This index to PUBLIC HEALTH REPORTS is divided into a subject index and an author index. The subject index has one or more entries for each item published. In addition to the subject headings, categorical headings include ABSTRACTS, DATA LINE, EDITORIALS, LETTERS TO THE EDITOR, and PUBLICATION ANNOUNCEMENTS AND REVIEWS.

SUBJECT INDEX

ABSTRACTS

coordinating lead education and dwelling abatement. 168
an EARS Program to address the needs of the communication impaired at the pharmacy. 174
a four-step wellness model for self-understanding and total health. 175
an intervention program for dentists to detect elder abuse and neglect. 171
nutrition workshops for HIV-infected patients. 176
OPPATH: Orleans Parish Project to Assist in Transition from Homelessness. 167
a prescription drug monitoring system to record drug histories, reduce “misadventures.” 173
prevention and control of sexually transmitted diseases among migrant farmworkers. 177
prevention and detection of cutaneous melanoma. 176
promoting oral health by integrating science and health education in middle schools. 169
reducing pregnancies among black adolescents through educational and occupational awareness. 170

a substance abuse prevention program for preschoolers. 166
“Sure Step”—a program to strength train persons 60 or older to decrease risk of falls. 172
using local media to educate young women about FAS and FAE. 171
well-child screening for homeless children. 167

ABUSE, PHYSICAL

the dimensions of an epidemic of violence. e 1

ABUSE, SUBSTANCE

depression, substance abuse linked genetically, NIMH study indicates. br 261
a fetal alcohol syndrome surveillance pilot project in American Indian communities in the Northern Plains. a 225
mortality attributed to misuse of psychoactive drugs, 1979–88. a 565
1992 household survey shows U.S. drug use decline continues. br 653
public health department tracking of high-risk drug users. a 643
secular trends in New York City hospital discharge diagnoses of congenital syphilis and cocaine dependence: 1982–88. a 279
a substance abuse prevention program for preschoolers. br 166
using local media to educate young women about FAS and FAE. abs 171
utilization of on-site primary care services by HIV-seropositive and seronegative drug users in a methadone maintenance program. a 492
where and how adolescents obtain alcoholic beverages. a 459
where injecting drug users receive HIV counseling and testing. a 294

ACCESS TO HEALTH CARE

cervical cancer prevention project for inner city black and Latina women. a 156
disease prevention through immunization: the beginning of health care reform. e 417.
800 numbers abound for health consumers. br 414
patients’ desires and satisfaction in general medicine clinics. a 751
the President’s child immunization initiative—a summary of the problem and the response. a 419
Spanish-Language radio to air health reports. br 416
utilization of on-site primary care services by HIV-seropositive and seronegative drug users in a methadone maintenance program. a 492

ADOLESCENTS

bicycle helmet use by adults: the impact of companionship. a 212
crafting effective tobacco counteradvertisements: lessons from a failed campaign directed at teenagers. s 85
designing health promotion approaches to high-risk adolescents through formative research with youth and parents. s 68
the dimensions of an epidemic of violence. e 1
factors influencing first intercourse for teenage men. a 680

Illinois picks "Dracula" to symbolize AIDS threat to young people. br 143
improving adolescent health: research to guide action. s 1
longitudinal study of delinquency, drug use, sexual activity, and pregnancy among children and youth in three cities. s 90
measuring adolescent behaviors related to intentional injuries. s 15
measuring adolescent behaviors related to unintentional injuries. s 11
measuring adolescent sexual behaviors and related health outcomes. s 31
measuring dietary behaviors among adolescents. s 37
measuring physical activity among adolescents. s 42
measuring tobacco use among adolescents. s 20
measuring use of alcohol and other drugs among adolescents. s 25
mortality patterns among the youth of a northeastern American Indian cohort. a 403
national health objectives measured by the Youth Risk Behavior Surveillance System. s 67
overview of the Youth Risk Behavior Surveillance System. s 2
reducing pregnancies among black adolescents through educational and occupational awareness. br 166
results from the national school-based 1991 Youth Risk Behavior Survey and progress toward achieving related health objectives for the nation. s 47
smoking behavior of adolescents exposed to cigarette advertising. a 217
stereotype or reality: another look at alcohol and drug use among African American children. s 78
Teen Peer Outreach-Street Work Project: HIV prevention education for runaway and homeless youth. a 150
where and how adolescents obtain alcoholic beverages. a 459
Youth Risk Behavior Surveillance System list of panel participants. s 56
Youth Risk Behavior Surveillance System questionnaire. s 60

ADVERTISING

advertising health: the case for counter-ads. a 716
crafting effective tobacco counteradvertisements: lessons from a failed campaign directed at teenagers. s 85
do anti-smoking media campaigns help smokers quit? a 510
smoking behavior of adolescents exposed to cigarette advertising. a 217

AIDS (see also HIV)

AIDS history conference set for October 28-29 at NIH. br 527
CDC recruits business, labor in fight against AIDS. br 259
changes in sexual behavior by young urban heterosexual adults in response to the AIDS epidemic. a 582
directions for AIDS education for Hispanic women based on analyses of survey findings. a 298
FDA warns frequent yeast infections could be early sign of HIV. br 259
heterosexual and mother-to-child transmission of AIDS in the hemophilia community. a 99
HHS sets up national HIV-AIDS consultation by telephone. br 414
Illinois picks "Dracula" to symbolize AIDS threat to young people. br 143
new Surgeon General's AIDS report provides updated information. br 654

NIAID to test new AIDS vaccines on pregnant women with HIV. br 526
NIMH prevention research helps women change AIDS risk behavior. br 413
patterns of hospital use by patients with diagnoses related to HIV infection. a 571
sexually transmitted diseases among young heterosexual urban adults. a 673
states' responses to Title II of the Ryan White CARE Act. a 4
Teen Peer Outreach-Street Work Project: HIV prevention education for runaway and homeless youth. a 150
utilization of on-site primary care services by HIV-seropositive and seronegative drug users in a methadone maintenance program. a 492

ALASKA NATIVE

pneumococcal vaccination in a remote population of high-risk Alaska Natives. a 439

ALCOHOL

cirrhosis hospitalization and mortality trends, 1970-87. a 192
deaths among the homeless in Fulton County, GA, 1988-90. a 488
a fetal alcohol syndrome surveillance pilot project in American Indian communities in the Northern Plains. a 225
where and how adolescents obtain alcoholic beverages. a 459

ALZHEIMER'S DISEASE

HRSA awards \$3.9 million for Alzheimer's projects. br 263

ANEURYSMS

prevalence of aortic aneurysms in the Twin Cities metropolitan area, 1979-84. a 506

ASTHMA

epidemiology of deaths from asthma in Pennsylvania, 1978-87. a 66
pregnancy and asthma can mix if asthma is monitored carefully. br 143

BEHAVIOR

behavioral risk factor surveillance system conference in Atlanta. br 416
changes in sexual behavior by young urban heterosexual adults in response to the AIDS epidemic. a 582
disability and cognitive impairment are risk factors for pneumonia-related mortality in older adults. a 314
a four-step wellness model for self-understanding and total health. br 166
Illinois picks "Dracula" to symbolize AIDS threat to young people. br 143
integrating behavior and intention regarding mammography by respondents in the 1990 National Health Interview Survey of Health Promotion and Disease Prevention. a 605
measuring adolescent behaviors related to intentional injuries. s 15

measuring adolescent behaviors related to unintentional injuries. s 11
measuring adolescent sexual behavior and related health outcomes. s 31
measuring dietary behaviors among adolescents. s 37
measuring physical activity among adolescents. s 42
measuring tobacco use among adolescents. s 20
measuring use of alcohol and other drugs among adolescents. s 25
NIMH prevention research helps women change AIDS risk behavior. br 413
overview of the Youth Risk Behavior Surveillance System. s 2
sexually transmitted diseases among young heterosexual urban adults. a 673
smoking behavior of adolescents exposed to cigarette advertising. a 217

BIOGRAPHY

Joseph W. Mountin: architect of modern public health. a 727

BIRTH RECORDS

quality control of birth defect registry data: a case study. a 91

BIRTH WEIGHT

birth outcomes of Korean women in Hawaii. a 500
ethnicity, maternal risk, and birth weight among Hispanics in Massachusetts, 1987-89. a 363
a fetal alcohol syndrome surveillance pilot project in American Indian communities in the Northern Plains. a 225
NICHD funds new perinatal programs in Washington to combat infant deaths. br 256
risk status for dropping out of developmental followup for very low birth weight infants. a 589

BLACKS (see also MINORITIES)

cervical cancer prevention project for inner city black and Latina women. a 156
public health impact of the 1992 Los Angeles civil unrest. a 265
reducing pregnancies among black adolescents through educational and occupational awareness. br 166
social support in smoking cessation among black women in Chicago public housing. a 387
stereotype or reality: another look at alcohol and drug use among African American children. s 78

CAMPAIGNS

cervical cancer prevention project for inner city black and Latina women. a 156
crafting effective tobacco counteradvertisements: lessons from a failed campaign directed at teenagers. s 85
project LEAN—lessons learned from a national social marketing campaign. a 45
strategies of a successful campaign to promote the use of equestrian helmets. a 121

CANCER

benefits of collecting local data on breast cancer and mammography practices in northwestern Pennsylvania. a 395

breast self-examination for visually impaired women. a 147
cervical cancer prevention project for inner city black and Latina women. a 156
local health departments implement a theory-based model to increase breast and cervical cancer screening. a 477
lung cancer rates in the Hispanic population of Connecticut, 1980-88. a 471
national plan designed to lower breast, cervical cancer death rates. br 655
NCI offers fellowships in cancer prevention. br 525
percent of mammograms doubled in 2 years: NCI. br 144
prevention and detection of cutaneous melanoma. abs 176

CENTERS FOR DISEASE CONTROL AND PREVENTION (CDC)

car baby seats, air bags don't mix, CDC points out. br 527
CDC recruits business, labor in fight against AIDS. br 259
health communication takes on new dimensions at CDC. a 179
measuring the health behavior of adolescents: the youth risk behavior surveillance system and recent reports on high-risk adolescents. s 1-96
youth suicide prevention programs: a resource guide. br 132

CESAREAN SECTION

variability and consistency of rates of primary and repeat cesarean sections among hospitals in two states. a 514

CHILD HEALTH

HHS issues "Health Diary" for mothers and children. inside back cover, July-August issue

CHILDREN

car baby seats, air bags don't mix, CDC points out. br 527
the costs of a pediatric hospice program. a 37
disease prevention through immunization: the beginning of health care reform. e 417.
an epidemiologic investigation of a rubella outbreak among the Amish of northeastern Ohio. a 436
knowledge, intent to use, and use of smokeless tobacco among sixth grade schoolchildren in six selected U.S. sites. a 637
mortality patterns among the youth of a northeastern American Indian cohort. a 403
the President's child immunization initiative—a summary of the problem and the response. a 419
public use data files available from children's oral health survey. br 412
risk factors for drowning and near-drowning among children in Hillsborough County, Florida. a 346
stereotype or reality: another look at alcohol and drug use among African American children. s 78

CHOLESTEROL

NIH panel issues report on triglyceride, high density lipoprotein, coronary heart disease. br 263
self-reported frequency of serum cholesterol testing, awareness of test results, and laboratory cholesterol values in two South Carolina communities. a 465

CHRONIC FATIGUE SYNDROME

editor's note. ltr 135
Price, et al., respond. ltr 135
taking exception to chronic fatigue syndrome prevalence findings by Price, et al. ltr 135

COMMUNICABLE DISEASES (see INFECTIOUS DISEASE)

COMMUNICATION

800 numbers abound for health consumers. br 414
evaluation of telephoned computer-generated reminders to improve immunization coverage at inner-city clinics. a 426
health communication takes on new dimensions at CDC. a 179
HHS sets up national HIV-AIDS consultation by telephone. br 414
Spanish-Language radio to air health reports. br 416

COMMUNITY HEALTH CENTERS

a diabetes control program in a public health care setting. a 595
assessing the public's health: community diagnosis in North Carolina. a 198
case study of the integration of a local health department and a community health center. a 19
PHS tests multimedia network to coordinate community services. br 255
planning community-wide services for persons with HIV infection in an area of moderate incidence. a 285
public health impact of the 1992 Los Angeles civil unrest. a 265
where injecting drug users receive HIV counseling and testing. a 294

COMMUNITY HEALTH EDUCATION

assessing the public's health: community diagnosis in North Carolina. a 198
HRSA awards \$3.9 million for Alzheimer's projects. br 263
PHS tests multimedia network to coordinate community services. br 255

COMPUTER APPLICATIONS

new computer program presents public health data in map form. br 795
evaluation of telephoned computer-generated reminders to improve immunization coverage at inner-city clinics. a 426

COSTS

a cost-benefit analysis of a California county's back injury prevention program. a 204
the costs of a pediatric hospice program. a 37

DATA BASES AND DATA FILES

improving data collection strategies. a 540
leprosy literature available on compact disc. br 656
National Library of Medicine lowers access fees. br 141
public use data files available from children's oral health survey. br 412
quality control of birth defect registry data: a case study. a 91

DATA LINE (National Center for Health Statistics)

138, 253, 408, 517, 650, 789

DENTAL HEALTH

first license granted for dental products to remineralize teeth. br 412
promoting oral health by integrating science and health education in middle schools. abs 169
public use data files available from children's oral health survey. br 412
silver teeth fillings not dangerous, PHS says. a 411
toward improving the oral health of Americans: an overview of oral health status, resources, and care delivery. a 657

DENTISTS

an intervention program for dentists to detect elder abuse and neglect. abs 171
maintaining confidentiality in a look-back investigation of patients treated by a HIV-infected dentist. a 273

DEPARTMENT OF HEALTH AND HUMAN SERVICES (HHS)

health promotion and disease prevention—10 years of student inventiveness. a 145
HHS, HUD fund projects for homeless mentally ill. br 521
HHS issues "Health Diary" for mothers and children. inside back cover, July-August issue
HHS sets up national HIV-AIDS consultation by telephone. br 414
new food safety program for the elderly launched by HHS agencies. br 260
Secretary announces 1992 winners of health innovation awards competition. abs 140

DIABETES

a diabetes control program in a public health care setting. a 595

DIET

project LEAN—lessons learned from a national social marketing campaign. a 45
USAID makes \$50 million commitment to fight 'hidden hunger.' br 261

DISABLED

disability and cognitive impairment are risk factors for pneumonia-related mortality in older adults. a 314
an EARS Program to address the needs of the communication impaired at the pharmacy. abs 174
rehabilitation center funds research to aid persons with disabilities. br 410

DISASTERS

the psychological consequences of the Chernobyl accident—findings from the International Atomic Energy Agency study. a 184
public health impact of the 1992 Los Angeles civil unrest. a 265
the Public Health Service's response to Hurricane Andrew. a 241

DRUG ABUSE (see ABUSE, SUBSTANCE)

DRUGS

a prescription drug monitoring system to record drug histories, reduce "misadventures." abs 173

EDITORIALS

the dimensions of an epidemic of violence. 1
disease prevention through immunization: the beginning of health care reform. 417
one voice, one vision—uniting to improve Hispanic-Latino health. 529

EDUCATIONAL AND COMMUNITY-BASED PROGRAMS

assessing the public's health: community diagnosis in North Carolina. a 198
PHS tests multimedia network to coordinate community services. br 255
planning community-wide services for persons with HIV infection in an area of moderate incidence. a 285
reducing pregnancies among black adolescents through educational and occupational awareness. br 166

ELDERLY

attendance patterns of older adults in a health promotion program. a 86
disability and cognitive impairment are risk factors for pneumonia-related mortality in older adults. a 314
elderly persons' attitudes towards footwear—a factor in preventing falls. a 245
HRSA awards \$3.9 million for Alzheimer's projects. br 263
if the "oldest old" increase, is life getting longer? experts disagree. br 411
an intervention program for dentists to detect elder abuse and neglect. abs 171
large-scale health study of elderly Mexican Americans underway. br 143
new food safety program for the elderly launched by HHS agencies. br 260
a prescription drug monitoring system to record drug histories, reduce "misadventures." abs 173
prevalence of artificial hip implants and use of health services by recipients. a 70
results of a 29-state survey of tuberculosis in nursing homes and correctional facilities. a 305
risk factors for septicemia-associated mortality in older adults. a 447
"Sure Step"—a program to strength train persons 60 or older to decrease risk of falls. abs 172
survey sketches new portrait of aging America. br 652
WHO conducts study on chemical pollution and the elderly. br 798

EPIDEMIOLOGY

assessment of E-coding practices and costs in Massachusetts hospitals. a 633
an epidemiologic investigation of a rubella outbreak among the Amish of northeastern Ohio. a 436
epidemiology of deaths from asthma in Pennsylvania, 1978–87. a 66

heterosexual and mother-to-child transmission of AIDS in the hemophilia community. a 99
improving data collection strategies. a 540
income and racial patterns of dietary vitamin C intake among black and white girls. a 760
new computer program presents public health data in map form. br 795
stroke mortality and its socioeconomic, racial, and behavioral correlates in Florida. a 454

ERRATA

Liller, K., et al.: Risk factors for drowning and near-drowning among children in Hillsborough County, Florida. br 528

EVALUATION

patients' desires and satisfaction in general medicine clinics. a 751

EXERCISE

attendance patterns of older adults in a health promotion program. a 86
measuring physical activity among adolescents. s 42

FALLS

"Sure Step"—a program to strength train persons 60 or older to decrease risk of falls. abs 172

FOOD

FDA survey finds food stores providing produce and seafood information. br 528
Food and Drug Administration responds. ltr 402
Food and Drug Administration surveillance of the role of foreign objects in foodborne injuries. a 54
insurance coverage of special foods needed in the treatment of phenylketonuria. a 60
investigation of a staphylococcal food poisoning outbreak in a centralized school lunch program. a 765
new food safety program for the elderly launched by HHS agencies. br 260
new handbook on baked goods nutrients issued by Agriculture department. br 415
questioning the safety of food irradiation. ltr 402
the Silver Platter Award: reform in restaurants. br 797
USAID makes \$50 million commitment to fight 'hidden hunger.' br 261

FOOD AND DRUG ADMINISTRATION (FDA)

FDA bans over-the-counter smoking deterrents. br 798
FDA clears the way for ending shortage of TB treatment drug. br 527
FDA survey finds food stores providing produce and seafood information. br 528
FDA warns frequent yeast infections could be early sign of HIV. a 259
Food and Drug Administration responds. ltr 402

Food and Drug Administration surveillance of the role of foreign objects in foodborne injuries. a 54
questioning the safety of food irradiation. ltr 402

GRANTS

states' responses to Title II of the Ryan White CARE Act. a 4

HANSEN'S DISEASE

leprosy literature available on compact disc. br 656

HEALTH AGENCIES

assessing the public's health: community diagnosis in North Carolina. a 198

new food safety program for the elderly launched by HHS agencies. br 260

PHS tests multimedia network to coordinate community services. br 255

HEALTH CARE

assessing the public's health: community diagnosis in North Carolina. a 198

disease prevention through immunization: the beginning of health care reform. e 417

HHS sets up national HIV-AIDS consultation by telephone. br 414

improving access to health care in Latino communities. a 534
more family practitioners needed, PHS report says. br 140

NIH launches largest study of women's health. br 258

NIMH issues publication on partial mental health care by organizations. br 263

patients' desires and satisfaction in general medicine clinics. a 751

PHS awards \$21 million to rural communities. br 415

PREVENTION 93 meeting set for St. Louis in April. br 144
toward improving the oral health of Americans: an overview of oral health status, resources, and care delivery. a 657

treatment available for male impotence. br 656

utilization of on-site primary care services by HIV-seropositive and seronegative drug users in a methadone maintenance program. a 492

HEALTH CARE POLICY

assessing the public's health: community diagnosis in North Carolina. a 198

assessment of E-coding practices and costs in Massachusetts hospitals. a 633

improving data collection strategies. a 540

new AHCPR booklet guide to health insurance. br 258

case study of the integration of a local health department and a community health center. a 19
PHS awards \$21 million to rural communities. br 415

SCREENING

breast self-examination for visually impaired women. a 147
factors associated with obtaining health screening among women of reproductive age. a 76
a fetal alcohol syndrome surveillance pilot project in American Indian communities in the Northern Plains. a 225
local health departments implement a theory-based model to increase breast and cervical cancer screening. a 477
Meissner replies to letter to editor concerning mammography. ltr 135
percent of mammograms doubled in 2 years: NCI. br 144
should mammography screening be promoted if quality assurance is lacking? ltr 135
well-child screening for homeless children. abs 167

SEPTICEMIA

risk factors for septicemia-associated mortality in older adults. a 447

SEXUAL BEHAVIOR

changes in sexual behavior by young urban heterosexual adults in response to the AIDS epidemic. a 582

condom use among Hispanic men with secondary female sexual partners. a 742
crafting effective tobacco counteradvertisements: lessons from a failed campaign directed at teenagers. s 85
factors influencing first intercourse for teenage men. a 680
measuring adolescent sexual behaviors and related health outcomes. s 31
NIMH prevention research helps women change AIDS risk behavior. br 413

SEXUALLY TRANSMITTED DISEASES (see also AIDS, HIV INFECTION)

condom use among Hispanic men with secondary female sexual partners. a 742
prevention and control of sexually transmitted diseases among migrant farmworkers. abs 177
secular trends in New York City hospital discharge diagnoses of congenital syphilis and cocaine dependence: 1982-88. a 279
sexually transmitted diseases among young heterosexual urban adults. a 673

SMOKELESS TOBACCO

knowledge, intent to use, and use of smokeless tobacco among sixth grade schoolchildren in six selected U.S. sites. a 637

SMOKING BEHAVIOR

crafting effective tobacco counteradvertisements: lessons from a failed campaign directed at teenagers. s 85
do anti-smoking media campaigns help smokers quit? a 510
measuring tobacco use among adolescents. s 20
more Indians smoke, PHS study shows. br 262
saliva cotinine and recent smoking: evidence for a nonlinear relationship. a 779
smoking behavior of adolescents exposed to cigarette advertising. a 217

SMOKING CESSATION

do anti-smoking media campaigns help smokers quit? a 510
FDA bans over-the-counter smoking deterrents. br 798
patterns and predictors of smoking cessation among users of a telephone hotline. a 772
social support in smoking cessation among black women in Chicago public housing. a 387
Surgeon General's report focuses on smoking in Latin America. br 141
tobacco use prevention and cessation programs in the U.S. Navy. a 105

STATE HEALTH DEPARTMENTS

assessing the public's health: community diagnosis in North Carolina. a 198
survey of leadership skills needed for state and territorial health officers, United States, 1988. a 116

STATES

decline in state mental hospital population accelerated in 1990. br 524
Illinois picks "Dracula" to symbolize AIDS threat to young people. br 143

results of a 29-state survey of tuberculosis in nursing homes and correctional facilities. a 305
study of road-rail crashes in Claremore, OK, and allocation of resources for preventive measures. a 248

SUBSTANCE ABUSE AND MENTAL HEALTH SERVICES ADMINISTRATION (SAMHSA)

SAMHSA publishes new mental health report. br 142

SUICIDE

the emergency department in surveillance of attempted suicide: findings and methodologic considerations. a 323
youth suicide prevention programs: a resource guide. a 132

SURGEON GENERAL

new Surgeon General's AIDS report provides updated information. br 654
Surgeon General's report focuses on smoking in Latin America. br 141

SURVEILLANCE

behavioral risk factor surveillance system conference in Atlanta. br 416
development of the New York State Nutrition Surveillance Program. a 230
the emergency department in surveillance of attempted suicide: findings and methodologic considerations. a 323
a fetal alcohol syndrome surveillance pilot project in American Indian communities in the Northern Plains. a 225
Food and Drug Administration surveillance of the role of foreign objects in foodborne injuries. a 54
heterosexual and mother-to-child transmission of AIDS in the hemophilia community. a 99
prevalence of aortic aneurysms in the Twin Cities metropolitan area, 1979-84. a 506

SURVEYS

adjusting for nonresponse bias in a health examination survey. a 380
effects of enhanced calling efforts on response rates, estimates of health behavior, and costs in a telephone health survey using random-digit dialing. a 372
integrating behavior and intention regarding mammography by respondents in the 1990 National Health Interview Survey of Health Promotion and Disease Prevention. a 605
1992 household survey shows U.S. drug use decline continues. br 653
prevalence of artificial hip implants and use of health services by recipients. a 70
public use data files available from children's oral health survey. br 412
results from the national school-based 1991 Youth Risk Behavior Survey and progress toward achieving related health objectives for the nation. s 47
results of a 29-state survey of tuberculosis in nursing homes and correctional facilities. a 305
SAMHSA publishes new mental health report. br 142
survey of leadership skills needed for state and territorial health officers, United States, 1988. a 116
survey sketches new portrait of aging America. br 652

TEENAGE, TEENS (*see* ADOLESCENTS)

TUBERCULOSIS (TB)

FDA clears the way for ending shortage of TB treatment drug. br 527
HRSA, NIAID join forces to find anti-TB therapies. br 655
NIAID mounts nationwide HIV-TB treatment study. br 520
results of a 29-state survey of tuberculosis in nursing homes and correctional facilities. a 305

U.S. NAVY

tobacco use prevention and cessation programs in the U.S. Navy. a 105

VACCINE

evaluation of a two-dose measles, mumps, and rubella vaccination schedule in a cohort of college athletes. a 431
NIAID to test new AIDS vaccines on pregnant women with HIV. br 526
pneumococcal vaccination in a remote population of high-risk Alaska Natives. a 439
vaccine for dengue haemorrhagic fever on threshold of success. br 262
WHO acts to prevent vaccine crises in former USSR. br 525

VETERANS

physical, addictive, and psychiatric disorders among homeless veterans and nonveterans. a 30

VIOLENCE

the dimensions of an epidemic of violence. e 1
public health impact of the 1992 Los Angeles civil unrest. a 265

WIC PROGRAM (SPECIAL SUPPLEMENTAL FOOD PROGRAM FOR WOMEN, INFANTS, AND CHILDREN)

development of the New York State Nutrition Surveillance Program. a 230

WOMEN (*see also* MATERNAL AND INFANT HEALTH, PREGNANCY)

the dimensions of an epidemic of violence. e 1
HHS issues "Health Diary" for mothers and children. inside back cover, July-August issue
NIAID to test new AIDS vaccines on pregnant women with HIV. br 526
NIH launches largest study of women's health. br 258
NIMH prevention research helps women change AIDS risk behavior. br 413
percent of mammograms doubled in 2 years: NCI. br 144
secular trends in New York City hospital discharge diagnoses of congenital syphilis and cocaine dependence: 1982-88. a 279
16 vanguard centers selected for women's health research studies. br 520

WORKSITE

worksite health promotion increases by 25 percent. br 523

leishmaniasis epidemic in southern Sudan infected U.S. troops.
br 415
vaccine for dengue haemorrhagic fever on threshold of success.
br 262
WHO acts to prevent vaccine crises in former USSR. br 525

WHO conducts study on chemical pollution and the elderly. br 798
WHO launches research into quality of life. br 796
WHO research projects offer hope for sufferers of mental illness. br 144
YOUTH (*see* ADOLESCENTS)
