Public Health Message Regarding Anthrax Case

Please note the CDC News Item, "Florida Anthrax Case, October 11, 2001," posted on the CDC Public Health Preparedness & Response website: <http://www.bt.cdc.gov/> .

The Centers for Disease Control and Prevention (CDC) protects people's health and safety by preventing and controlling diseases and injuries; enhances health decisions by providing credible information on critical health issues; and promotes healthy living through strong partnerships with local, national and international organizations.
