HAN Coordinators' Daily Report

September 23, 2001

To All HAN Coordinators:

On behalf of the CDC Health Alert Network Command Center, we again thank you for your continued partnership with us to provide current information to our public health system.

There have been no health alerts/advisories/updates since the September 14 CDC Health Update - End of Week Report.

The Command Center can be reached by E-mail at healthalert@cdc.gov.

CDC's 24/7 Emergency Hotline is **770-488-7100** and access to CDC via the Web can be gained at www.hhs.gov.

The Centers for Disease Control and Prevention (CDC) protects people's health and safety by preventing and controlling diseases and injuries; enhances health decisions by providing credible information on critical health issues; and promotes healthy living through strong partnerships with local, national and international organizations.
