

SAFETY & HEALTH on the JOB

IF YOU ARE UNDER 18 YOU HAVE A RIGHT TO:

- A safe and healthy workplace.
- Required safety clothing, equipment, and training.
- Know about and be protected from hazards.

Remember: Both the state and the federal governments restrict hours and types of work adolescents are permitted to do.

The only
GREAT job
is a SAFE
job.

Poster Design by Laura DeSantis

For more information contact your guidance or work experience counselor, the National Institute for Occupational Safety and Health (NIOSH) at 1-800-356-4674 (<http://www.cdc.gov/niosh/adolespg.html>), the State Department of Labor, or the Wage and Hour Office located in the blue pages of your local telephone book.

This poster was designed by the Massachusetts Office of the Attorney General and the Massachusetts Department of Public Health (under a cooperative agreement from NIOSH). NIOSH has modified the poster to be applicable to all states.
