200TH ANNIVERSARY

VIEWPOINT

**Public Health Service:
On the Job for 200 Years 201**
DAVID SATCHER

SPENDING CUTS AND JOBS

**Health Cost Containment: What It Will Mean for
Workers and Local Economies 204**
We are getting the cure we asked for—slowed health
spending—but then there are the side effects....
CHRISTINE E. BISHOP

COMMENTARY

Preparing for Change 214
RASHI FEIN

INJURY DEATHS

Poisoning Mortality, 1985–1995. 218
Death rates have increased.
LOIS A. FINGERHUT, CHRISTINE S. COX

COMMENTARY

Deadliness of Declining Drug Abuse 234
ALBERT WOODWARD

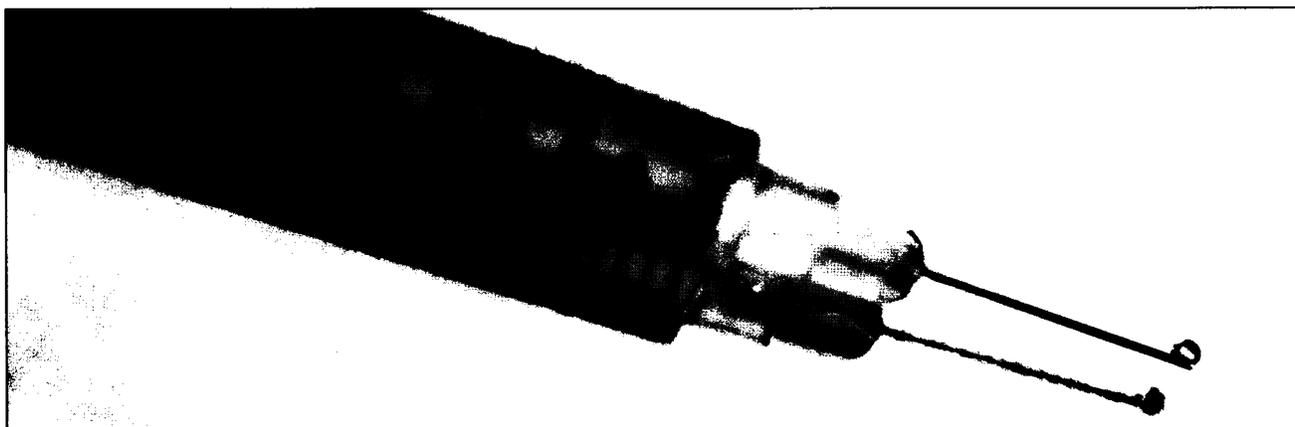

ADULT VACCINES

**Should the Vaccine Injury Compensation Program
Be Expanded to Cover Adults? 236**
If it's good for kids, perhaps it's right for adults, too.
MICHELE LLOYD-PURYEAR, LESLIE BALL, DAVID BENOR

COMMENTARY

An Idea Whose Time Has Come 243
THEODORE C. EICKHOFF
