Part A: Eligibility Information

1. Child’s age stratum (in months) according to the census: 0-11 12-23 24-59 AGESTRATUM

2. Have you been able to identify the child? No Yes Died ID_CHILD

3. Was consent given by the parent, primary caretaker or guardian? Yes Refused Not Available after 3 attempts CONSENT

4. Are you a primary caretaker of the child? No Yes PRMCARE

5. Is the child a boy or a girl? Boy Girl GENDER

6. Can you tell me the birth date of the child? Day Month Year BRTH_DATE

7. Status of interview: Conducted Not conducted STATUS

Reason not conducted: RSVP_SPEC

Notes or comments (Initial and date notes)

Interviewer’s Name: INT_CODE

Quality Control’s Name: QC_CODE

HUAS Questionnaire V1.0 22FEB2007

Supplemental Appendix 1.1.
Part B: Household Information

8. What is your relationship to [Child’s Name]? RELATION
   - Mother
   - Father
   - Sister
   - Brother
   - Grandmother
   - Grandfather
   - Aunt
   - Uncle
   - No relation
   - Other relation by blood or marriage, specify RELAT_SPEC

   - Lives in household
   - Abroad
   - Died
   - Lives outside of household
   - Whereabouts unknown

10. Where does [Child’s Name] Father live? DAD_LIVE
    - Lives in household
    - Abroad
    - Died
    - Lives outside of household
    - Whereabouts unknown

11. How far did you [primary caretaker] go in school? PRIM_SCHL
    - No formal schooling
    - Completed primary
    - Completed secondary
    - Post-secondary
    - Religious education only

12. How many people have been living regularly in your household for the past 6 months? PPL_HOUSE

13. How many rooms in your household are used for sleeping? SLP_ROOMS

14. How many children younger than 60 months live in the household? YNG_CHILDREN

15. How many children younger than 60 months in this household are under your primary care? PRIM_YOUNG

16. What is the predominant floor inside the house? [Observe which material covers the largest surface.] FLOOR
    - Natural Floor
    - Rudimentary Floor
    - Finished Floor
    - Earth/Sand
    - Dung
    - Other, specify FLOOR_SPEC
    - Wood planks
    - Palm/bamboo
    - Parquet or polished wood
    - Vinyl or asphalt strips
    - Ceramic Tile
    - Cement
    - Carpet
Supplemental Appendix 1.3.

17. Does your household have the following? [Must be functioning; “X” all that apply.]
- Electricity: HOUSE EL/Elec
- Radio: HOUSE RADIO
- Television: HOUSE TELE
- Bicycle: HOUSE BKE
- Motorcycle/scooter: HOUSE SCOOT
- Car/truck: HOUSE CAR
- Refrigerator: HOUSE FRIDGE
- Telephone (mobile or non-mobile): HOUSE PHONE
- None of the above: HOUSE NONE

Part C: Parents Perception of Illness and Use of Health Care Facility

18. What do you look for to see if a child is dehydrated? [“X” all that apply.]
- Dry mouth: DEH DRY
- Wrinkled skin: DEH WRINK
- Decreased urination: DEH DEUCON
- Lethargy: DEH LETHRGY
- Sunken eyes: DEH SUNKEYES
- Coma/loss of consciousness: DEH COMA
- Other, specify: DEH OTHER
- Thirsty: DEH THIRST
- None of the above: DEH NONE
- Don’t know: DEH DK

19. What are the types of diarrhea that can result in serious harm or even death in a child? [“X” all that apply. Start with open-ended question; then probe options if not mentioned by the caretaker.]
- Mucus/pus in stool: SD MUCUS
- Rice watery stool: SD RICE
- Blood in stool: SD BLOOD
- A large number or amount of stools per day: SD DIAH
- Fever associated with diarrhea: SD FEVER
- Diarrhea and vomiting: SD VOMIT
- Presence of dehydration: SD DEHYD
- Don’t know: SD DK

20. What are the health centers that you use/would you use when [Child’s Name] is sick with diarrhea?
[Use codes from the Health Facility Coding List. You can report a maximum of three centers.]
- Center of first choice: HLS THCTR1
- Center of second choice: HLS THCTR2
- Center of third choice: HLS THCTR3
- Enter 999 for Unknown

If the facility was not coded, use code 090 in the boxes above and specify facility name(s) below:
- FACILITY SPEC1
- FACILITY SPEC2
- FACILITY SPEC3

21. How do you/would you usually get to the center of first choice?
- Walking: TRANSPORT
- Commercial transport: TRANSPORT
- Personal transport: TRANSPORT
- Combination of the above: TRANSPORT

22. How long does/would it take to get to your center of first choice (using the transport mentioned in question 21)?
- Less than 15 minutes: TRANSPORT TIME
- 15 minutes to half an hour: TRANSPORT TIME
- Half an hour to one hour: TRANSPORT TIME
- More than 4 hours: TRANSPORT TIME
- Don’t know: TRANSPORT TIME
23. Are there circumstances that sometimes make it difficult for you to reach your center of first choice? [“X” all that apply. Start with open-ended question; then ask “Anything else” until the respondent indicates there is nothing else.]

1. Flood [DIFF_FLOOD]
2. Lack of transport [DIFF_TRNSPT]
3. Heavy rain [DIFF_RAIN]
4. Temporary relocation [DIFF_RELOC]
5. Political unrest [DIFF_POLITIC]
6. Never a problem [DIFF_NOPROB]
7. Costs too much money [DIFF_COST]
8. Lack of childcare for other children [DIFF_CHILDCA]
9. Other, specify [DIFF_OTHR] [DIFF_SPEC]

24. If the child is sick, who decides whether the child should go to a health center?

[Choose only one response.]

1. Mother
2. Father
3. Sister
4. Brother
5. Grandmother
6. Grandfather
7. Aunt
8. Uncle
9. No relation
10. Other relation by blood or marriage, specify [DECID_SPEC]

Part D: Diarrhea history

25. Has [Child’s Name] had an illness with diarrhea (3 or more loose or watery stools during a 24-hour period) in the last two weeks? [DRH2WKS] No Yes

[If “No”, go to Part G, Health care attitudes; if “Yes”, continue.]

26. What is your best estimate of the maximum number of loose stools per day [Child’s Name] had during his/her diarrheal illness? [MAX_STOOLS]

1. 3 to 6 times per day
2. 7 to 10 times per day
3. More than 10 times per day
4. Don’t know
27. Did [Child’s Name] have any of the following symptoms during his/her diarrheal illness?

<table>
<thead>
<tr>
<th>Symptom</th>
<th>No</th>
<th>Yes</th>
<th>DK</th>
</tr>
</thead>
<tbody>
<tr>

Supplemental Appendix 1.5.
31. Please rank the following in order of occurrence if you sought care for [Child’s Name].

- Pharmacy RANK_PHARM
- Friend/relative RANK_FRIEND
- Traditional healer RANK_HEALR
- Unlicensed practitioner/village doctor/bush doctor/village health worker RANK_DOC
- Licensed practitioner/private doctor (not at hospital) RANK_PRIVDOC
- Bought a remedy/drug at the shop/market, specify remedy/drug RANK_REMDY REMDY_SPEC
- Hospital/Center of first choice RANK_CTR1 HOSPCTR1
- Hospital/Center of second choice RANK_CTR2 HOSPCTR2
- Hospital/Center of third choice RANK_CTR3 HOSPCTR3
- Other, specify RANK_OVR RANK_OTHSPEC

[For health centers, use the Health Facility Coding List. If sought care at a sentinel health center, answer Question 32 and 33; otherwise, go to Question 34.]

32. On what day of [Child’s Name]’s diarrhea did you seek care at the sentinel hospital/health center? DAYSEEK

33. What is your opinion of the care your child received at the health centers: [Mention the sentinel health centers listed in Question 31.]

<table>

HUAS Questionnaire V1.0 22Febr2007

SUPPLEMENTAL APPENDIX 1.6.
34. Was [Child’s Name] admitted to a hospital/health center for treatment of diarrheal illness? No Yes
(If “No”, go to Question 36; if “Yes”, continue.)

35. To which hospital was [Child’s Name] admitted? [Use the Health Facility Coding List.]

Center of 1st choice Center of 2nd choice Center of 3rd choice

If the facility was not coded, specify ____________ ADMIT_SPEC
(If completing Question 35, go to Question 38.)

36. If [Child’s Name] did not receive care at a hospital/health center, were you advised to take him/her to a hospital/health center? No Yes
(If “No”, go to Question 38; if “Yes”, continue.)

37. Why was [Child’s Name] not taken to the hospital? [“X” only the single most important reason.]

No HOSP

1. Hospital too far from home
2. Unable to find transport
3. Cost for travel too high
4. Could not take time off from work
5. Local situation

(Weather, natural or political reasons)

6. Cost for treatment too high
7. Other children at home could not be left alone
8. Did not think child was sick enough
9. Not happy with care provided at the hospital
10. Other, specify ____________ NOHOSP_SPEC

38. When [Child’s Name] had diarrhea, was he/she given any of the following at home (before seeking care outside the house)? [“X” all that apply; Start with open-ended question; then probe options if not mentioned by the caretaker.]

1. A fluid made from a special packet called ORALITE or ORS? HOMETRIT_ORS
2. Homemade fluid (e.g., This watery porridge made from maize, rice or wheat soup, sugar salt water solution, Yogurt based drink)
3. Special milk or infant formula HOMETRIT_MILK
4. Home remedy/Herbal medication HOMETRIT_HERBAL
5. Zinc (tablet/syrup) HOMETRIT_ZINC
6. No special remedies given HOMETRIT_NONE
7. Any other liquids, specify ____________ HOMETRIT_OTHR1 HOMELIQ_SPEC

8. Antibiotics, specify ____________ HOMETRIT_AB
9. Other, specify ____________ HOMETRIT_OTHR2 HOMEOHR_SPEC1

HUAS Questionnaire V1.0 22FEB2007
39. Now I would like to know how much [Child’s Name] was offered to drink during the diarrheal illness. Did you offer the child less than usual to drink, about the same, or more than usual to drink? [If “Less” probe:] Did you offer much less than usual to drink or somewhat less or nothing at all?

OFFR_DRINK
- Usual
- More than usual
- Less than usual
If “LESS THAN USUAL”:
  - Less
  - Somewhat less
  - Nothing to drink

40. When [Child’s Name] had diarrhea, did you offer the child less than usual to eat, about the same amount, or more than usual to eat? [If “Less” probe:] Did you offer much less than usual to eat or somewhat less or nothing at all?

OFFR_EAT
- Usual
- More than usual
- Less than usual
If “LESS THAN USUAL”:
  - Much
  - Somewhat less
  - Stopped food

[If no health center is reported in Question 31, go to Question 42; otherwise continue.]

41. Did [Child’s Name] receive any of the following to treat the diarrhea from hospital/health facility? [“X” all that apply]

- Intravenous fluids HOSPRT_INJ
- Medicine by injection HOSPRT_MEDNJ
- ORS HOSPRT_ORS
- Don’t know HOSPRT_DK
- Zinc HOSPRT_ZINC
- Antibiotics, specify HOSPRT_A9
- Other, specify HOSPRT_OTHR

SUPPLEMENTAL APPENDIX 1.8.
### Part F: Health Care Expenses

[Complete Part F only if the answer to Question 29 is “Yes.”]

42. What are your or your household estimated out-of-pocket expenses for the following: [Have respondent answer for only those facilities (not friends or relatives) that were used in Question 31 and provide the expense in the local currency. Only if the respondent cannot break down the expenses, use the “Total” boxes. DO NOT CALCULATE THE “TOTAL” FROM ALL THE COLUMNS.]

[For children who had diarrhea, go to Part H after completing Part F.]
Part G: Health Care Attitudes

[Introduce this section, e.g.: "Now I am going to ask you what you might do if [Child’s Name] had a diarrheal illness."]

48. If [Child’s Name] had any of the following symptoms of diarrheal illness, would you seek treatment or advice within the first 7 days of his/her illness for any of the following?

- Frequent loose stools <= 6/day
- Frequent loose stools 7-10/day
- Frequent loose stool > 10/day
- Mucus/pus in stool (local name)
- Rice watery stool (local name)
- Diarrhea with wrinkled skin
- Diarrhea with sunken eyes
- Other, specify

49. If a doctor or nurse recommended that you take [Child’s Name] for care at [the nearest sentinel center], would you be likely to agree to do this?

- No
- Yes
- DK

[If "Yes", go to Question 51; if "No", continue]

50. If “No”, why? ("X" the primary reason only.) NOTAGREE

1. Hospital too far from home
2. Unable to find transport
3. Cost for travel too high
4. Unable to take time off from work
5. Most diarrheas are not serious enough
6. Local situation (Weather, natural or political reasons)

51. Where would you seek care for the following? (There is a maximum of 4 choices. If care was never sought, ask where the care provider would seek care if needed. Use the Health Facility Coding List. Use 0:0 for licensed or private practitioner, 0:2 = pharmacy, 0:3 = friend/relative; 440 = traditional healer; 900 = unlicensed practitioner/rural doctor/ bush doctor; 960 = buy medication at the shop/market; other facilities not coded = 090.)

53. What is the most common diarrheal illness affecting children younger than 60 months old in your community? [*X* only one.]

- Simple loose/watery diarrhea
- Rice watery/cholera-like illness
- Bloody diarrhea
- Other, specify

54. Do you know about a child who died from any of the following illnesses before their 5th birthday?

- Simple loose/watery diarrhea
- Rice watery/cholera-like illness
- Bloody diarrhea

55. Do you worry that your child will get one of the following before his/her 5th birthday?

- Simple loose/watery diarrhea
- Bloody diarrhea
- Rice watery/cholera-like illness

56. Do you know any ways that prevent your child from getting these illnesses?

- Simple loose/watery diarrhea
- Bloody diarrhea
- Rice watery/cholera-like illness
CRF 01 – Healthcare Utilization and Attitudes Survey (HUAS) Questionnaire

57. In your opinion, what are the best ways to prevent these illnesses?
[Select a maximum of 3 or less – Please do not prompt the caretaker.]

- Nutrition
- Breastfeeding
- Proper disposal of human waste
- Medications
- Vaccines
- Cannot be prevented
- Washing hands
- Clean food or water
- Other, specify

Supplemental Appendix 1.13.
63. When your child is ill, you may have to pay when you seek medical care. In your opinion, which of the following illnesses has the lowest costs? ("X" one only.)

- Simple loose/watery diarrhea
- Bloody diarrhea
- Rice watery/cholera-like illness
- Don’t know

64. In your opinion, are vaccines important for your child’s health?  

No  Yes  

65. If there would be a vaccine available to prevent the following illnesses, would you want to use it for your child?

- Simple loose/watery diarrhea
- Bloody diarrhea
- Rice watery/cholera-like illness

Notes or comments [Initial and date notes]

Interviewer’s Name

Quality Control’s Name

HUAS Questionnaire V1.0 22FEB2007
**Supplemental Appendix 2.1**

1. Child’s age: [ ] (in months)

2. Gender: [ ] Boy  [ ] Girl

3. Are you a primary caretaker of the child? [ ] No  [ ] Yes  [If ‘No’, ask if a primary caretaker is available.]

4. Parent or caretaker gives verbal consent: [ ] No  [ ] Yes

5. Status of interview: [ ] Conducted  [ ] Not conducted

6. If not conducted, what was the reason:
   - [ ] Primary caretaker not available
   - [ ] Refused
   - [ ] Moved away
   - [ ] Child died more than 14 days ago
   - [ ] Cannot locate child
   - [ ] Other (specify) ____________________________

[If “Not conducted”, sign your name, staff code, date and submit this page to the DCC. If “Conducted”, continue to Question 7.]

7. Has [Child’s Name] had an illness with diarrhea (3 or more abnormally loose stools during a 24-hour period) in the last 14 days?  
   - [ ] No  [ ] Yes

[If “No”, sign your name, staff code, date and submit this page to the DCC; if “Yes”, continue to Question 8.]
8. How many days ago did the diarrhea start? [ ] (days)
   a. How many days did it last? [ ] (days)

9. What is the maximum number of loose stools per day [Child’s Name] had during this diarrheal illness?
   [ ] 3 to 6 [ ] 7 to 10 [ ] More than 10 times per day [ ] DK

10. Did [Child’s Name] have any of the following symptoms during his/her diarrheal illness?
    
    | Symptom                                      | No | Yes | DK |
    |----------------------------------------------|----|-----|----|
    | Fever                                        |    |     |    |
    | Blood in stool                                |    |     |    |
    | Irritable/less playful                        |    |     |    |
    | Very thirsty                                  |    |     |    |
