NIOSH Bibliography of Communication and Research Products 2004
NIOSH BIBLIOGRAPHY OF COMMUNICATION AND RESEARCH PRODUCTS

2004

A Listing of NIOSH Publications for Calendar Year 2004

Department of Health and Human Services
Centers for Disease Control and Prevention
National Institute for Occupational Safety and Health
Washington, DC

April 2005
FOREWORD

Publication of this bibliography both reflects and reinforces the NIOSH values of relevance, diversity, and quality as we strive to produce the best scientific information possible to maintain and improve safety and health at work. The information contained herein demonstrates the consistent commitment of NIOSH and our partners to all workers as they face challenges to be safe and healthy while contributing to our nation's productivity. Please explore these products further and distribute them freely in workplaces and to our colleagues in the occupational health and safety community.

John Howard, M.D.
Director, National Institute for Occupational Safety and Health
CONTENTS

I. Journal Articles ......................................................... 1

II. Book Chapters ............................................................ 27

III. NIOSH Numbered Publications ................................. 31

IV. Abstracts/Proceedings ................................................ 39

V. Control Technology Reports ....................................... 63

VI. Fatality Assessment and Control Evaluation Reports ........ 67

VII. Fire Fighter Fatality Investigation and Prevention Reports 71

VIII. Health Hazard Evaluation Reports ............................ 77

IX. Multimedia and Applications ...................................... 81

X. Author Index ............................................................ 83

XI. Keyword Index ........................................................ 111

XII. National Occupational Research Agenda (NORA) Index .................. 135
I. JOURNAL ARTICLES
