Transportation and material moving	3	2.5	54	2.0
Military specific	0		4	0.1

A Multiple jobs may have been held by individual mothers; 475 mothers had more than one job one month before conception through the end of pregnancy.

B Although 119 exposed and 2684 unexposed mothers were included in the PAH analysis (Table 3), one exposed and 13 unexposed mothers did not have a SOC code and are therefore not included in this table.
