

# ON THE ROAD TO A POLIO-FREE NIGERIA

It's been one year since Nigeria's last reported case of polio. Where are we on the road to a polio-free Nigeria?

**NO STOPPING**  
Nigeria must go **2 more years** without a new polio case.

**ROTARY HAS DONATED OVER \$207M TO END POLIO IN NIGERIA.**

**2014**

Nigeria records its last polio case for the year on 24 July.

**NIGERIA**

**2017**

Arrive at a certified polio-free Africa?

**1988**

The Global Polio Eradication Initiative launches. Nigeria hits the road with some **30,000** cases of wild poliovirus.

**Over 200,000 health workers immunize 230 million children in Africa.**

**2015**

The World Health Organization may remove Nigeria from its list of polio-endemic countries this year.
