Reason Topic is Being Presented to ACIP

- ACIP approval of the proposed schedules necessary prior to publication in MMWR Jan/Feb 2018
 - AAP, AAFP and ACOG also approve the proposed schedules prior to the 2018 publications.
 - New policy is not established in the proposed schedules.
 - Annual schedules reflect recommendations already approved by ACIP.
- 

Outline

- Work Group Recommendations
 - Specific Figure 2 (catch-up figure) and Figure 3 (high-risk figure)
 - Change to a simplified footnote format
 - Footnote changes:
 - Hepatitis B
 - Influenza
 - Polio
 - Discussion and Vote
-
