**About the Data**

**Data Included**

- The grants and cooperative agreements data in this report include actions awarded (i.e., obligated funds) domestically in fiscal year 2015 (FY15; 10/1/14 to 9/30/15) from CDC's annual appropriation, which now integrates appropriations through the Prevention and Public Health Fund (PPHF) and for FY15, includes funding for Ebola Response and Preparedness.
- Because the data includes funds obligated in FY15, it may include funding authorized through legislation passed in previous years, but only the amount actually obligated in FY15.
- The funding data is categorized by CDC budget line (i.e., by which CDC appropriation account was used to make the investment), as shown in the FY15 CDC Operating Plan at <http://www.cdc.gov/budget/documents/fy2015/fy-2015-cdc-operating-plan.pdf>.
