

Editorial Board of International Journal of Mining Science and Technology

Chairman

Xiexing Miao (China University of Mining & Technology, China)

Editor-in-Chief

Zhenfu Luo (China University of Mining & Technology, China)

Co-Editors

Ting X Ren (University of Wollongong, Australia)

Syd S Peng (West Virginia University, USA)

Members

Zacharias Agioutantis (Technical University of Crete, Greece)

Naj Aziz (University of Wollongong, Australia)

Surendra Kumar Biswal (CSIR-IMMT, India)

Gian Andrea Blengini (Technical University of Turin, Italy)

Qingru Chen (China University of Mining & Technology, China)

Shen-En Chen (University of North Carolina at Charlotte, USA)

Roussos Dimitrakopoulos (McGill University, Canada)

Jozef Dubiński (Centre Mining Institute, Poland)

Sevket Durucan (Imperial College London, UK)

Patrick J Foster (University of Exeter, UK)

Russell Frith (University of New South Wales, Australia)

Jim Galvin (University of New South Wales, Australia)

Shirong Ge (China University of Mining & Technology, China)

Bruce Hebblewhite (University of New South Wales, Australia)

Manchao He (China University of Mining & Technology, China)

Hilary I Inyang (University of North Carolina, USA)

Vladimir Kebo (Technical University of Ostrava, Czech Republic)

Efim Vulfovich Kreynin (Russian Academy of National Science, Russia)

Uday Kumar (Luleå University of Technology, Sweden)

Oliver Langefeld (Clausthal University of Technology, Germany)

Janusz S Laskowski (University of British Columbia, Canada)

Wen Li (Chinese Academy of Sciences, China)

B I Linev (Moscow Mining University, Russia)

Jiongtian Liu (China University of Mining & Technology, China)

Jorge Loredo (University de Oviedo, Spain)

D R Nagaraj (Cytec Industries Inc, USA)

Jan Nemcik (University of Wollongong, Australia)

Jun Oshitani (Okayama University, Japan)

Chris E Osuch (Consultant, USA)

George N Panagiotou (National Technical University of Athens, Greece)

B K Parekh (Center for Applied Energy Research, USA)

Sebastiano Pelizza (Politecnico of Turin, Italy)

Suping Peng (China University of Mining & Technology, China)

Minggao Qian (China University of Mining & Technology, China)

Yong Qin (China University of Mining & Technology, China)

Richard J Sweigard (University of Kentucky, USA)

Takayuki Takarada (Gunma University, Japan)

Junichi Tazawa (Niigata University, Japan)

Larry Thomas (Dargo Associates Ltd, UK)

Mick Tuck (University of Ballarat, Australia)

Horst Wagner (University of Leoben, Austria)

Xianyong Wei (China University of Mining & Technology, China)

H C Helmut Wolff (Berlin University of Technology, Germany)

Qiang Xie (China University of Mining & Technology, China)

Jian Zhao (Monash University, Australia)

Shining Zhou (China University of Mining & Technology, China)

Yuemin Zhao (China University of Mining & Technology, China)

Abstracted/Indexed in: Ei Compendex, CA, AJ, CSA, Coal Abstracts, Scopus, etc.
