ILO Cataloguing in Publication Data

The designations employed in ILO publications, which are in conformity with United Nations practice, and the presentation of material therein do not imply the expression of any opinion whatsoever on the part of the International Labour Office concerning the legal status of any country, area or territory or of its authorities, or concerning the delimitation of its frontiers.

The responsibility for opinions expressed in signed articles, studies and other contributions rests solely with their authors, and publication does not constitute an endorsement by the International Atomic Energy Agency, the International Labour Office and the World Health Organization of the opinions expressed in them.

Although great care has been taken to maintain the accuracy of information contained in this publication, neither the International Atomic Energy Agency, the International Labour Office, the World Health Organization nor their member States assume any responsibility for consequences which may arise from its use.

Reference to names of firms and commercial products and processes does not imply their endorsement by the International Atomic Energy Agency, the International Labour Office and the World Health Organization, and any failure to mention a particular firm, commercial product or process is not a sign of disapproval.

ILO publications and electronic products can be obtained through major booksellers or ILO local offices in many countries, or direct from ILO Publications, International Labour Office, CH-1211 Geneva 22, Switzerland. Catalogues or lists of new publications are available free of charge from the above address, or by email: pubvente@ilo.org
