1968 INDEX

Public Health Reports

Volume 83, January–December

and

Public Health Monograph No. 77

THIS INDEX to *Public Health Reports* and Public Health Monographs is divided into a subject index and an author index.

The subject index carries one or more entries for each item published. In addition to the subject headings, categorical headings include ANNOUNCEMENTS (ORGANIZATIONS and PERSONNEL), CONFERENCE REPORTS, PHS GRANTS, INVENTION REPORTS, LEGAL NOTES, and TRAINING COURSES.

The Public Health Monograph published concurrently with *Public Health Reports* in 1968 appears under the category heading MONOGRAPHS. The monograph summary appearing in the journal is indexed under the appropriate subject heading.

Key to Dates and Pages

<i>Pages</i>	<i>Month of issue</i>	<i>No.</i>
1-94	January.....	1
95-172	February.....	2
173-266	March.....	3
267-344	April.....	4
345-438	May.....	5
439-532	June.....	6
533-626	July.....	7
627-704	August.....	8
705-798	September.....	9
799-892	October.....	10
893-986	November.....	11
987-1080	December.....	12

Key to Classification Code

- (*) Original, signed article
- (CR) Conference report
- (LN) Legal note
- (MS) Monograph summary
- (SR) Short report

In the author index, two asterisks (**) before the page number indicate a monograph.

Subject Index

ABNORMALITIES	Page	AIR POLLUTION—Continued	Page
congenital abnormalities in multiple species, rectangular coordinate method of epidemiologic investigation, University of Missouri -----	*427	particulate emissions from cast iron foundry's smokestack (LN)-----	118
ABORTION		State-Federal partnership to control, Mid-Atlantic States Air Pollution Control Commission (CR)-----	217
demographic aspects of-----	*999	ALCOHOLISM	
epidemiologic aspects of, Chile-----	*41	chronic, not defense to criminal prosecution for public intoxication (LN)-----	912
ACCIDENTS		treatment, multidisciplinary, multilocational, and multitherapeutic approach (CR)-----	112
alcohol-associated highway fatalities during Christmas season (CR)-----	189	ANEMIA	
burn injuries, effect of education program in reducing number of (CR)-----	189	hemoglobin patterns in low-income families, Brooklyn study-----	*61
injury control research laboratory, PHS (SR)-----	694	iron deficiency, among preschool Negro children, District of Columbia (CR)-----	213
motor vehicle, detecting and caring for victims (CR)-----	188	iron deficiency, among rural poor children in Tennessee-----	*939
motor vehicle, relationship of vehicle inspection to mortality rates (CR)-----	190	ANIMALS	
motor vehicle, study of human factors (CR)-----	189	<i>see also</i> name of disease; Zoonoses	
prevention, "Safety Tips In-Out-and-Around the Water," new wallet card published by PHS (SR)-----	433	as teaching aids in medical schools (CR)-----	224
Registry of Accident Pathology, Armed Forces Institute of Pathology (SR)-----	707	feeds, salmonellae levels in (CR)-----	231
ADMINISTRATION		ANNOUNCEMENTS, ORGANIZATIONS	
<i>see also</i> Information Systems		anesthesia center, Harvard University Medical Center-----	460
evaluation of effectiveness of public health programs-----	*323	Center for Population Research, National Institute of Child Health and Human Development-----	953
evaluation of program efficiency-----	*603	conference calendar-----	316
how public health administrators perceive their constituencies-----	*239	Health Services Research Center established to study economic and other aspects of health care-----	276
of family planning program, Pakistan-----	*945	new laboratory and museum wing, Armed Forces Institute of Pathology-----	404
use of management tools in health planning-----	*820	regional medical library for South America to be established at Paulista, Brazil-----	248
AFRICA		ANNOUNCEMENTS, PERSONNEL	
certain cancers common in, cooperative venture to study (SR)-----	134	Abinanti, Francis R., associate director, Extramural Programs, National Institute of Allergy and Infectious Diseases-----	376
Nigeria, epidemic of smallpox in immunized community (CR)-----	219	Isbister, James David, executive officer, National Institute of Mental Health-----	336
smallpox eradication efforts hampered by ecology, poor equipment, and politics (CR)-----	218	Lieberman, E. James, chief, Center for the Studies of Child and Family Mental Health, National Institute of Mental Health-----	336
AGED		MacNichol, Edward Ford, Jr., director of National Institute of Neurological Diseases and acting director of National Eye Institute-----	1020
and chronically ill, information and referral services for-----	*295		
health experiences in public housing projects in Cleveland, comparative study-----	*34		
psychiatric patients, facilities for treatment and care (CR)-----	111		
AIR POLLUTION			
findings of 3.5 years' monitoring in Metropolitan Birmingham, Ala-----	*1033		
gaseous tracer system to measure (SR)-----	457		

ANNOUNCEMENTS, PERSONNEL—Continued	Page
