

A top-down view of a Thanksgiving table. In the center is a large, empty blue plate with a scalloped rim. To the top left is a white plate with a green salad and a tomato slice. To the top right is a roasted turkey leg. To the bottom left, a fork and knife are wrapped in a grey napkin with twine. A small ear of corn is also visible. To the bottom right are a single autumn leaf and a piece of orange pumpkin. The entire scene is set on a light-colored wooden table.

What will you
bring to the table this
Thanksgiving?
