

NIOSH *schedule of courses* **1986-87**

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES
Public Health Service
Centers for Disease Control
National Institute for Occupational Safety and Health
Division of Training and Manpower Development

Some courses listed are presented by NIOSH in cooperation with another professional organization or institution. These courses are designated in this schedule by a letter code in column six. It is important that applications be sent to the organization or institution at one of the following addresses. NIOSH can accept applications for only those courses presented solely by NIOSH. All others sent to NIOSH must be returned and may result in a delay of the processing of your application.

Federal employees should submit appropriate forms to their agencies, in addition to the application to the group offering the training.
