Using Adobe Acrobat Reader to view PDF files

To view the PDF file you must have Adobe Acrobat Reader 4.0 or better. Please contact your LAN administrator if you have questions about Adobe Acrobat Reader, do not have this software installed on your computer or the LAN or are experiencing problems with the software.

The Centers for Disease Control and Prevention (CDC) protects people's health and safety by preventing and controlling diseases and injuries; enhances health decisions by providing credible information on critical health issues; and promotes healthy living through strong partnerships with local, national and international organizations.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

HAN Message Types

- **Health Alert:** Conveys the highest level of importance; warrants immediate action or attention. Example: HAN00001
- **Health Advisory:** Provides important information for a specific incident or situation; may not require immediate action. Example: HAN00316
- **Health Update:** Provides updated information regarding an incident or situation; unlikely to require immediate action. Example: HAN00309
- **Info Service:** Provides general information that is not necessarily considered to be of an emergent nature. Example: HAN00319

This Message was distributed to State and Local Health Officers, Public Information Officers, Epidemiologists and HAN Coordinators as well as Clinician organizations

You have received this message based upon the information contained within our emergency notification database. If you have a different or additional e-mail or fax address that you would like us to use, please contact your State-based Health Alert Network program at your State or local health department.
