This is the sixty-ninth of a series of special issues of PUBLIC HEALTH REPORTS devoted exclusively to tuberculosis control. The special issues began March 1, 1946, and appear the first week of each month. The articles are reprinted as extracts. Effective with the July 5, 1946, issue, these extracts may be purchased from the Superintendent of Documents, Government Printing Office, Washington, D. C., for 10 cents a single copy. Subscriptions are obtainable at \$1.00 per year, \$1.25 foreign.
