Outline

- Hepatitis B Supply Update
 - Adult
 - Pediatric
- CDC Vaccine Supply/Shortage Page

Adult Hepatitis B Vaccine

- Merck is not currently distributing its adult Hepatitis B vaccine and will not be distributing vaccine through the end of 2018.
- The dialysis formulation of Hepatitis B vaccine is not affected.
- GSK has sufficient supplies of adult Hepatitis B vaccine to address the anticipated gap in Merck's adult Hepatitis B vaccine supply during this period; however, preferences for a specific presentation (i.e., vial versus syringe) may not be met uniformly during this time.

Pediatric Hepatitis B Vaccine

- Merck is not currently distributing its pediatric Hepatitis B vaccine through the end of 2017.
- GSK has sufficient supplies of pediatric Hepatitis B vaccine to address the anticipated gap in Merck's pediatric Hepatitis B vaccine supply during this period; however, preferences for a specific presentation (i.e., vial versus syringe) may not be met uniformly during this time.
