

# This is an official **CDC HEALTH UPDATE**

Distributed via Health Alert Network  
Saturday, September 15, 2001, 18:15 EDT (6:15 PM EDT)  
CDCHAN-00008-2001-09-15-UPD-S

## **HAN Coordinators' Daily Report**

September 15, 2001

### **To All HAN Coordinators:**

On behalf of the CDC Health Alert Network Command Center, we want to thank each of the HAN Coordinators for providing outstanding assistance to us during the course of events this week.

To ensure that we stay in touch electronically each day, beginning with this message, we will inform you of activity in this Center approximately every 24 hours.

Since September 11, 2001 the following messages have been forwarded by the Health Alert Network Command Center:

### 3 CDC Health Alerts

National Alert: Terrorist Activity Response (Sept. 11, 2001, 13:25 EDT)

National Alert: CDC Response Activity (Sept. 11, 2001, 19:00 EDT)

NE Region Alert: Respiratory Disease Symptoms (Sept. 12, 2001, 02:14 EDT)

NYC Only: Management of Human Remains (Sept. 12, 2001, 04:32 EDT)

### 1 CDC Health Advisory

NE Region Advisory: re: Exposure to Body Fluids by Rescue Personnel (Sept. 14, 2001, 15:17 EDT)

### 1 CDC Health Update

National Update: End of Week Report (Sept. 14, 2001, 21:20 EDT)

The Command Center can be reached by E-mail at **healthalert@cdc.gov** or by phone at **770-488-8251**.

CDC's 24/7 Emergency Hotline is **770-488-7100** and access to CDC via the Web can be gained at [www.hhs.gov](http://www.hhs.gov).

*The Centers for Disease Control and Prevention (CDC) protects people's health and safety by preventing and controlling diseases and injuries; enhances health decisions by providing credible information on critical health issues; and promotes healthy living through strong partnerships with local, national and international organizations.*
