998]. Work-related fatal injury risk of construction workers by occupation and cause of death. *Hum Ecol Risk Assess* 4(6):1371–1390.
- Chen GX, Layne LA [1998]. Surveillance for nonfatal occupational injuries treated in hospital emergency departments—United States, 1996. *MMWR* 47(15):302–306.
- Chiou S, Bhattacharya A, Lai C, Succop PA [1998]. Effects of environmental and task risk factors on workers' perceived sense of postural sway and instability. *Occup Ergonomics* 1(2):81–93.
- Coffey C, Campbell D [1998]. Laboratory performance evaluation of N95 filtering facepiece respirators. *MMWR* 47(48):1045–9.
- Coffey C, Campbell D, Myers W, Zhuang Z [1998]. Comparison of six respirator fit test methods with an actual measurement of exposure in a simulated health-care environment. Part II. Method comparison testing. *Am Ind Hyg Assoc J* 59:862–870.
- Coffey C, Campbell D, Myers W, Zhuang Z, Das S [1998]. Comparison of six respirator fit test methods with an actual measurement of exposure in a simulated health-care environment. Part I. Protocol development. *Am Ind Hyg Assoc J* 59:852–861.
- Cohen HJ, Crawford J, Rao KMK, Pieper C, Currie M [1998]. Racial differences in the prevalence of monoclonal gammopathy in a community-based sample of the elderly. *Am J Med* 104:439–444.
- Davis RR, Sieber WK [1998]. Trends in hearing protector usage in American manufacturing from 1972 to 1989. *Am Ind Hyg Assoc J* 59:715–722.
- Day JR, Frank AT, O'Callaghan JP, DeHart BW [1998]. Effects of microgravity and bone morphogenetic protein II on GFAP in rat brain. *J Appl Physiol* 85(2):716–722.
- Day JR, Frank AT, O'Callaghan JP, Jones BC, Anderson JE [1998]. Brief communication: the effect of age and testosterone on the expression of glial fibrillary acidic protein in the rat cerebellum. *Exp Neurol* 151:343–346.
- Diamond WP, Schatzel SJ [1998]. Measuring the gas content of coal: a review. *Int J Coal Geology* 35:311–331.
- Dick RB, Krieg EF Jr., Sim MA, Bernard BP, Taylor BT [1997]. Evaluation of tremor in aluminum production workers. *Neurotox Teratol* 19(6):447–453.

- Dong W, Selgrade MK, Gilmour MI, Lange RW, Park P, Luster MI, Kari FW [1998]. Altered alveolar macrophage function in calorie-restricted rats. *Am J Respir Cell Mol Biol* 19:462–469.
- Dong W, Simeonova PP, Gallucci R, Matheson J, Fannin R, Montuschi P, Flood L, Luster MI [1998]. Cytokine expression in hepatocytes: role of oxidant stress. *J Interferon Cytokine Res* 18:629–638.
- Dong W, Simeonova PP, Gallucci R, Matheson J, Flood L, Wang S, Hubbs A, Luster MI [1998]. Toxic metals stimulate inflammatory cytokines in hepatocytes through oxidative stress mechanisms. *Toxicol Appl Pharmacol* 151:359–366.
- Drake PL [1998]. Assessment and control of mercury and silver exposures in the Denton-Rawhide Refinery, Fallon, Nevada. Presentation and extended abstract, 7th annual NIOSH/FIOH/NIWL Scientific Symposium, Morgantown, WV, Oct.
- Dubaniewicz TH Jr., Kovalchik PG, Scott LW, Fuller MA [1998]. Distributed measurement of conductor temperatures in mine trailing cables using fiber-optic technology. *IEEE Transactions on Industry Applications* 34(2):395–398.
- Dugar A, Patanow C, O'Callaghan JP, Lakoski JM [1998]. Immunohistochemical localization and quantification of glial fibrillary acidic protein and synaptosoma-associated protein (mol. wt. 25000) in the ageing hippocampus following administration of 5,7-dihydroxytryptamine. *Neurosci* 85(1):123–133.

- Halperin WE, Vogt R, Sweeney MH, Shopp G, Fingerhut MA, Peterson M [1998]. Immunological markers among workers exposed to 2, 3, 7, 8-tetrachlorodibenzo-p-dioxin. *Occup Environ Med* 55:742–749.
- Hardouin S, Bourgeois F, Toraason M, Oubenaissa A, Elalouf JM, Fellmann D, Dakhli T, Swynghedaun B, Moalic JM [1998]. Beta-adrenergic and muscarinic receptor mRNA accumulation in the sinoatrial node area of adult and senescent rat hearts. *Mech Aging Dev* 16:100(3):277–297.
- Harris JR, Ronaghi M [1998]. Analyzing tractor rollovers using finite element modeling. *Analysis Solutions* 2(4):24–25.

I. Journal Articles

Hawkes AP, McCammon JB, Hoffman RE [1998]. Indoor use of concrete saws and other gas-powered equipment: analysis of reported carbon monoxide poisoning cases in Colorado. *J Occup Environ Med* 40(1):49-54.

Hayden CS II, Johnston OE, Hughes RT, Jensen PA [1998]. Air volume migration from negative pressure isolation rooms during entry/exit. *Appl Occup Environ Hyg* 13(7):518-27.

Hayes BB, Gerber P, Griffey S, Meade BJ [1998]. Contact hypersensitivity to dicyclohexylcarbodiimide and diisopropylcarbodiimide in female B6C3F1 mice. *Drug Chem Toxicol* 21(2):195-206.

Hearl F [1998]. Current exposure guidelines for particulates not otherwise classified or regulated: history and rationale. *Appl Occup Environ Hyg* 13(8):608-612.

Hodgins P, Henneberger P, Wang M, and Petsonk E [1998]. Bronchial responsiveness and five-year FEV1 decline. *Am J Respir Crit Care Med* 157:1390-1396.

Hodous TK [1998]. The new OSHA respiratory protection standard. *Occup Environ Med Report* 12(4):33-41.

Hornung R, Deddens J, Roscoe RJ [1998]. Modifiers of lung cancer risk in uranium miners from the Colorado plateau. *Health Phys* 74(1):12-21.

Hoz D, Parker JE [1998]. Occupational and environmental medicine in the U.S. *Int Arch Occup Environ Health* 71:155-161.

Huang J, Leonard SS, Shi X, Goines MR, Vallyathan V, Millecchia LL, Frazer DG, Fedan J [1998]. Antioxidant activity of lazaroid (U-75412E) and its protective effects against crystalline silica-induced cytotoxicity. *Free Radic Res* 24(4):529-536.

Huang J, Millecchia LL, Frazer DG, Fedan J [1998]. Airway hyperreactivity elicited by toluene diisocyanate (TDI)-albumin conjugate is not accompanied by airway eosinophilic infiltration in guinea pigs. *Arch Toxicol* 72:141-146.

Huffman LJ, Judy DJ, Castranova V [1998]. Regulation of nitric oxide production by rat alveolar macrophages in response to silica exposure. *J Toxicol Environ Health, Part A*, 53:29-46.

Hunter DD, Castranova V, Stanley CF, Dey RD [1998]. Effects of silica exposure on substance P immunoreactivity and preprotachykinin mRNA expression in trigeminal sensory neurons in Fischer 344 rats. *J Toxicol Environ Health* 53:593-605.

Hurrell JJ, Nelson DL, Simmons BL [1998]. Measuring job stressors and strains: where we have been, where we are, and where we need to go. *J Occup Health Psychol* 3(4):368–389.

Husberg BJ, Conway GA, Moore MA, Johnson MS [1998]. Surveillance for nonfatal work-related injuries in Alaska, 1991–1995. *Am J Ind Med* 34:493–498.

Iannacchione AT, Prosser LJ Jr. [1998]. Roof and rib hazard assessment for underground stone mines. *Mining Eng* 50(2):76–80.

Jacobsen M, Miller WE, Parker JE [1998]. New composite ("quadrant") standard films for classifying radiographs of pneumoconioses. *Ind Health* 36:380–383.

Jagger J, Deitchman S [1998]. Hazards of glass capillary tubes to health care workers [letter to the editor]. *JAMA* 280:31.

Jajosky P [1998]. Sarcoidosis diagnoses among U.S. Military Personnel: trends and ship assignment associations. *Am J Prev Med* 14(3):176–183.

Jarvis BB, Sorenson WG, Hintikka E, Nikulin M, Zhou Y, Jiang J, Wang S, Hinkley S, Etzel RA, Dearborn D [1998]. Study of toxin production by isolates of *Stachybotrys chartarum* and *Memnoniella echinata* isolated during a study of pulmonary hemosiderosis in infants. *Appl Environ Micro* 64(10):3620–3625.

Jensen PA, Hayden CS II, Burroughs GE, Hughes RT [1998]. Assessment of the health hazard associated with the use of smoke tubes in health-care facilities. *Appl Occup Environ Hyg J* 13(3):172–176.

III. HAZARD EVALUATION AND TECHNICAL ASSISTANCE REPORTS

Almaguer D, Malkin R [1998]. Hazard evaluation and technical assistance report: The Grand Experience Salon, Chicago, IL. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0153-2694.

Burkhart J, Washko R [1998]. Hazard evaluation and technical assistance report: Microfibres, Inc., Pawtucket, RI. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-0093-2685.

Burr G [1998]. Hazard evaluation and technical assistance report: Bardon-Trimount/Federal Highway Administration (CRM Paving), Boston, MA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0232-2674.

Burton NC [1998]. Hazard evaluation and technical assistance report: U.S. Precision Lens Incorporated, Cincinnati, OH. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 98-0131-2704.

Cardarelli J [1998]. Hazard evaluation and technical assistance report: Hagerman Fossil Beds, National Monument, U.S. Department of the Interior, Hagerman, ID. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-0264-2710.

Cook C [1998]. Hazard evaluation and technical assistance report: Victoria Vogue, Inc., Bethlehem, PA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0119-2707.

Cook C, Trout D [1998]. Hazard evaluation and technical assistance report: International Association of Fire Fighters, Washington, DC. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0034-2683.

III. Hazard Evaluation and Technical Assistance Reports

Daniels W [1998]. Hazard evaluation and technical assistance report: Cle Elum-Roslyn School District, Cle Elum, WA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0045-2676.

Decker JA, McCammon C [1998]. Hazard evaluation and technical assistance report: The Children's Hospital, Denver, CO. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 98-0048-2688.

Driscoll R, Reh B [1998]. Hazard evaluation and technical assistance report: U.S. Department of Agriculture, U.S. Forest Service, Washington, DC. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 93-1035-2686.

Estill CF, Hewett DJ [1998]. Hazard evaluation and technical assistance report: Peerless Premier Appliance Company, Belleville, IL. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0231-2705.

Estill CF, Hudock SD, Hewett DJ [1998]. Health hazard evaluation report at Peerless-Premier Appliance Company, Belleville, IL. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA 97-0231-2705.

Filios M [1998]. Hazard evaluation and technical assistance report: Oglebay Norton Industrial Sands, Inc. (Central Silica Company), Glenford, OH. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 93-0791-2701.

Filios M, Burkhart J [1998]. Hazard evaluation and technical assistance report: Golden Valley Electric Association, Healy Power Plant, Healy, AK. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 91-0047-2672.

Habes D [1998]. Hazard evaluation and technical assistance report: U.S. Department of the Interior, Yosemite National Park, Yosemite, CA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0199-2680.

Habes D, Wigmore D [1998]. Hazard evaluation and technical assistance report: Inland, Eastex, Silsbee, TX. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 98-0062-2710.

III. Hazard Evaluation and Technical Assistance Reports

Habes D, Wigmore D, Burt S [1998]. Hazard evaluation and technical assistance report: Aurora Casket Company, Aurora, IN. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 98-0085-2715.

Hall RM, Page E [1998]. Hazard evaluation and technical assistance report: Potlatch Corporation—Minnesota Pulp and Paper Division, Cloquet, MN. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 98-0003-2698.

Hall R, Page E [1998]. Hazard evaluation and technical assistance report: General Electric—Bridgeville Glass Plant, Bridgeville, PA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0292-2678.

Hanley K [1998]. Hazard evaluation and technical assistance report: Especially for You, Coloma, WI. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-0145-2684.

Hewett DJ [1998]. Hazard evaluation and technical assistance report: Mason County Board of Education, Point Pleasant, WV. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0068-2690.

Hewett DJ [1998] 7/15/98. Hazard evaluation and technical assistance report: ADI Systems, Inc., Salina, KS. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0107-2700.

Hewett DJ, Buono G [1998]. Hazard evaluation and technical assistance report: United States Postal Service, Omaha, NE. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 98-0017-2699.

Jiggins TE, Cardarelli JJ, Ahrenholz SH [1998]. Hazard evaluation and technical assistance report: Hagerman Fossil Beds National Monument, National Park Service, U.S. Department of the Interior, Hagerman, ID. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-0264-2713.

III. Hazard Evaluation and Technical Assistance Reports

Kiefer M, Deitchman S [1998]. Hazard evaluation and technical assistance report: Yerkes Primate Research Center (OSHA Atlanta East Office), Atlanta, GA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 98-0061-2687.

Kiefer M, Driscoll R [1998]. Hazard evaluation and technical assistance report: McGregor Loudspeaker Mfg., Prairie du Chien, WI. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0185-2675.

Kiefer M, Trout D [1998]. Hazard evaluation and technical assistance report: Pratt and Whitney TAPC, North Haven, CT. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 98-0030-2697.

Kiefer M, Trout D [1998]. Hazard evaluation and technical assistance report: Avondale Shipyards, Bridge City, LA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0260-2716.

Kiefer M, Trout D, Wallace ME [1998]. Hazard evaluation and technical assistance report: Avondale Shipyards, New Orleans, LA. Cincinnati, OH: Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0260-2716.

Kinnes G [1998]. Hazard evaluation and technical assistance report: Dorma Door Controls, Inc., Reamstown, PA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0214-2689.

Kinnes G [1998]. Hazard evaluation and technical assistance report: Bureau of Alcohol, Tobacco, and Firearms, Washington, DC. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-0171-2692.

Kullman G [1998]. Hazard evaluation and technical assistance report: J.L. Long Middle School, Dallas, TX. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 94-0265-2703.

III. Hazard Evaluation and Technical Assistance Reports

Lenhart SW, Gagnon YT [1998]. Hazard evaluation and technical assistance report: U.S. Department of Agriculture, Animal and Plant Health Inspection Service, Raleigh, NC. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 93-0012-2711.

Mattorano D [1998]. Hazard evaluation and technical assistance report: Torch Operating Company, Santa Maria, CA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-0138-2691.

Mattorano D, Trout D [1998]. Hazard evaluation and technical assistance report: Cooper Engineered Products, Division of Cooper Tire and Rubber, Bowling Green, OH. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-0266-2702.

McCammon C [1998]. Hazard evaluation and technical assistance report: Shindoni Inc., Tesuque, NM. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0138-2677.

McCleery R [1998]. Hazard evaluation and technical assistance report: Bananas! Gifts, Inc., Clarksdale, AZ. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0161-2706.

Morley C [1998]. Hazard evaluation and technical assistance report: The Crown, Cincinnati, OH. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 98-0093-2717.

Morley C, Trout D, Hanley K [1998]. Hazard evaluation and technical assistance report: Siemens Energy and Automation, Inc., Urbana, OH. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0154-2693.

Morley C, Tubbs R, McCleery R [1998]. Hazard evaluation and technical assistance report: Immigration and Naturalization Service, San Ysidro, CA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0291-2681.

III. Hazard Evaluation and Technical Assistance Reports

Moss CE, Conover DL [1998]. Hazard evaluation and technical assistance report: Remington Industries, Benton, TN. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0220-2671.

Moss E [1998]. Hazard evaluation and technical assistance report: Library of Congress, Washington, DC. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0245-2696.

Moss E [1998]. Hazard evaluation and technical assistance report: The Trane Company, Fort Smith, AZ. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 98-0224-2714.

Roegner K, Baron SL [1998]. Hazard evaluation and technical assistance report: Northwest Airlines, Detroit, MI. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0115-2718.

Roegner K, Echt AS [1998]. Hazard evaluation and technical assistance report: Racine Fire Department, Racine, WI. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0304-2695.

Sylvain D [1998]. Hazard evaluation and technical assistance report: Active Industries, Clifton Park, NY. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 97-0219-2708.

Sylvain D, Malkin R [1998]. Hazard evaluation and technical assistance report: General Dynamics, Electric Boat Division, Groton, CT. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-0253-2682.

Tepper A, Blade L [1998]. Hazard evaluation and technical assistance report: Caterpillar, Inc., York, PA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 95-0001-2679.

III. Hazard Evaluation and Technical Assistance Reports

Trout D, Reh B [1998]. Hazard evaluation and technical assistance report: Ford Electronics and Refrigeration Corporation, Connersville, IN. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-0156-2712.

Waters M [1998]. Hazard evaluation and technical assistance report: Foss Manufacturing Company, Inc., Hampton, NH. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 96-0258-2673.

Weber A [1998]. Hazard evaluation and technical assistance report: Stericycle, Inc. (WA Department of Labor and Industries), Olympia, WA. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, NIOSH HETA No. 98-0027-2709.

IV. FATALITY ASSESSMENT AND CONTROL EVALUATION

Baldwin T [1998]. Volunteer fire fighter killed during wildland fire—Texas. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, Fire Fighter FACE Summary Report No. 98 F-19.

Baldwin T, Washenitz F [1998]. Vacant dwelling fire injures two fire fighters—Virginia. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, Fire Fighter FACE Summary Report No. 98 F-18.

Braddee RW [1998]. Two fire fighters die of smoke and soot inhalation in residential fire—Pennsylvania. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, Fire Fighter FACE Report 98-03.

Braddee RW, Baldwin T [1998]. Single-family dwelling fire claims the lives of two volunteer fire fighters—Ohio. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, Fire Fighter FACE Summary Report No. 98 F-06.

Braddee RW, Washenitz F [1998]. Propane tank explosion results in the death of two volunteer fire fighters, hospitalization of six other volunteer fire fighters and a deputy sheriff—Iowa. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, Fire Fighter FACE Summary Report No. 98 F-14.

Casini VJ [1998]. Tower erector dies after falling 125 feet from cellular phone tower—South Carolina. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, FACE Report No. 98-07.

Casini VJ [1998]. Scaffold erector dies after falling 60 feet from scaffold inside boiler—South Carolina. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, FACE Report No. 98-08.

IV. Fatality Assessment and Control Evaluation

Higgins D, Casini VJ [1998]. Tree feller killed when struck by chain saw—West Virginia. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, FACE Report No. 98-09.

Higgins D, Casini VJ [1998]. Electrical mechanic dies after 45-foot fall through unguarded floor opening—North Carolina. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, FACE Report No. 98-11.

Higgins D, Casini VJ [1998]. Machine operator dies after being crushed by 9,700-pound coil cart—Pennsylvania. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, FACE Report No. 98-14.

Higgins D, Casini VJ [1998]. 9-year-old child helping with blueberry harvest dies after being run over by cargo truck on field road. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, FACE Report No. 98-15.

Lentz TJ, Casini VJ [1998]. Tower worker dies after falling 130 feet from hoist cable to ground—Pennsylvania. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, FACE Report No. 98-05.

McCammon J, Hales TR [1998]. Fire chief dies as a result of a heart attack while fighting a fire in a two-story dwelling—New York. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, FACE Report No. 98-F-11.

Moore PH, Casini VJ [1998]. Fence technician pinned inside cargo van by line laying machine—North Carolina. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, FACE Report No. 98-12.

Moore PH, Casini VJ [1998]. Truck driver dies after crane boom strikes truck cab at construction site—Virginia. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, FACE Report 98-02.

Moore PH, Casini VJ [1998]. Temporary laborer crushed by dump truck at landfill—South Carolina. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, FACE Report No. 98-10.

IV. Fatality Assessment and Control Evaluation

Moore PH, Casini VJ [1998]. Laborer run over by dump truck at roadway resurfacing operation—Virginia. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, FACE Report No. 98-19.

Pettit T [1998]. Fire fighter dies while fighting warehouse fire when parapet wall collapses—Vermont. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, Fire Fighter FACE Summary Report Number 98 F-20.

Pettit T, Washenitz F [1998]. Backdraft in commercial building claims the lives of two fire fighters, injures three, and five fire fighters barely escape—Illinois. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, Fire Fighter FACE Summary Report No. 98 F-05.

Pratt SG, Casini VJ [1998]. Construction laborer dies after being run over by asphalt roller at highway construction site—Virginia. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, FACE Report No. 98-06.

Washenitz F, Braddee R, Baldwin T, Pettit T [1998]. Commercial structure fire claims the life of one fire fighter—California. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, Fire Fighter FACE Summary Report No. 98 F-07.

Washenitz F, Pettit T [1998]. Supermarket fire claims the life of volunteer fire fighter—West Virginia. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, DSR, Fire Fighter FACE Report Summary No. 98 F-04.

V. DHHS (NIOSH) NUMBERED PUBLICATIONS

DHHS (NIOSH) Publication No. 98-110. Diana SA, Brooks CJ, Maloney C, Felice D, Ziegler T, Mann ME, Morgan VK [1998]. NIOSH publications catalog (FY 1986-FY 1997). Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-111. Flesch JP, Mann ME, Hatfield K, Ahlers HJ, Carlson R [1998]. Hazard ID: fire hazard from falling portable gas cans in pickup trucks and cars, HID2. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-112. Sussell A, ed. [Jan 1998]. (Contributors: Ashley KE, Burr G, Gittleman J, Mickelsen L, Nagy H, Piacitelli G, Roscoe RJ, Sussell A, Whelan E) [1998]. Protecting workers exposed to lead-based paint hazards: A report to Congress. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-113. Diether J, Hull D, Petsonk E, Okun A [1998]. Latex allergy—a prevention guide. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-114. Tuchman RJ, Wopat PF, eds. [1998]. NIOSH program of mining research: a summary of mining research in progress, 1998. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-116. Boutin F [1998]. What you need to know about occupational exposure to metalworking fluids. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-117. Moore P, Pratt SG [1998]. NIOSH Alert: Preventing injuries and deaths from skid-steer loaders. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-118. NIOSH Recent accomplishments. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

V. DHHS (NIOSH) Numbered Publications

DHHS (NIOSH) Publication No. 98-119. Cassinelli ME, O'Connor PF, eds. [1998]. Second Supplement to NIOSH Manual of Analytical Methods (NMAM®). 4th ed. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-120. Safety and health on the job. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-121. Dower J [1998]. Certified equipment list as of February 13, 1998 (4 disks and instructional pamphlet). Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-122. Decker JA, Santis LD, Deitchman S, Flesch JP [1998]. Hazard ID: carbon monoxide poisoning and death after the use of explosives in a sewer construction project, HID3. **DHHS (NIOSH) Publication No. 98-117.**

DHHS (NIOSH) Publication No. 98-123. EPA/NIOSH Building air quality action plan. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-125. Tatken R [1998]. Looking for workplace health and safety information. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-126. Chan HS, Franks JR, Merry CJ, Stephenson MR, Theman CS, Prince MM [1998]. NIOSH Revised criteria for a recommended standard: occupational noise exposure. Revised criteria 1998. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-127. Ausefski DB [1998]. Common information service system (CISS) (flyer). Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-130. Kowalski KM [1998]. Mining surveillance statistics and research support activity (flyer). Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-131. Casini VJ, Kisner SM [1998]. Worker deaths by electrocution. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

V. DHHS (NIOSH) Numbered Publications

DHHS (NIOSH) Publication No. 98-132. Calvert GM; Okun A; Ehrenberg R; Maloney C [1998]. Training and research opportunities in occupational safety and health (poster). Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-134. Stout NS, Borwegen W, Conway GA, Hofkin A, Jenkins L, Linn H, Luchter S, McWilliams N, Pizatella T, Reeve G, Smith G, Snyder K, Steiner L [1998]. Traumatic occupational injury research needs and priorities: a report by the NORA traumatic injury team. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-137. NIOSH Strategic plan: 1997-2002. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-138. Greathouse W, Hartle R [1998]. NIOSH health hazard evaluations 1981-1989 (Part II) CD-ROM. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-139. Cortese RA, Perlee HE [1998]. Full-scale testing of the float dust deposition meter. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-141. National occupational research agenda UPDATE July, 1998 21 priorities for the 21st century. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-142. Kisner SM, Jenkins L [1998]. NOSH Alert: Preventing worker injuries and deaths from traffic-related motor vehicle crashes. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-144. Biagini D [1998]. Getting connected to the NIOSH home page (pamphlet, revised). Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-145. Cohen A, Colligan MC [1998]. Occupational safety and health training: a literature review. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-146. Zlochower IA, Sapko MJ, Casini VJ, Flesch JP [1998]. Hazard ID (HID 4): ignition hazard from drilling into sealed frames of agricultural equipment, HID4. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

V. DHHS (NIOSH) Numbered Publications

DHHS (NIOSH) Publication No. 98-147. Klatt M, ed. [1998]. Helicopter logging safety. Anchorage, AK: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-148. Wang RC, Miscoe AJ, McKewan WM [1998]. Model for the structure of roundstrand wire ropes. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-149. Gressel MG, Flesch JP [1998]. Hazard control [HC26]: Controlling formaldehyde exposures during embalming. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-150. Page SJ, Organiscak JA, Flesch JP [1998]. Hazard Controls [HC 27]: New shroud design controls silica dust from surface mine and construction blast hole drills. NIOSH. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-153. Myers JR [1998]. Injuries among farm workers in the United States, 1994. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-154. Bowman JD, Kelsh MA, Kaune WT [1998]. Manual for measuring occupational electric and magnetic field exposures. Cincinnati, OH: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-157. Kim JH [1998]. Atlas of respiratory Disease mortality, United States: 1982-1993. Morgantown, WV: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-160 Organiscak JA, Page SJ [1998]. Investigation of coal properties and airborne respirable dust generation. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

DHHS (NIOSH) Publication No. 98-161. Sammarco JJ [1998]. Concluding evaluation of a continuous haulage guidance sensor. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

VI. TECHNOLOGY NEWS

Technology News 468. Backer R [1998]. Tests of doppler radar technology for haulage truck backup alarms. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

Technology News 469. Beus MJ [1998]. Sensors warn of hazards during mine hoisting. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

Technology News 470. Stewart BM [1998]. Analysis of hangups and structural failure in underground mine ore passes. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

Technology News 471. Kowalski KM, Calhoun R [1998]. Innovative hazard recognition training for underground limestone miners. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

Technology News 472. Taylor CD, Thimons ED [1998]. A passive means to detect hot trolley insulators. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

Technology News 473. Zlochowier IA [1998]. The explosion hazard from hydrogen gas generation inside sealed frames. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

Technology News 474. Yenchek MR [1998]. A passive means to detect hot trolley insulators. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.

Technology News 475. Prosser LJ Jr., Iannacchione AT [1998]. Roof monitoring safety system for underground stone mines. Pittsburgh, PA: U.S. Department of Health and Human Services, Public Health. Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health.
