

## CONTENTS *continued*

	<i>Page</i>
Educational role of the nurse in chronic disease control. . . . . <i>Vivian V. Drenckhahn</i>	1103
<i>Pasteurella multocida</i> infections in 16 persons in Oregon . . . . . <i>M. A. Holmes and Gatlin Brandon</i>	1107
Feasibility of concrete septic privies for sewage disposal in Anguilla, B.W.I. . . . . <i>Stanley Sebastian and Ivan C. Buchanan</i>	1113
Nitrates in municipal water supply cause methemoglobi- nemia in infant. . . . . <i>Joseph Vigil, Sherman Warburton, William S. Haynes, and Leland R. Kaiser</i>	1119
Questions and answers on the heart disease, cancer, and stroke amendments of 1965 regarding regional medical programs. . . . .	1123
1965 Index. . . . .	1129
Short reports and announcements:	
Pharmacology-toxicology center. . . . .	1053
Headquarters for hemisphere health opens in Wash- ington, D.C. . . . .	1054
Bovine leukemia study awards. . . . .	1060
Division of Hospital and Medical Facilities reorganized. . . . .	1076
Counseling for medical rejectees. . . . .	1082
Publication announcements. . . . .	1099
Education notes. . . . .	1102
Insurance coverage for psychiatric care. . . . .	1118
Program notes. . . . .	1122
Federal publications. . . . .	1125
Synopses. . . . .	1126

### MANAGING DIRECTOR

J. STEWART HUNTER, M.A.  
*Assistant to the Surgeon General  
for Information  
Office of Information and Publications*

### BOARD OF EDITORS

GEORGE ST. J. PERROTT  
*Chairman*

BERNARD V. DRYER, M.D.  
LEO J. GEHRIG, M.D.  
DONALD A. HENDERSON, M.D., M.P.H.  
JAMES HUNDLEY, M.D.  
ROSCOE P. KANDLE, M.D., M.P.H.  
F. ELLIS KELSEY, PH.D.  
RALPH S. LLOYD, D.D.S.  
ELLIS D. SOX, M.D.  
JAMES WATT, M.D., DR.P.H.

MARCUS ROSENBLUM  
*Secretary to the Board*

### STAFF

Keith Kost, M.P.H. *Editor*  
Marian K. Priest *Managing Editor*  
Esther C. Gould *Asst. Managing Editor*  
Eugene Fite *Art Editor*

*Address correspondence to Editor, Public Health Reports, Public Health Service, Department of Health, Education, and Welfare, Washington, D.C., 20201.*

# 1965 INDEX

## Public Health Reports

Volume 80, January–December

*and*

## Public Health Monographs

Numbers 73 and 74

THIS INDEX to *Public Health Reports* and Public Health Monographs is divided into a subject index and an author index.

The subject index carries one or more entries for each item published. In addition to the subject headings, categorical headings include ANNOUNCEMENTS (ORGANIZATIONS and PERSONNEL), CONFERENCE REPORTS, EXHIBITS, INVENTION REPORTS, and TRAINING COURSES.

The Public Health Monographs published concurrently with *Public Health Reports* in 1965 appear under the category heading MONOGRAPHS. The monograph summaries appearing in the journal are indexed under the appropriate subject heading.

### Key to Dates and Pages

<i>Pages</i>	<i>Month of issue</i>	<i>No.</i>
1-94	January.....	1
95-188	February.....	2
189-282	March.....	3
283-376	April.....	4
377-470	May.....	5
471-564	June....	6
565-658	July.....	7
659-752	August.....	8
753-846	September.....	9
847-940	October.....	10
941-1034	November.....	11
1035-1144	December.....	12

### Key to Classification Code

- (\*) Original, signed article
- (CR) Conference report
- (E) Excerpt
- (MS) Monograph summary
- (PA) Publication announcement
- (SR) Short report

In the author index, two asterisks (\*\*) before the page number indicate a monograph

# Subject Index

## ABNORMALITIES

- neurological, detection by fingerprint analysis (SR)----- 461

## ACCIDENTS

- See also* Poisoning  
emergency medical care and ambulance service, economic aspects (CR)----- 145  
prevention in Maryland----- \*833  
prevention, medical aspects of driver licensure (CR)----- 146

## AGED

- and chronically ill, dental care programs (CR)----- 153  
comprehensive medical care for outpatients, Sinai Hospital, Baltimore (CR)----- 106  
health counseling services in public housing projects and day care centers (CR)----- 107  
health insurance for, trends in provision (CR)----- 106  
meals on wheels programs, PHS survey--- \*432

## AIR POLLUTION

- control, role of voluntary agencies (CR)-- 111  
hygienic standards for workroom air----- \*955  
implications of Clean Air Act of 1963 (CR)----- 110  
index to research (SR)----- 974  
regional approach to community control (CR)----- 110

## ALASKA

- cesium 137 body burdens in Alaskan men, spring 1965----- \*949  
training program for village health aides, Kotzebue area----- \*565

## ALCOHOLISM

- among patients newly admitted to mental hospitals (SR)----- 380  
and tuberculosis project, Berks County, Pa., progress report----- \*539

## ANGUILLA, B.W.I.

- feasibility of concrete septic privies for sewage disposal----- \*1113

## ANIMAL BYPRODUCTS

- significance in spread of salmonellae----- \*899

## ANNOUNCEMENTS, ORGANIZATIONS

- advisory committee on X-rays appointed for PHS Division of Radiological Health-- 560  
appointment of associateships for 1967, National Institutes of Health----- 370

## ANNOUNCEMENTS, ORGANIZATIONS—Continued

- cleft palate clinical research center, Lancaster, Pa----- 59  
conference calendar, 1965----- 87, 360, 538, 789  
cooperative mental retardation diagnostic and study unit, Public Health Service and U.S. Navy----- 514  
decentralization of MEDLARS, National Library of Medicine----- 200  
Human Development Study Center established in St. Petersburg, Fla., PHS----- 5  
National Reference Center for Bacteriophage Typing of Staphylococci, Communicable Disease Center----- 400  
new pharmacology-toxicology center, University of North Carolina----- 1053  
outpatient branch established in Division of Hospitals, PHS----- 480  
Pan American Sanitary Bureau, new headquarters, Washington, D.C----- 1054  
PHS Division of Hospital and Medical Facilities reorganized----- 1076  
PHS Pesticides Research Laboratory, University of Miami School of Medicine---- 828

## ANNOUNCEMENTS, PERSONNEL

- Gardner, John W., Secretary of DHEW---- 771  
Gordon, Robert S., Jr., clinical director of the National Institute of Arthritis and Metabolic Diseases----- 304  
Harting, Donald, director of the National Institute of Child Health and Human Development----- 993  
Holguin, Alfonso H., chief of the Tuberculosis Branch, Communicable Disease Center----- 993  
Stewart, William H., Surgeon General, PHS----- 924  
Yolles, Stanley F., director of the National Institute of Mental Health----- 304

## ARMED FORCES

- counseling and referral services for medical rejectees (SR)----- 1082  
U.S. Navy, psychosis admission rates, three decades----- \*512

## AUTOMATIC DATA PROCESSING

- adaptation of system to report staff nursing activities, New York State Health Department----- \*526  
application to swimming pool inspection program----- \*211

<b>AUTOMATIC DATA PROCESSING—Continued</b>	
applications in health department's operations, New York City.....	*625
use of analog-digital computer to analyze heart sounds in children.....	*761
use on merchant vessels for emergencies at sea .....	*753
vital statistics, seasonal adjustment by electronic computer.....	*201
<b>BARBADOS</b>	
poliomyelitis epidemic, 1963.....	*423
<b>BATS</b>	
cave-dwelling, relationship to fox rabies, Tennessee .....	*495
<b>BEDFAST PATIENTS</b>	
deterioration of; causes and effects, nursing care .....	*437
<b>BEHAVIORAL SCIENCE</b>	
activities in a venereal disease program....	*1015
nationwide survey of health attitudes and behavior (CR) .....	130
<b>BIRDS</b>	
parakeets and pigeons, sources of human psittacosis, Milwaukee County, Wis.....	*353
<b>BIRTH CONTROL</b>	
information for selected populations by mass communication (CR) .....	133
<b>CANCER</b>	
<i>see also</i> Carcinogens	
cervical, health department screening program (CR) .....	104
cervical, socioeconomic distribution in relation to early marriage and pregnancy (MS) .....	559
detection and taking Papanicolaou tests, survey of beliefs .....	*815
development of computer-based registry of chemicals tested for possible anticancer activity (SR) .....	980
incidence, trends in Allegheny County, Pa...lung, among asbestos workers (CR) .....	*885
lung, effect of smoking patterns (CR) .....	129
lung, relationship to airborne radiation among uranium miners (CR) .....	103
mouth and pharynx, from alcohol and tobacco (CR) .....	125
occupational, factors in detection and control (CR) .....	103
oral cytology program, Chicago (CR).....	126
oral cytology program, Tennessee (CR)...	153
oral exfoliative cytology (CR) .....	152
prevalence of spontaneous neoplasms in defined dog population (CR) .....	152
defined dog population (CR) .....	104
<b>CARCINOGENS</b>	
beta-naphthylamine, regulation of use, storage, transfer, or handling, Pennsylvania (CR) .....	126

<b>CARIBOU MEAT</b>	
measurement of cesium 137 body burdens in Alaskan men who consume .....	*949
<b>CAVES</b>	
as bat harbors, relationship to fox rabies, Tennessee .....	*495
<b>CHILD HEALTH AND WELFARE</b>	
<i>see also</i> Infants; Maternal Health; School Health	
child health supervision, pretest results of PTA questionnaire survey.....	*906
congenital hearing loss in preschool children, delayed diagnosis.....	*790
emotional disorders among adolescents in psychiatric clinics (CR).....	122
gonococcal infections among infants and children .....	*347
grants for child welfare studies, Children's Bureau (SR).....	509
heart disease, screening with portable tape recorder .....	*259
heart sound screening by analog-digital circuitry .....	*761
lead paint poisoning, hard-sell program for prevention, Baltimore.....	*969
leukemia incidence, relation of socioeconomic factors, Colorado, 1941-59.....	*573
medical care for needy children, 1965 amendments to Social Security Act (SR).....	1014
neglect of emotional needs by child care professions (CR).....	122
nutrition study among teenagers, Iowa (CR) .....	139
overseas school lunches, U.S. surpluses (CR) .....	139
speech and language development, indicators of general physical, emotional, and intellectual progress.....	*880
use of medical services and facilities by welfare-supported children.....	*1055
<b>CHOLESTEROL</b>	
serum levels, role of environment and heredity (CR).....	108
<b>CHRONIC DISEASES</b>	
<i>see also</i> name of disease	
community screening with mobile health unit, District of Columbia.....	*633
educational role of nurse in control.....	*1103
residual disability, continuity of care for rehabilitated patients.....	*271
<b>COCKROACHES</b>	
<i>Blattella germanica</i> , control program in public housing project.....	*183
<b>COLOMBIA</b>	
comparison of Heaf and Mantoux tests for tuberculosis, Cali area.....	*293
<b>COMMUNICABLE DISEASES <i>see</i> Infectious Diseases; name of disease</b>	

## COMMUNICATIONS

- implications for programing activities from studies of opinions and attitudes about mental illness..... \*589
- interagency, community health program planning ..... \*331
- media used in polio vaccine program, Appleton, Wis..... \*737

COMMUNITY HEALTH *see* Health Services

COMPUTERS *see* Cybernetics

## CONFERENCE REPORTS

- American Public Health Association, 92d, 1964..... 95
- Hospital Pharmacists' Seminar, 1965; needs of drug information system..... 603
- management of Federal grants-in-aid for health and research, 1964..... 659
- National Tuberculosis Association, 1965; outpatient services..... 377
- New York Academy of Medicine, 1965; gaps in health services..... 717

## CYBERNETICS

- see also* Automatic Data Processing
- application of computer graphics to hospital patient origin studies..... \*33
- simulation of mathematical models for public health problems..... \*1067

## DEMOGRAPHY

- aspects in selecting site for epidemiologic study ..... \*6

## DENTAL CARIES

- effect of school water fluoridation, St. Thomas, V.I..... \*381

## DENTAL HEALTH

- application of physics to dentistry (SR).... 632
- care of the aged and chronically ill (CR).... 153
- cytodiagnosis to detect mouth cancer (CR).... 152
- home care and outpatient program for chronically ill, aged, and handicapped, Cleveland, Ohio..... \*361
- oral cytology program, Chicago (CR)..... 153
- oral cytology program, Tennessee (CR)..... 152
- use of X-rays in dental studies and investigations of caries preventive agents; PHS policy guidance statements..... 1013

## DIABETES

- glucose tolerance test standardization by urinary ketone testing..... \*220
- mortality among the diabetic blind, research note ..... \*1025
- screening activities, July 1958 to June 1963 \*163
- screening of high-yield groups..... \*961

## DIARRHEA

- acute, study of 582 episodes, Public Health Service Indian Hospital, Zuni, N. Mex.... \*457

DIET *see* Nutrition

## DISASTERS

- medical self-help demonstration project, Davis County, Utah..... \*287
- medical self-help training program..... \*283

## DRUG ADDICTION

- narcotic addicts, admissions to PHS hospitals, 1935-63..... \*471
- narcotic addicts, employment status 1 year after discharge from PHS Hospital, Fort Worth ..... \*615

## DRUGS

- for psychoses, fluphenazine decanoate (SR) 1012
- information system (CR)..... 603
- registry of tissue reactions (SR)..... 550

## ECONOMICS, HEALTH

- change of physician-payment system for indigent, effect on physician and hospital clinic use rates, Baltimore..... \*476
- medical society relative value scales and the medical market..... \*501

## EDUCATION, HEALTH

- activities, classification scheme (CR)..... 129
- birth control, communication of facts by mass media (CR)..... 133
- cancer detection and taking Papanicolaou tests, survey of beliefs..... \*815
- for emphysema patients, Newark, N.J. (CR) 131
- media and effects in Great Britain (CR).... 131
- medical self-help demonstration project, Davis County, Utah..... \*287
- tuberculosis information survey among adults, Madison, Wis..... \*83
- venereal disease activities, Washington, D.C ..... \*746
- venereal disease exhibit at teenage fair, Los Angeles, 1964..... \*1

EDUCATION NOTES *see* Training Courses

## EMERGENCY SERVICES

- ambulance service, description of several systems and procedures..... \*847
- at sea, Automated Merchant Vessel Report System, international maritime mutual-assistance program..... \*753
- medical "triage," Grace-New Haven Community Hospital, Conn..... \*389
- use of ambulances, economic aspects (CR) 145

## EMPHYSEMA

- educational program for patients, Newark, N.J. (CR)..... 131

## ENVIRONMENTAL HEALTH

- fluorides, histological and chemical studies on effects in man, Utah..... \*529
- interaction of man and his environment, Surgeon General's address..... \*300
- outlook (E)..... 587
- oxygen supply in small fallout shelters, tests of potassium superoxide canisters..... \*225

## ENVIRONMENTAL HEALTH—Continued

planning objectives (CR)-----	110
role of metropolitan health department (CR)-----	101
training activities, Robert A. Taft Sanitary Engineering Center-----	*233
urban, decision-making structures for planning (CR)-----	98

## EPIDEMIOLOGY

area-adjusted maps, an epidemiologic device-----	*55
community study, demographic aspects in selecting site-----	*6
of small pertussis outbreak in Kent County, Mich-----	*365
pilot program for hospital epidemiologists, Brooklyn (CR)-----	115
prospective, for delayed and indirect dangers of technical innovations (CR)-----	115
role of epidemiologist in multidisciplinary research hospital (CR)-----	116

## EVALUATION

methods to assess health agency activities (CR)-----	151
--	-----

## EXHIBITS

recreation sanitation, PHS-----	292
venereal disease, teenage fair, Los Angeles, 1964-----	*1

EYEGASSES *see* Spectacles

## FALLOUT SHELTERS

oxygen supply in small, test of potassium superoxide canisters-----	*225
---	------

## FELLOWSHIPS

World Health Organization, for public health or educational workers (SR)----	953
--	-----

## FLUORIDATION

of community water, relation to incidence of femoral fractures in postmenopausal women-----	*1005
of school water, St. Thomas, V.I.-----	*381
of water supplies in small rural communities-----	*25

## FLUORIDES

effects in man, histological and chemical studies, Utah-----	*529
--	------

## FOODBORNE DISEASE

<i>Clostridium perfringens</i> , application of FA techniques to detection-----	*305
---	------

## FOOD PROTECTION

artificial sweeteners, review of studies (SR)-----	832
commercial infant formula, standard for preparers (CR)-----	134
dairy products, enterococci as indicators of bacterial quality or sanitation (CR)----	140

## FOOD PROTECTION—Continued

operation of programs, use of research (CR)-----	141
peanut products (CR)-----	141

## FRACTURES

femoral, incidence in postmenopausal women before and after fluoridation of community water-----	*1005
--	-------

## GAMMA GLOBULIN

human preparations, measles-neutralizing and HI antibody titers-----	*65
--	-----

## GENETICS

family pedigrees, role of public health nurse in obtaining-----	*41
inheritance of human twinning (CR)-----	108
ribonucleic acid structure determined (SR)-----	836
twins, family study of serum cholesterol levels (CR)-----	108

## GLAUCOMA

screening, performance of tonometry by non-physician personnel (CR)-----	107
--	-----

## GONORRHEA

gonococcal infections among infants and children-----	*347
---	------

## GRANTS

child welfare studies, Children's Bureau (SR)-----	509
construction, Mid-Missouri Mental Health Center (SR)-----	960
construction of community mental health centers (SR)-----	154
construction of education facilities, PHS (SR)-----	884
construction of research center for mental retardation, PHS (SR)-----	525
Federal, for medical and health-related research; public view of grantsmanship and stewardship-----	*660
Federal management; State health officer's view-----	*670
Federal management; two views opposing State health officer's-----	674
Federal management; viewpoint of scientific community-----	*677
psychiatric training for physicians, PHS (SR)-----	456
to develop electron microscope with resolution of 2 angstroms (SR)-----	422

## HAITI

malaria epidemic, hurricane Flora aftermath, October 1963 (CR)-----	120
---	-----

## HEALTH DEPARTMENTS

local, study of research activities (SR)----	745
local, survey of research activities (CR)---	150

## HEALTH DEPARTMENTS—Continued

- use of automatic data processing, New York City ----- \*625
- use of automatic data processing system to report staff nursing activities, New York State ----- \*526

## HEALTH FACILITIES

- see also* Hospitals; Nursing Homes
- cardiac diagnostic and surgical, United States ----- \*1035
- outpatient clinics, recommendations for improving services (CR) ----- 377
- planning, application of highway network minimum path selection ----- \*771

## HEALTH SERVICES

- community planning, interagency communication ----- \*331
- community services; assessment, planning, and action ----- \*179
- development of projects for research and demonstration ----- \*927
- gaps in availability and accessibility (CR) --- 717
- progress hindered by poverty, New York City (CR) ----- 97
- research for improvement of community action ----- \*709

## HEARING

- congenital loss, delayed diagnosis in pre-school children ----- \*790
- conservation, new theories (CR) ----- 142
- deafness, electronic aid for direct-dialing telephone (SR) ----- 614
- pitch discrimination, automatic testing and recording device; invention report ----- \*88

## HEART DISEASE

- and blood pressure, Japanese national survey ----- \*321
- anti-coronary club, experience with cholesterol-lowering diet, New York City (CR) --- 137
- arteriosclerotic, mortality and geographic distribution, 1950-60 ----- \*11
- cardiopulmonary arrest, training methods in resuscitation technique ----- \*68
- congenital, use of vital records in study, Oregon ----- \*721
- coronary, occurrence among cigarette smokers (CR) ----- 121
- diagnostic and surgical facilities, United States ----- \*1035
- electric stimulation of paralyzed muscles (SR) ----- 89
- heart sound screening in children by analog-digital circuitry ----- \*761
- rehabilitation of patients by physical exercise, Israel (SR) ----- 46
- screening children with portable tape recorder ----- \*259

## HEMORRHAGIC FEVER

- caused by dengue virus, geographic extensions (CR) ----- 116

## HEPATITIS

- infectious, evaluation of effectiveness of immune globulin prophylaxis in general population ----- \*173

## HOME CARE

- dental, for chronically ill, aged, and handicapped ----- \*361
- meals on wheels programs, PHS survey ----- \*432

## HORSES

- use for large-volume production of adenovirus antisera ----- \*647

## HOSPITALS

- emergency services, effects of medical "triage," Grace-New Haven Community Hospital, Conn. ----- \*389
- epidemiology and disease control, Brooklyn (CR) ----- 115
- multidisciplinary research, role of epidemiologist (CR) ----- 116
- new, Illinois evaluation procedures for licensing ----- \*622
- preventive medicine prototype clinic, PHS hospital, Boston ----- \*551
- use of computer graphics in patient origin studies ----- \*33

## HOSPITALS, MENTAL *see* Mental Institutions

## HYDEMICS

- suggested term for "public health" ----- \*707

## IMMUNIZATION

- see also* Vaccination; Vaccines
- determining community levels, poliomyelitis examples ----- \*267
- immunizable disease occurrence and prevention in Seattle-King County ----- \*981
- mass program, use of punchcard records --- \*313
- of infants, problems and plan for solution, Palm Beach County (CR) ----- 135
- programs, need for measurement and description of problems in reaching unimmunized populations (CR) ----- 148
- wallet-size record cards (CR) ----- 312

## INDIANS, AMERICAN

- acute diarrheal diseases, epidemiologic study, Zuni, N. Mex. ----- \*457
- trachoma survey, Blackwater, Ariz. ----- \*829

## INDUSTRIAL HYGIENE *see* Occupational Health

## INFANTS

- see also* Child Health and Welfare; Maternal Health
- birth cohort mortality rates, 1940-61 ----- \*692
- methemoglobinemia caused by nitrates in municipal water supply ----- \*1119
- mortality and socioeconomic status in metropolitan community ----- \*1083
- prenatal care and prematurity ----- \*237
- standards for commercial formula establishments (CR) ----- 134

## INFECTIOUS DISEASES

*see also* name of disease

- immunization experience, Seattle-King County ----- \*981
- prevention, rehabilitation of the eradication concept, Soper lecture----- \*855

## INFLUENZA

- Asian, emergence of new virus (CR)---- 117
- vaccination, recommendations (SR)----- 905

## INSURANCE, HEALTH

- administration of medicare insurance (SR) - 1020
- for psychiatric care, study (SR)----- 1118
- for retired persons, trends in provision (CR) ----- 106
- integration of glaucoma detection in group medical practice (CR)----- 107
- use of hospitals by Federal employees (CR) - 105

## INTERNATIONAL HEALTH

- international mail pouch----- 74, 510, 760
- overseas school lunches, U.S. Food for Peace program (CR)----- 139
- prevention of malaria, application of eradication concept, Soper lecture----- \*870
- rehabilitation of eradication concept in prevention of communicable diseases, Soper lecture----- \*855
- smallpox, constant alert, message for World Health Day----- 194
- U.S. contribution to medical education in developing countries (CR)----- 147
- world serum bank studies (CR)----- 117

## INVENTION REPORTS

- automatic pitch discrimination testing and recording device----- \*88

## JAPAN

- national survey of blood pressure and heart diseases ----- \*321

## JOINT DISEASES

- survey, use of chest X-ray van, New Haven, Conn ----- \*555

## JUVENILE DELINQUENCY

- interactions of juveniles with law enforcement agencies, epidemiologic study, San Francisco ----- \*681

## LABORATORY TESTS AND TECHNIQUES

- application of FA techniques to detection of *Clostridium perfringens*----- \*305
- detection of urinary tract infections in pregnant women, comparison of methods----- \*805
- evaluation of commercial ultraviolet disinfecting system for shipboard water supply ----- \*695
- field method for rapid collection of iodine 131 from milk----- \*453

## LABORATORY TESTS AND TECHNIQUES—

Continued

- glucose tolerance test standardization by urinary ketone testing----- \*220
- measles-neutralizing and HI antibody titers of human gamma globulin preparations-- \*65
- methods for culturing group A streptococci from pharynx, evaluation----- \*598
- micro technique for serum neutralization and virus identification----- \*463
- neutralization tests for poliovirus antibody, use of blood collected on filter paper disks-- \*1100
- production of adenovirus antisera in horses ----- \*647
- rabies antibodies in human sera titrated by the indirect FA method----- \*999
- sensitivity and specificity of FTA-200, FTA-ABS, and TPI tests in serodiagnosis of syphilis ----- \*797
- standardized diagnostic complement fixation method and adaptation to micro test (MS) ----- 652
- television-computer combination for use in studies of micro-organisms (SR)----- 740

## LAWS AND REGULATIONS

- Heart Disease, Cancer, and Stroke Amendments of 1965, questions and answers regarding regional medical programs----- 1123
- licensing of new hospitals, Illinois evaluation procedures----- \*622

## LEUKEMIA

- bovine, study awards (SR)----- 1060
- childhood, related to irradiation (CR)---- 103
- childhood, relation of socioeconomic factors to incidence, Colorado, 1941-59----- \*573
- use of standard complement fixation antibody test to study mouse leukemia viruses (SR) ----- 839

## MALARIA

- application of eradication concept to prevention, Soper lecture----- \*870
- epidemic in Haiti, hurricane Flora aftermath, October 1963 (CR)----- 120
- epidemiology of eradication in the Americas (CR) ----- 118

## MANPOWER

- see also* Physicians
- conservation by combined health services (CR) ----- 147
- health; use, training, and recruitment (CR) 147
- health professions; legislation for training and future sources (CR)----- 149
- inactive nurses, Kentucky----- \*637
- physical therapists, orientation to public health practice----- \*975
- psychiatrists in United States, 1964 (SR) -- 232

## MATERNAL HEALTH

- see also* Child Health and Welfare; Infants
- births and infant deaths among medically indigent, Minneapolis (CR)----- 135

## MATERNAL HEALTH—Continued

- group conferences for teenage unwed mothers, New York City (CR)----- 136
- inadequate prenatal care, result of poverty (CR) ----- 102
- urinary tract infections during pregnancy, comparison of methods to detect----- \*805

## MEASLES

- see also* Rubella
- inactivated-virus vaccine, field evaluation-- \*60
- measles-neutralizing and HI antibody titers of human gamma globulin preparations-- \*65
- serologic response of infants to combined inactivated measles-poliomyelitis vaccine (CR) ----- 135

## MEDICAL CARE

- ambulance service, description of several systems and procedures----- \*847
- and poverty, implications for action (CR) -- 99
- for aged outpatients, Sinai Hospital, Baltimore (CR)----- 106
- for indigent, comparison of physician and hospital clinic use rates under two physician-payment systems, Baltimore----- \*476
- for multiple handicapped retarded patients-- \*915
- medical society relative value scales and the medical market----- \*501
- quality, public health challenge (CR) ----- 104
- welfare-supported children, use of services and facilities----- \*1055

## MEDICAL CARE PLANS *see* Insurance, Health

## MENTAL DISORDERS

- data from psychiatric case register, Maryland ----- \*405
- diseases of the senium, first admissions to Ohio mental hospitals, 1958-61----- \*779
- emotional, among adolescents in psychiatric clinics (CR)----- 122
- home visits by European psychiatrists (CR) -- 125
- psychiatric case register for comprehensive community planning----- \*994
- psychosis admission rates among U.S. Navy personnel, three decades----- \*512
- psychosocial disorders, need of a classification scheme----- \*79
- public opinion and attitude studies, implications for programing communications activities ----- \*589
- retarded patients with associated physical handicaps, medical management----- \*915
- risk of mental illness during pregnancy (CR) ----- 123
- treatment of psychiatric patients in general hospitals (SR)----- 364

## MENTAL HEALTH

- cooperative community efforts, Mental Health Study Center, PHS----- \*189
- employment of the mentally retarded and mentally restored----- \*1021

## MENTAL HEALTH—Continued

- insurance coverage for psychiatric care, study (SR)----- 1118
- new drug for psychoses, fluphenazine decanoate (SR)----- 1012
- patients, new methods of care (CR)----- 124
- programs, public relations----- \*195
- public health psychiatry, research-oriented educational program----- \*837
- release of mental patients to the community, implications for health workers (CR)---- 123
- retardation, Advertising Council campaign (SR) ----- 299
- return of discharged patients to work, implications for occupational health nursing (CR) ----- 127

## MENTAL INSTITUTIONS

- Ohio public, first admissions for diseases of the senium, 1958-61----- \*779

## METHEMOGLOBINEMIA

- in infant, caused by nitrates in municipal water supply----- \*1119

## MESOTHELIOMA

- among asbestos workers (CR)----- 128

## MIGRANTS

- crop workers in Pennsylvania, public health problems ----- \*653
- farmworkers, project to design and test improved housing facilities (SR)----- 680

## MILK

- field method for rapid collection of iodine 131 ----- \*453
- field sampling of iodine 131 with ion exchange cartridges, preliminary evaluation ----- \*919
- ordinance recommended by PHS, 1965 revision (PA)----- 597
- sanitation honor roll, 1963-64----- 276
- sanitation honor roll, 1963-65----- 934

## MONOGRAPHS

- No. 73. Socioeconomic distribution of cervical cancer in relation to early marriage and pregnancy (PHS Publication No. 1209). Summary article----- 559
- No. 74. Standardized diagnostic complement fixation method and adaptation to micro test. I. Laboratory branch complement fixation method. II. Adaptation of LBCF method to micro technique. (PHS Publication No. 1228). Summary article----- 652

## MORTALITY

- and geographic distribution of arteriosclerotic heart disease, 1950-60----- \*11
- cerebrovascular rates, Memphis, Tenn. (CR) 121
- from poverty, New York City (CR)----- 97
- from selected causes, Inter-American investigation (CR)----- 117
- infant, and socioeconomic status in a metropolitan community----- \*1083
- infant, rates for birth cohorts, 1940-61---- \*692
- trends of age at death from tuberculosis---- \*925

<b>NARCOTICS ADDICTION</b> <i>see</i> Drug Addiction	
<b>NERVOUS SYSTEM</b>	
neurological abnormalities, detection by fingerprint analysis (SR)-----	461
<b>NURSES</b>	
educational role in chronic disease control-----	*1103
inactive registered, PHS survey (SR)-----	32
public health, experiences in obtaining family pedigrees-----	*41
survey of inactive, untapped recruitment source, Kentucky-----	*637
<b>NURSE'S AIDES</b>	
in nursing homes-----	*1027
in nursing homes, television-based training program, New York City-----	*731
<b>NURSING HOMES</b>	
design, orientation of architects-----	*1077
<b>NURSING SERVICES</b>	
deterioration of bedfast patients; causes, effects, and care-----	*437
<b>NUTRITION</b>	
evaluation of teenagers' dietary habits, Iowa (CR)-----	139
human requirements for zinc and iron (CR)-----	139
malnutrition among diverse populations, Brooklyn (CR)-----	137
need for protein foods in developing countries (CR)-----	140
quality of convenience foods (SR)-----	1004
vanadium and zinc deficiencies in man (CR)-----	138
<b>OBESITY</b>	
efforts to control (CR)-----	138
<b>OCCUPATIONAL HEALTH</b>	
asbestos workers, incidence of mesothelioma (CR)-----	128
asbestos workers, mortality from lung cancer (CR)-----	129
beta-naphthylamine use, Pennsylvania regulations (CR)-----	126
cancer, factors in detection and control (CR)-----	126
hazards in State government facilities, investigations of-----	*812
nurses, relationship with mentally restored worker (CR)-----	127
physicians, contribution to preventive medicine (CR)-----	128
radium management program, Jefferson County, Ala-----	*545
standards for workroom air-----	*955
uranium miners, relationship between airborne radiation and lung cancer (CR)---	125
<b>PASTEURELLA INFECTIONS</b>	
human pasteurelloses, need for data-----	*824
<i>Pasteurella multocida</i> in humans, Oregon-----	*1107
<i>Pasteurella pseudotuberculosis</i> information as background for understanding plague-----	*825

<b>PERTUSSIS</b>	
small outbreak in Kent County, Mich., epidemiologic study-----	*365
<b>PESTICIDES</b>	
aldrin and dieldrin, proposed new tolerances for agricultural commodities (SR)-----	694
chlorinated hydrocarbon, major U.S. river basins; synoptic survey, 1964-----	*481
long-term health effects, large-scale study (SR)-----	388
research laboratory, PHS (SR)-----	828
residue levels in fish and wildlife (CR)----	141
<b>PHENYLKETONURIA</b>	
survey of near relatives of patients, Maryland (CR)-----	134
<b>PHYSICIANS</b>	
graduates of foreign schools, contribution to U.S. health services (CR)-----	147
study of career patterns-----	*155
<b>PLAGUE</b>	
need for information on <i>Pasteurella pseudotuberculosis</i> to understand-----	*825
<b>POISONING</b>	
lead paint, hard-sell program for prevention among Baltimore children-----	*969
relationship to accidents in childhood (CR)-----	145
<b>POLIOMYELITIS</b>	
epidemic in Barbados, West Indies, 1963-----	*423
neutralization tests for poliovirus antibody, use of blood collected on filter paper disks-----	*1100
oral vaccination program, Berks County, Pa., 1963-----	*417
vaccination program, publicity aspects, Appleton, Wis-----	*737
vaccination program, study of effectiveness by participant registration and sample survey-----	*741
<b>POPULATION</b>	
by area cartograms, preparation and characteristics-----	*55
studies, University of Michigan (SR)-----	716
<b>POVERTY</b>	
and medical care, implications for action (CR)-----	99
obstacle to health progress in rural areas (CR)-----	102
obstacle to prenatal care (CR)-----	102
third leading cause of death, New York City (CR)-----	97
welfare-supported children, health needs and effectiveness of community resources-----	*1055
<b>PREVENTIVE MEDICINE</b>	
control of infectious hepatitis in general population, evaluation of immune globulin prophylaxis-----	*173
prototype clinic, PHS hospital, Boston-----	*551
role of industrial physicians (CR)-----	128

<b>PRISONERS</b>		
rehabilitation of psychiatric, by adaptation of mental hospital privileges (CR)-----	124	
<b>PRIVIES</b>		
concrete septic, feasibility for sewage disposal, Anguilla, B.W.I.-----	*1113	
<b>PSITTACOSIS</b>		
human, associated with parakeets and pigeons, Milwaukee County, Wis.-----	*353	
<b>PUERTO RICO</b>		
occurrence of <i>Schistosoma mansoni</i> infections -----	*339	
<b>Q FEVER</b>		
Maryland studies, 1963-----	*1095	
<b>RABIES</b>		
antibodies in human serums titrated by the indirect FA method-----	*999	
fox, relationship to caves, Tennessee-----	*495	
<b>RADIATION</b>		
adaptation of chest X-ray van for use in survey of joint diseases, New Haven, Conn -----	*555	
cesium 137 body burdens in Alaskan men, spring 1965-----	*949	
dental X-ray machines, inspection and correction programs (SR)-----	67	
effects of atomic bombing on Nagasaki, Japan, adolescents (CR)-----	114	
effects of prenatal irradiation on animals (CR) -----	114	
iodine 131, field method for rapid collection from milk-----	*453	
iodine 131 in milk, field sampling with ion exchange cartridges, preliminary evaluation -----	*919	
medical X-ray examinations, frequency survey, Monroe County, N.Y.-----	*515	
radioactive fallout materials, removal from milk (SR)-----	219	
radiological health program, Illinois (CR)-----	113	
radium management program, Jefferson County, Ala-----	*545	
radium sources in offices of private physicians, survey-----	*75	
use of X-rays in dental studies and investigations of caries preventive agents; PHS policy guidance statements-----	1013	
<b>RECORDS</b>		
electronic medical files (SR)-----	778	
psychiatric case register for mental health planning -----	*994	
psychiatric case register, Maryland-----	*405	
punchcard, mass immunization program-----	*313	
vital, use in study of congenital heart disease, Oregon-----	*721	
<b>REHABILITATION</b>		
bedfast patients; causes and effects of deterioration, nursing care-----	*437	
<b>REHABILITATION—Continued</b>		
counseling for Armed Forces medical rejectees (SR)-----	1082	
employment of the mentally retarded and mentally restored-----	*1021	
long-term patients, plan for continuity of care -----	*271	
<b>RESEARCH</b>		
activities of local health departments, study (SR) -----	745	
and demonstration in health services, development of projects-----	*927	
by local health departments, survey of activities (CR)-----	150	
<b>RESPIRATORY DISEASES</b>		
caused by adenovirus type 4, field trial of live oral vaccine (SR)-----	554	
chronic, remedial and control aspects, PHS activities -----	*336	
<b>RINGWORM</b> <i>see</i> Tinea Capitis		
<b>RUBELLA</b>		
epidemic, St. Paul Island, Alaska, clinical and laboratory investigations (CR)-----	120	
<b>SALMONELLA</b>		
isolation of salmonellae from animal by-products -----	*899	
salmonellosis seminars, PHS (SR)-----	248	
<b>SANITATION</b>		
<i>see also</i> specific type		
control of <i>Blatella germanica</i> cockroach in public housing project-----	*183	
facilities in recreational areas (CR)-----	112	
feasibility of concrete septic privies for sewage disposal, Anguilla, B.W.I.-----	*1113	
village hygiene and health education, South Pacific seminar, 1965-----	510	
<b>SCHISTOSOMIASIS</b>		
<i>Schistosoma mansoni</i> infections in Puerto Ricans -----	*339	
<b>SCHOOL HEALTH</b>		
concept approach in health education (CR) -----	132	
fluoridation of school water, effect on dental caries, St. Thomas, V.I.-----	*381	
hearing programs, new theories in hearing conservation (CR)-----	142	
program, experiment with minimum use of professional time, Los Angeles (CR)-----	144	
sample survey of U.S. public elementary and secondary school buildings for quality and space (SR)-----	708	
services, studies of university regional centers (CR)-----	142	
student health problems and school performance, California joint study (CR)-----	144	
tinea capitis caused by <i>T. tonsurans</i> and <i>M. audouinii</i> , epidemiologic study-----	*891	

## SCREENING EQUIPMENT

- chest X-ray van, adaptation for use in survey of joint diseases, New Haven, Conn. \*555  
mobile health unit for chronic disease, District of Columbia \*633

## SHIPS

- merchant vessels, use of an automated report system for emergencies at sea \*753  
water supply, evaluation of commercial ultraviolet disinfecting system \*695

## SMALLPOX

- constant alert, message for World Health Day 194

## SMOKING

- and occurrence of coronary heart disease (CR) 121  
patterns, effect on risk of lung cancer (CR) 103  
psychosocial aspects (CR) 123

## SOCIAL SERVICE

- role of social worker in tuberculosis-alcoholism project, Berks County, Pa. \*539

## SOPER LECTURES

- application of eradication concept to prevention of malaria \*870  
rehabilitation of the eradication concept in prevention of communicable diseases \*855

## SOUTH PACIFIC ISLANDS

- village hygiene and health education, 1965 seminar 510

## SOVIET UNION *see* U.S.S.R.

## SPECTACLES

- prescriptions for indigent patients, quality and standards \*401

## SPEECH

- and language development, indicators of children's general physical, emotional, and intellectual progress \*880

## STAPHYLOCOCCUS

- bacteriophage typing, National Reference Center, Communicable Disease Center (SR) 400

## STREPTOCOCCAL INFECTIONS

- group A pharyngitis, evaluation of methods and bacterial diagnosis \*598

## SURVEYS

- blood pressure and heart diseases in Japan \*321  
extent of knowledge about tuberculosis among adults, Madison, Wis. \*83  
followup field study, techniques for a high-yield \*249  
health attitudes and behavior of Americans (CR) 130  
radium sources in offices of private physicians \*75  
use of telephone for screening visual impairment \*47  
U.S. National Health Examination Survey, planning and operations \*941

## SWIMMING POOLS

- inspection program, application of a data processing system \*211

## SYPHILIS

- serodiagnosis; sensitivity and specificity of FTA-200, FTA-ABS, and TPI tests \*797

## TINEA CAPITIS

- caused by *T. tonsurans* and *M. audouinii*, epidemiologic study \*891

## TRACHOMA

- survey in an American Indian village \*829

## TRAINING

- associateships at the National Institutes of Health, appointments for 1967 370  
cardiopulmonary resuscitation technique \*68  
environmental health, Robert A. Taft Sanitary Engineering Center \*233  
for nurse's aides in nursing homes, television-based program, New York City \*731  
for village health aides, Kotzebue area, Alaska \*565  
medical self-help demonstration project, Davis County, Utah \*287  
medical self-help program \*283  
orienting physical therapists to public health practice \*975  
research-oriented program in public health psychiatry \*837

## TRAINING COURSES

- center for hospital administration studies, University of Chicago 345  
chemical and biological defense, Division of Health Mobilization 953  
clinical psychology, predoctoral and postdoctoral training, Devereux Schools, Philadelphia 345  
community safety program, University of North Carolina School of Public Health 345  
dental public health teachers, University of Michigan School of Public Health, Dentistry, and Education 730  
doctoral program in medical care organization, University of Michigan School of Public Health 1102  
doctoral study in social sciences, University of Michigan School of Social Work 1102  
epidemiology, Communicable Disease Center 759  
epidemiology, summer session, University of Wisconsin 451  
hospital administrators development program, Cornell University 345  
Institutes for Physicians and Nurses in the Care of Premature Infants, New York Hospital-Cornell Medical Center 451  
medical care, doctoral program on social organization, Brandeis University 451

## TRAINING COURSES—Continued

nutrition and oral science, Department of Nutrition and Food Science, Massachusetts Institute of Technology-----	182
operational aspects of radiation surveillance, Robert A. Taft Sanitary Engineering Center -----	1102
physicians, applied epidemiology, Communicable Disease Center-----	730
psychiatric training for physicians, PHS grants (SR)-----	456
public education research, University of California School of Public Health, Berkeley -----	730
public health nurses, college teaching; Boston College School of Nursing-----	730
sanitarians, home study, Communicable Disease Center-----	759
training methods and aids, Communicable Disease Center-----	759
water resources development, University of North Carolina School of Public Health--	345
<b>TRENDS, PUBLIC HEALTH</b>	
emerging, and possible reactions-----	*579
<b>TRICHINIASIS</b>	
in U.S. swine, current status-----	*1061
<b>TUBERCULOSIS</b>	
and alcoholism project, Berks County, Pa., progress report-----	*539
comparison of Heaf and Mantoux tests, Cali, Colombia -----	*293
death from, age trends-----	*925
information survey among adults, Madison, Wis -----	*83
outpatient clinics, success tied to human social factors (CR)-----	377
<b>URBAN DEVELOPMENT</b>	
decision-making structures for environmental planning (CR)-----	98
health problems, community profiles as basis for action (CR)-----	100
metropolitan planning, instrument for economic growth (CR)-----	109
<b>URINARY TRACT INFECTIONS</b>	
in pregnant women, comparison of methods to detect-----	*805
<b>U.S.S.R.</b>	
water pollution abatement (CR)-----	112
<b>VACCINATION</b>	
<i>see also</i> Immunization	
influenza, recommendations (SR)-----	905
oral poliomyelitis, Berks County, Pa., 1963 -----	*417

## VACCINATION—Continued

poliomyelitis program, publicity aspects, Appleton Wis-----	*737
poliomyelitis program, study of effectiveness by participant registration and sampling survey -----	*741
<b>VACCINES</b>	
combined inactivated measles-poliomyelitis vaccine, serologic response of infants (CR) -----	135
inactivated measles virus, field evaluation--	*60
live oral, field trial against adenovirus type 4 (SR)-----	554
<b>VENEREAL DISEASES</b>	
<i>see also</i> name of disease	
education activities, Washington, D.C-----	*746
exhibit at teenage fair, Los Angeles, 1964---	*1
program, behavioral science activities-----	*1015
<b>VIRGIN ISLANDS</b>	
school water fluoridation, St. Thomas-----	*381
<b>VIRUSES</b>	
adenovirus antiserums, production in horses	*647
identification and serum neutralization by micro technique-----	*463
<b>VISION</b>	
impairment, telephone screening survey----	*47
mortality among the diabetic blind, research note -----	*1025
<b>VITAL STATISTICS</b>	
<i>see also</i> Mortality; Records	
seasonal adjustment by electronic computer--	*201
<b>WASTES</b>	
sewage treatment facilities, PHS grants (SR) -----	371
<b>WATER POLLUTION</b>	
abatement in the Soviet Union (CR)-----	112
chlorinated hydrocarbon pesticides in major U.S. river basins; synoptic survey, 1964--	*481
northeast river basin control program, PHS (SR) -----	352
<b>WATER SUPPLY</b>	
fluoridation, small rural communities-----	*25
nitrate in municipal, cause of methemoglobinemia in infant-----	*1119
organic chemicals in drinking water (CR)---	112
purification of waste water (SR)-----	1026
ultraviolet disinfection and factors in treatment efficiency, evaluation of system designed for ships-----	*695
<b>YELLOW FEVER</b>	
eradication concept, development and refinement, Soper lecture-----	*855
<b>ZOONoses</b> <i>see</i> name of disease
