Abbreviations: NR = not reported (if <50 respondents), CI = confidence interval

* Data self-reported by women ages 18-44 years

† Percentages and their associated confidence intervals are weighted to adjust for complex survey design and non response

§ White = non-Hispanic white; Black = non-Hispanic black; Other = non-Hispanic other

¶ Defined as having any kind of health care coverage, including prepaid plans such as health maintenance organizations, government plans such as Medicare, or Indian Health Service (IHS)

** Represents 50-59 respondents; might not be reliable
