

You wouldn't want to miss this...

*because
you're
**stuck
here.***

Work safe so you don't miss out on the important milestones.

Workers

- You have the right to say "no" to unsafe work.
- Report hazardous conditions to your employer.
- Take the time to do your work safely.

www.KeepTruckingSafe.org

Employers

- Make sure workers have the tools and time to get the work done safely.
- Have a zero tolerance policy for unsafe work practices.
- Ask your workers to share their ideas to make the workplace safer.
