

Faces of Black Lung II

DHHS (NIOSH) PUBLICATION NUMBER 2020-109D

(REVISED MAY 2020)

A follow-up to the Faces of Black Lung I video, Faces of Black Lung II is an informational video with commentary from medical experts and testimonials of miners that have the disease who are younger (30s & 40s) than the miners who appeared in the first “Faces” video (50s). The miner’s stories provide the full impact of this disease that is still a very serious risk to coal miners today.
