

CONTACT LENS HEALTH WEEK

August 22–26, 2016

The Centers for Disease Control and Prevention (CDC) invites you to celebrate Contact Lens Health Week this August!

Help spread the word about healthy contact lens wear and care.

Learn more and **download** free health promotion materials, including:

- Printable posters
- Infographics
- Buttons and badges for websites
- A library of short messages for use on social media channels
- And much more!
