Source: MarketScan Commercial Claims and Encounters databases.

Abbreviations: *BRCA* = breast cancer (gene); metro = metropolitan; NA = not available; nonmetro = nonmetropolitan.

* Statistical comparisons of column proportions by chi-square test.

† Women who had *BRCA* testing for Ashkenazi mutations were excluded from the analyses.

§ Combined data for total sample of women aged 18–64 years are corrected for multiyear enrollment. Data combined across the study period for women aged 18–64 years who had *BRCA* tests, 2009–2014, corrected for the <1% of women who had *BRCA* testing in >1 year.

¶ Region percentages might not add up to 100% because of missing data.

†† $p < 0.05$.
