

2017 CDC

SAVING LIVES. PROTECTING PEOPLE.

KEEPING AMERICA
SAFE, HEALTHY, & SECURE

U.S. Department of
Health and Human Services
Centers for Disease
Control and Prevention

CDC works 24 hours a day, 7 days a week to keep America healthy, safe, and secure.

WE PUT SCIENCE INTO ACTION

Turning new research into tools and actions that save more lives

Tracking diseases to take the pulse of America's health

WE RESPOND, CONTAIN AND ELIMINATE HEALTH THREATS

100+ labs identify diseases, food-borne outbreaks, biosecurity threats, and environmental hazards

Trusted world-class scientists discovering microbes that threaten Americans

WE STRENGTHEN YOUR COMMUNITY

Working with state, local, and territorial public health departments to investigate and protect against health threats

Providing states with support and technical know-how to increase their impact

WE KEEP YOU SAFE.

24/7 U.S. emergency public health response

Rapid disease detection and containment

Stopping diseases from reaching the U.S.

Lifesaving medicines for disasters and attacks

We investigate

24/7 central command to monitor health and respond to health crises

We figure out what works

Research that leads to the best solutions to fight disease and protect health

We get results

Proven, lifesaving ways to defend against health threats

CDC Works to Respond, Contain, and Eliminate Disease Wherever It Is

CDC  Saving Lives. Protecting People.™
