Hospitals and Plastics

298 Dioxin Prevention and Medical Waste
Incinerators

Joe Thornton, Michael McCally, et al.

Common plastic medical supplies ultimately become a major source of dioxin. Shouldn't the medical industry take responsibility?

Delineating Disease

314 Epidemiologic Maps of Washington DC,
1878-1909

David Vecchioli

An insight into early Public Health Officers' reasoning about infectious diseases.
