ERRATUM

A Consensus Method for Updating Psychosocial Measures Used in NIOSH Health Hazard Evaluations

In a recent publication in *Journal of Occupational and Environmental Medicine*,¹ the author affiliations were printed incorrectly because of an error by the publisher. The correct author affiliations are as follows:

Douglas M. Wiegand, PhD, National Institute for Occupational Safety and Health
 Peter Y. Chen, PhD, University of South Australia, Adelaide, South Australia, Australia
 Joseph J. Hurrell, Jr, PhD, St Mary's University, Halifax, Nova Scotia, Canada
 Steve Jex, PhD, Bowling Green State University, Bowling Green, Ohio
 Akinori Nakata, PhD, National Institute for Occupational Safety and Health
 Jeannie A. Nigam, MS, National Institute for Occupational Safety and Health
 Michelle Robertson, PhD, CPE, Liberty Mutual Research Institute for Safety, Boston, Mass
 Lois E. Tetric, PhD, George Mason University, Fairfax, Va
