# Illicit Drugs, Including Fentanyl: Preventing Occupational Exposure to Emergency Responders—Using Personal Protective Equipment

DHHS (NIOSH) PUBLICATION NUMBER 2019-156

AUGUST 2019

*Total running time: 12:07*

This video will help emergency responders understand the risks and what they can do to protect themselves from exposure to illicit drugs by properly donning and doffing personal protective equipment (PPE). NIOSH developed this video in collaboration with the Fredericksburg, VA Police and Fire Departments. Learn more at <https://www.cdc.gov/niosh/topics/fentanyl/risk.html>.
